**In Kropsberg Keep and Other Stories** Ralph Adams Cram,2021-11-09 In Ralph Adams Cram s *In Kropsberg Keep and Other Stories* the reader is transported to a hauntingly atmospheric world that deftly intertwines gothic elements with philosophical reflections on human existence Cram s prose is both lyrical and evocative characterized by its rich descriptions and deep psychological insights inviting the reader to ponder the complexities of identity and morality Set against a backdrop of ancient castles and shadowy landscapes these tales offer an exploration of the uncanny that resonates with the traditions of 19th century gothic literature while infusing modern existential themes Cram a prominent architect and writer showcased an acute sensitivity to the artistic dimensions of both literature and space His extensive travels and deep engagement with European history profoundly influenced his storytelling allowing him to infuse his narratives with a palpable sense of place and time The interplay of architecture and narrative is apparent as Cram often reflects on the interplay of structures and human emotion informed by his own understanding of the built environment as a vessel for human experience *In Kropsberg Keep and Other Stories* is a captivating collection that is essential for readers interested in the gothic genre or those who appreciate literature that probes the deeper philosophical questions of life Cram s masterful storytelling and unique perspective will not only captivate the imagination but also stimulate profound reflection on the nature of reality and illusion

**Letter from an Unknown Woman and Other Stories** Stefan Zweig,2013-01-29 These four Stefan Zweig stories newly translated by the award winning Anthea Bell are among his most celebrated and compelling work The titular tale is a devastating depiction of unrequited love which inspired a classic Hollywood film directed by Max Oph ls and starring Joane Fontaine Elsewhere in the collection a young man mistakes the girl he loves for her sister two erstwhile lovers meet after an age spent apart and a married woman repays a debt of gratitude to her childhood sweetheart Expertly paced laced with the acutely accurate psychological detail and empathy that are Zweig s trademarks this is a powerful addition to Pushkin s growing collection of his work

**The Whole Mess and Other Stories** Jack Skillingstead,2023-11-07 What does it mean to be human in a universe of shifting sometimes terrifying realities Eighteen stories from Jack Skillingstead s second decade of publishing feature intense and surprising explorations of who we are who we wish to be and who we can t be In *The Whole Mess* a genius math professor solves a multiverse equation only to find himself pursued by ancient Masters across the many iterations of his could have been lives Straconia gives us a Kafkaesque world where all the lost things go including people who must first find themselves before they can find a way back home Tribute looks at a post NASA space race that goes nowhere until an unlikely pair of marooned astronauts find each other and

the future Also included in this collection is *The Writing Life* a self reflection on memory ambition and imagination in the formation of one writer s journey *My Very Last Possession and Other Stories* Wan-sŏ Pak,Kyung-Ja Chun,1999 An anthology of ten short stories by one of Korea s foremost living writers The literary world of Pak explores the moral ambiguities inherent in Korea s society today and encourages the reader to question the injustices that prevail in the more impersonal world emerging in a globalized Korea **The Pharaoh Awakes! And Other Stories** Merv Lambert,2012-04-12 Arguably Colin s most exciting and dramatic adventure yet In Ancient Egypt he foils a plot by the young pharaoh s evil uncle to turn him into a mummy while he is still alive Colin in the guise of the god Anubis and seemingly floating in mid air for he is seated on M the invisible computer generated emu s back orchestrates the young ruler s awakening and arising from the open sarcophagus at his burial ceremony This books also contains a collection of other stories Drohobycz, Drohobycz and Other Stories Henryk Grynberg,2002-10-29 In Drohobycz Drohobycz one of our most highly regarded Polish writers Henryk Grynberg delivers thirteen authentic tales of the Holocaust including the riveting title story which reconstructs the assassination of the celebrated writer and artist Bruno Schulz In each of these stories it is not only the devastation of the Holocaust that resonates so clearly but also the trauma that endures among its victims and survivors today Going beyond the age old question of individual crime and punishment Drohobycz Drohobycz explores the concepts of collective guilt and the impunity of the twentieth century s two most genocidal political systems Nazi Germany and the Stalinist Soviet Union With its profound investigation of bravery baseness and the vulnerability of human beings this incredible collection is a critically acclaimed and highly anticipated contribution to contemporary fiction **The \$30,000 Bequest and Other Stories** Mark Twain,2020-09-28 The last miscellany published by Twain these thirty eight tales and sketches offer a rare long view of his work covering the forty years from his earliest success to the final years of his life Amazon com **“The Sting of Death” and Other Stories** Toshio Shimao,2020-06-01 Until a recent boom Shimao Toshio writer of short fiction critic and essayist was not widely known even in Japan He has never won the Akutagawa or the Naoki Prize and none of his works had previously appeared in English translation He is less well known than other writers Yasuoka Shotaro Kojima Nobuo and Shono Junzo with whom he has associated and whose works have been liberally translated into English Yet there are those who consider him to be one of the best contemporary writers in Japan This volume by no means exhausts the scope of Shimao s fiction There are no stories here for instance about childhood or student life and none of his many travel stories Some of his most famous stories *When we Never Left Port* for example have not been included But the stories presented here do offer a considerable variety of style from the pristine storybook language of *The Farthest Edge of the Islands* to the young intellectual s jargon of *Everyday Life in a Dream* to the visionary hysterical occasionally ritualistic prose of the sick wife stories to the sober difficult almost ponderous narration of *This Time That Summer* Shimao s approach to his material varies as well *Everyday Life in a Dream* is the only representative here of a large number of stories usually called surrealistic by the

critics stories whose plots progress by the logic of dreams The individual experience of real life are lived through a combination of conscious and unconscious perception These stories are the least approachable and the least charming to the casual reader but they serve among other things to highlight patterns in the more realistic fiction The Farthest Edge of the Islands is a symbolic heightening of reality in another way a romantic fairy tale beginning at the extremity of experience at the farthest edge of the world The other stories are presented as precise close chronicles of reality by a participant in that reality whose attention never waivers and who never allows himself to avert his eyes from a world that he sees as his responsibility and in a sense his fault All but the first story The Farthest Edge of the Islands which is in third person narration are told in the first person by the character who plays Shimao's role in the life that inspired the fiction **The Little Angel and other Stories** Leonid Andreyev, 2019-09-25 Reproduction of the original The Little Angel and other Stories by Leonid Andreyev *The Long Slippers: and Other ... Stories* Slippers, Eminent Authors, 1867 **"And All Our Yesterdays..." and Nine Other Stories** Kenneth C. Gardner Jr., 2014-05-22 The stories in All Our Yesterdays and Nine Other Stories continue to explore the lives of the Cockburn family and other characters in and around the fictional town of Menninger North Dakota first created in the novel The Song Is Ended and continued in the novel The Dark Between The Stars and the short stories in Meatball Birds and Seven Other Stories While the events and the characters found in the ten stories exist in rural and small town settings the themes explored have a universal appeal **The Wagon and Other Stories from the City** Martin Preib, 2010-04-15 Martin Preib is an officer in the Chicago Police Department a beat cop whose first assignment as a rookie policeman was working on the wagon that picks up the dead Inspired by Preib's daily life on the job The Wagon and Other Stories from the City chronicles the outer and inner lives of both a Chicago cop and the city itself The book follows Preib as he transports body bags forges an unlikely connection with his female partner trains a younger officer and finds himself among people long forgotten or rendered invisible by the rest of society Preib recounts how he navigates the tenuous labyrinths of race and class in the urban metropolis such as a domestic disturbance call involving a gang member and his abused girlfriend or a run in with a group of drunk yuppies As he encounters the real and imagined geographies of Chicago the city reveals itself to be not just a backdrop but a central force in his narrative of life and death Preib's accounts all told in his breathtaking prose come alive in ways that readers will long remember **The Dead and Other Stories** James Joyce, 2014-06-03 That James Joyce's The Dead forms an extraordinary conclusion to his collection Dubliners there can be no doubt But as many have pointed out The Dead may equally well be read as a novella arguably one of the finest novellas ever written The Dead a story of public life as Joyce categorized it was written more than a year after Joyce had finished the other stories in the collection and was meant to redress what he felt was their unnecessary harshness Set on the feast of the epiphany it is a haunting tale of connection and of alienation reflecting in the words of Stanislaus Joyce James's brother and confidant the nostalgic love of a rejected exile The present volume highlights The Dead for readers who

wish to focus on that great work in a concise volume and for university courses in which it is not possible to cover all of Dubliners But it also gives a strong sense of how that story is part of a larger whole Stories from each of the other sections of Dubliners have been included and a wide range of background materials is included as well providing a vivid sense of the literary and historical context out of which the work emerged *I Looked Over Jordan, and Other Stories* Ernie Brill,1980 This collection of stories gives a different dimension to the usual presentation of hospitals as the exclusive and immaculate domain of doctors The reader will encounter a fuller nitty gritty view of a world seldom seen rarely mentioned and insufficiently appreciated Last Stories and Other Stories William T. Vollmann,2015-07-21 Supernaturally tinged stories from William T Vollmann author of the National Book Award winner *Europe Central* Watch for Vollmann s new work of nonfiction *No Immediate Danger* coming in April of 2018 In this magnificent new work of fiction his first in nine years celebrated author William T Vollmann offers a collection of ghost stories linked by themes of love death and the erotic A Bohemian farmer s dead wife returns to him and their love endures but at a gruesome price A geisha prolongs her life by turning into a cherry tree A journalist haunted by the half forgotten killing of a Bosnian couple watches their story and his own wartime tragedy slip away from him A dying American romances the ghost of his high school sweetheart while a homeless salaryman in Tokyo animates paper cutouts of ancient heroes Are ghosts memories fantasies or monsters Is there life in death Vollmann has always operated in the shadowy borderland between categories and these eerie tales however far flung their settings all focus on the attempts of the living to avoid control or even seduce death Vollmann s stories will transport readers to a fantastical world where love and lust make anything possible The \$30,000 Bequest (and other stories) Mark Twain, Many of Mark Twain s funniest stories have been gathered into this volume Some have appeared before in book form while other more recent ones have seen print only in magazines The volume includes among many other stories A dog s tale The Californian s tale A telephone conversation Italian with grammar The danger of lying in bed Eve s diary The 30 000 Bequest and many more The Preview and Other Stories Sŏn-jak Cho,2003 Cho Sun Jak is a prolific South Korean writer of many novels and short stories Many of his works have been adapted successfully as TV dramas and films but very few of his works have been available in English till now He presents an honest and frank view of the reality behind the successful development of modern Korea with humor and sensitivity The well known novella *The Preview* depicts the Korean War through the eyes of a young boy and the other stories in this collection reflect the aftermath of the war the desperate lives of the poor the corruption of moral values and the pathos of the lives of good hearted prostitutes The translations capture well the atmosphere and values of the period in which the stories were written Detailed notes clarify linguistic points and the social and cultural context **The Last Night at the Jupiter Saloon and Other Stories** Jim Driesen,2024-03-01 A diverse collection of forty three stories inhabited by eclectic characters waiting to meet you A stranger enters a saloon in a desolate baking hot town in the Arizona desert with a cryptic warning A murder mystery involving Santa Claus Ghosts with a
