Dogs A Field Guide In Colour To:

Field Guide to Dog First Aid Randy Acker, Jim Fergus, 1994-05 Frequently reissued with the same ISBN but with slightly differing bibliographical details A Field Guide to Digital Color Maureen Stone, 2016-04-19 Maureen Stone's field guide to digital color presents a survey of digital color with special emphasis on those fields important for computer graphics. The book provides the foundation for understanding color and its applications, discusses color media and color management and the use of color in computer graphics including color design and selection.

Field Guide to the Mammals of South-east Asia (2nd Edition) Charles Francis, 2019-06-27 A fully revised and updated second edition of the only comprehensive guide to the mammals of South east Asia. From large mammals such as the elephant, bears, big cats, dolphins and whales to monkeys and badgers to bats, civets, rats and shrews, South east Asia is one of the world's richest regions in terms of mammal diversity. Species new to science are still being described regularly though there is increasing pressure on all of its wild mammal populations. More than 550 species are covered in this comprehensive guide. Each species account includes key identification characteristics, habitat, behaviour, distribution and status, and many are accompanied by line drawings of footprints and details of anatomy or other aspects of identification. Beautiful colour plates depict nearly all species and their variations while accompanying range maps provide up to date information on distribution. This field guide is essential for any naturalist or traveller visiting this special corner of Asia.

Designed in a convenient carry along format, this full color guide offers collectors up to date pricing information for records and other collectibles as well as information on Elvis' personal history. No other guide to Elvis collectibles offers this much information in such a convenient size and affordable price.

Field Guide to Carnivores of the World, 2nd edition Luke Hunter, 2020-03-06 From the largest terrestrial carnivore, the Polar Bear, to the tiny Least Weasel that can squeeze through a wedding ring, the true carnivores include some of the world's most charismatic, admired, feared and spectacular creatures. This fully updated second edition of Luke Hunter's comprehensive guide profiles all of the world's terrestrial carnivore species. Thoroughly updated throughout and covering recently described species, a detailed account describes each species' key identification characteristics, distribution and habitat, behaviour, feeding ecology, social patterns, life history, statistics, conservation and the latest on classification. This edition also includes accurate distribution maps for each species. Colour plates by top wildlife artist Priscilla Barrett depict each species with subspecies colour variations and behavioural vignettes for many. There are also detailed line drawings of more than 230 skulls and 110 footprints.
