**Kevin DeYoung, Ted Kluck**

## **Dear Church Letters From A Disillusioned Generation:**

**Dear Church** Sarah Raymond Cunningham,2006 Through this series of letters from a former emergent church staffer to the global church she s not always sure she wants to be a part of this volume invites every person to engage their own disappointments and journey through disillusionment and back again      **Picking Dandelions** Sarah Raymond

Cunningham,2010-02-09 Sarah Cunningham a moderate middle class white girl who grew up in the Michigan countryside speaks about God with humor and honesty more characteristic of liberal west coast writers in this Picking Dandelions Ebook In this warm and witty memoir she describes finding and keeping a personal faith in the quirky settings of her ultra Christian childhood Whether recounting living next to a cemetery teaching at risk high schoolers or listening to her grandmother s stories about being a British war bride the author weaves faith into down to earth metaphors of growth and renewal planting and reaping greenery and weeds In the end Cunningham succeeds in sifting through the dysfunctions and flaws of human life and discovering pockets of God s original Eden goodness for both herself and for you Picking Dandelions is a candid and personal account of outgrowing laissez faire Christianity moving into mature faith and realizing that a God following person is a changing person and you just might follow suit      Beyond the Broken Church Sarah Raymond Cunningham,2014-04-22

Beyond the Broken Church is a collection of heartfelt learnings from Sarah Cunningham a young adult raised in the faith about the church she s not always sure she wants to be part of The book engages concerns of a disillusioned generation head on and offers hope and honest practical ideas for moving beyond one s frustrations In the end Beyond the Broken Church tells a story that will be familiar to many the journey of overcoming disillusionment and staying the course This revised and expanded version of the popular book Dear Church revisits the existing book with additional chapters fresh statistics new insights into why people are leaving the church and a resource guide for those who care about the disillusioned and want to understand them better Beyond the Broken Church will be a breath of fresh air to others who have experienced frustration in church as well as an insider s guide for those seeking to understand current trends in church attendance particularly among the younger generation      **Reluctant Horses, Broken Bridges, Magic Feathers, and a Tossed Salad** J. a.

Tamel,2007-09 Employing his tendency towards satire Tamel invites readers to join him on a quest to understand the church within the context of the current culture He exposes what lies at the center of many cynical twentysomethings who are trying to deconstruct what the church has become Practical Life      Christ Among the Dragons James Emery White,2010-06-03

Christians today find themselves in new and strange cultural territory Sometimes we feel that the dangers are overwhelming Yet in his introduction James Emery White writes Unexplored territory does not always hold the peril of dragons it can also hold the promise of a new world In these pages he presents four themes that can take us to the core of faith and bring the unity we need as Christians to find our way truth orthodoxy culture and church Jacket      **Why We Love the Church** Kevin

DeYoung,Ted Kluck,2009-06-24 This book presents the case for loving the local church It paints a picture of the local church

in all its biblical and real life guts gaffes and glory in an effort to edify local congregations and entice the disaffected back to the fold It also provides a solid biblical mandate to love and be part of the body of Christ and counteract the leave church books that trumpet rebellion and individual felt needs Why We Love the Church is written for four kinds of people the Committed the Disgruntled the Waffling the Disconnected **Teaching the Faith, Forming the Faithful** Gary A. Parrett,S. Steve Kang,2013-03-05 With the decline of traditional Sunday school and education programs in recent years many Christians have not learned the fundamental doctrinal content of the faith In this text Gary Parrett and Steve Kang set forth a thoroughly biblical vision for intentional teaching of the Christian faith that attends to both the content and process of educational and formational ministries **The Rise of the Nones** James Emery White,2014-04-29 The single fastest growing religious group of our time is those who check the box next to the word none on national surveys In America this is 20 percent of the population Exactly who are the unaffiliated What caused this seismic shift in our culture Are our churches poised to reach these people James Emery White lends his prophetic voice to one of the most important conversations the church needs to be having today He calls churches to examine their current methods of evangelism which often result only in transfer growth Christians moving from one church to another rather than in reaching the nones The pastor of a megachurch that is currently experiencing 70 percent of its growth from the unchurched White knows how to reach this growing demographic and here he shares his ministry strategies with concerned pastors and church leaders **Portable Faith** Sarah Raymond Cunningham,2013 **Religion and Youth** Pink Dandelion,2016-04-08 What is the future of religion given the responses of young people What impact do existing religious forms have on youth What kind of spirituality and religion are young people creating for themselves Religion and Youth presents an accessible guide to the key issues in the study of youth and religion including methodological perspectives It provides a key teaching text in these areas for undergraduates and a book of rigorous scholarship for postgraduates academics and practitioners Offering the first comprehensive international perspective on the sociology of youth and religion this book reveals key geographical and organisational variables as well as the complexities of the engagement between youth and religion The book is divided into six parts organised around central themes Generation X and their legacy The Big Picture surveys of belief and practice in the USA UK and Australia Expression how young people construct and live out their religion and spirituality Identity the role of religion in shaping young people s sense of self and social belonging Transmission passing on the faith or not Researching Youth Religion debates issues and techniques in researching young people s religion and spirituality James A Beckford writes the Foreword and Linda Woodhead the Epilogue **The Fine Line** Kary Oberbrunner,2009-02-10 What Does It Mean to Be in the World but Not of It The Answer May Surprise You Christ followers are supposed to be the most liberated people ever to walk the face of the earth with a message powerful enough to cause the dead to rise and the blind to see We re supposed to have God living inside of us We re supposed to know how to be in the world but not of it Does that describe your life Author

Kary Oberbrunner suspects the answer is no but not because you aren't passionate about Christ. Rather it's because the church has been ripped apart and reassembled into two main camps that at best casually tolerate each other. The first camp separates itself from people, society, and culture for the main purpose of remaining unstained by the world. While the second camp conforms itself to the ideals, philosophies, and goals of the world in an attempt to be all things to all people. So what's the alternative? A growing number of people believe in a different way and a different world. They are transformists. And they have the power to change the world. Care to join them? Faith Without Illusions Andrew Byers, 2011-02-28. Cynicism has become almost a cliché. It pervades the culture and defines the age and threatens to derail faith. Andrew Byers identifies the primary factors in the church that inspire disillusionment rather than faith but he goes beyond that to help struggling cynics channel their frustrations into the redemptive vocations found in the Bible: the prophet, the sage, the tragic poet. These all find their fulfillment in Jesus and he in turn inspires cynics from the apostle Paul to you and me to embrace our saintly calling: hopeful realism.

**A Faith of Our Own** Jonathan Merritt, 2012-05-08. Every day major headlines tell the story of how Christianity is attempting to influence American culture and politics. But statistics show that young Americans are disenchanted with a faith that has become culturally antagonistic and too closely aligned with partisan politics. In this personal yet practical work Jonathan Merritt uncovers the changing face of American Christianity by uniquely examining the coming of age of a new generation of Christians. Jonathan Merritt illuminates the spiritual ethos of this new generation of believers who engage the world with Christ-centered faith but from an unpolarized political perspective. Through personal stories and biblically rooted commentary this scion of a leading evangelical family takes a close, thoughtful look at the changing religious and political environment, addressing such divisive issues as abortion, gay marriage, environmental use and care, race war, poverty, and the imbalance of world wealth. Through Scripture, the examples of Jesus, and personal defining faith experiences, he distills the essential truths at the core of a Christian faith that is now just coming of age.

**Before They Say Goodbye** David Sawler. According to many studies, the average church-attending young person is more likely to leave than to remain. *Before They Say Goodbye* is a proactive project to help parents, leaders, and pastors prepare this generation to deal with many of the challenges of faith they are facing. David Sawler discusses many of the reasons why so many have said they are leaving or have left. However, this book is not intended to just state obvious problems. Instead, this is a book of stories, advice, and ideas on how to reach, protect, prepare, and keep this generation. This is the book every pastor, leader, and family member should read to help prepare their youth and those they work with to remain strong in their faith.

unChristian David Kinnaman, Gabe Lyons, 2007-10-01. Based on groundbreaking Barna Group research, *unChristian* uncovers the negative perceptions young people have of Christianity and explores what can be done to reverse them.

**A Christian Survival Guide** Ed Cizewski, 2014. No one ever plans to fail in their faith. We all think we'll be the kind of Christian who follows the straight and narrow, ending our days with the relief of knowing we were ultimately a good and faithful servant. So why do so

many leave that road What enables some to survive as Christians when so many others have faltered With A Christian Survival Guide Ed Cyzewski steps up to be your trail guide and provide some possible answers He addresses some of the biggest toughest questions in Christianity including Disturbing Bible stories Hell and what it means Does the Bible have to be true The question of evil Money and the church Evangelizing when no one wants to listen Candid and wry Cyzewski deals with the tension of hard questions without resorting to empty answers cliches relativism or the smug certainty that can so often drive seekers and strugglers further away This popular blogger also has a knack of making long ago biblical figures absolutely recognizable in today s issues This survival guide is not meant to be a one size fits all handbook It is a first step to confronting the big issues and challenges of a life of faith even the ones that Christians fear most Cyzewski writes for those who both care and question deeply and offers survival tips to help readers move from living on the edge to a place of health and life

**Inciting Incidents SAMPLER** Sarah Cunningham,2012-07-18 Enjoy these SAMPLE pages from Inciting Incidents We believe there is tremendous power in each person s story Inciting Incidents combines the unique stories from eight creatives artists musicians writers thinkers and leaders managing the tensions between their faith their place in life and their work as artists It is a collective call to face life s imperfections and difficulties while attempting to do the great things we all want to do By capturing this next generation s battle between idealism and reality which is where so many of us find ourselves existing each day these storytellers pave the way for a better understanding of those moments that truly shape us The reader will be challenged to use their own art and their own life stories to find their way in God s Kingdom The end result is that God has created each of us uniquely and we each have a unique growing part to play in His Story The STORY Conference s Sarah Cunningham is curating stories from Jeff Goins David Hickman Blaine Hogan Tracee Persiko Alece Ronzino Tim Schraeder Mandy Thompson and David V Wenzel for this one of a kind collaborative piece of art Dealing with topics like anxiety leadership creativity and perfectionism every creative has much to glean and commiserate within these pages Find Courage in our Collective Story

**The Heavens of Idolatry** Lisa Stough,2015-08-25 So you say youre not a perfectionist Your idea of a perfectionist is someone who is well on their way to being perfect and that does not describe you Perfectionism is so cleverly disguised by its symptoms and ripple effects but the problem is the same at the heart idolatry The Heavens of Idolatry challenges Christ followers to consider the possibility that other gods may have set up a throne in their heart As believers we may find ourselves living to please these gods with our identity and worth hanging in the balance of acceptance Or being the diligent Christians that we are we may have elevated ourselves by setting impossible standards for someone else It is the striving and confusion that ensue that causes big problems in a persons life Lisa Stough writes to fellow perfectionists as well as all Christians who are tired of hiding inside their Sunday clothes who have given up on God all together or who might be wondering what the big deal is about perfectionism She brings Scripture insight and experience together into a journey you can call your own

**Inciting Incidents** Sarah Cunningham,2012-09-01 We believe there is

tremendous power in each person's story Inciting Incidents combines the unique stories from six creatives artists musicians writers thinkers and leaders managing the tensions between their faith their place in life and their work as artists It is a collective call to face life's imperfections and difficulties while attempting to do the great things we all want to do By capturing this next generation's battle between idealism and reality which is where so many of us find ourselves existing each day these storytellers pave the way for a better understanding of those moments that truly shape us The reader will be challenged to use their own art and their own life stories to find their way in God's Kingdom God has created each of us uniquely and we each have a unique growing part to play in His Story Dealing with topics like anxiety leadership creativity and perfectionism this book offers every creative a chance to glean from and commiserate with the authors For more information about this book and links to the contributors blogs visit [www.incitingincidents.org](http://www.incitingincidents.org) Adventist Review ,2007

This is likewise one of the factors by obtaining the soft documents of this **Dear Church Letters From A Disillusioned Generation** by online. You might not require more become old to spend to go to the book start as capably as search for them. In some cases, you likewise complete not discover the statement Dear Church Letters From A Disillusioned Generation that you are looking for. It will unquestionably squander the time.

However below, gone you visit this web page, it will be appropriately very easy to get as with ease as download guide Dear Church Letters From A Disillusioned Generation

It will not bow to many times as we explain before. You can accomplish it even if work something else at house and even in your workplace. therefore easy! So, are you question? Just exercise just what we give below as competently as review **Dear Church Letters From A Disillusioned Generation** what you later than to read!
