## **Death Ex Machina An Athenian Mystery:**

**Death Ex Machina** Gary Corby, 2015 It's the time of the Great Dionysia the largest arts festival of the ancient world held each year in honor of Dionysos the god of wine But there's a problem A ghost is haunting Athens's grand theater Nicolaos and his clever partner in sleuthing and now in matrimony the priestess Diotima are hired to rid the theater of the ghost so that the festival can begin With the help of Theokritos the High Priest of Dionysos they exorcise the ghost publicly while secretly suspecting that a human saboteur is the actual culprit Their efforts to protect the theater fall short when one of the actors is found hanged from the machine used to carry actors through the air when they play the part of gods It's quite a theatrical murder As Nico and Diotima dig into the actor's past they discover all was not as it seemed There are enough suspects to fill a theater As the festival approaches and pressure mounts on all sides can they hunt down the killer in time Or will they simply have to hope for a deus ex machina

**Death on Delos** Gary Corby, 2017-07-11 In the seventh in Gary Corby's Athenian Mystery series Nico and Diotima must solve a murder case while also preparing to have a baby Set on the sacred island of Delos in 5th century BC Death on Delos is full of humor and historical intrigue Greece 454 BC The sacred isle of Delos the birthplace of the divine twins Apollo and Artemis has been a most holy pilgrimage site for centuries Delos is also home to the military fund kept by the Delian League the alliance of city states that defended Greece against the Persians and that vast treasury is protected only by the priests and priestesses of the tiny isle and a scant armed guard Then one day the charismatic Athenian statesman Pericles arrives at the head of a small army to forcibly take the treasury back to the safety of Athens With him are Nico the only private agent in ancient Athens and his heavily pregnant wife and partner in sleuthing the priestess Diotima She has been selected to give this year's annual offering to holy Artemis In the face of righteous resistance from the priests Pericles assigns Nico to bribe their leader But before he can get very far with this dubiously unholy task Nico ends up with a murder on his hands It is a crime against the gods to die or be born on the sacred island Thanks to the violence over the treasury the first blasphemy has already been committed Can Nico solve the murder and get Diotima off the island before they accidentally commit the second

*The Singer from Memphis* Gary Corby, 2016 Nicolaos the only private investigator in ancient Athens discovers that helping an author with his book research can be very dangerous The would be author Herodotus has hired Nico and his priestess wife Diotima to accompany him to Egypt Unfortunately Egypt happens to be in the throes of a rebellion against the Persian Empire Pirates infest the sea route Three different armies roam the Egyptian countryside A simple historical investigation turns into a dangerous adventure of international espionage

Prospects Of Power John Snyder, 2021-05-11 Genre the articulation of kind is one of the oldest and most continuous subjects of theoretical and critical commentary Yet from Romanticism to postmodernism the concept of genre has been punched with so many holes that today it hardly seems graspable let alone viable By combining theory with dialectical literary histories of three significantly different genres tragedy satire and the essay John Snyder reconstructs genre as the figural deployment of symbolic power One purpose of this approach is to reconcile the recent dismantling of representational and classificatory genres with the incipient notion in post Althusser Marxism that genre is the crucial mediation between history and aesthetics Snyder extends certain implications of Aristotle Benjamin Bakhtin Foucault and Serres He also offers the first antisystem yet comprehensive genre theory to serve as a fully distinct alternate to Frye s formalist and Genette s structuralist schemes Finally Snyder s theory of genre as power opens a way to a fundamentally new theory of literature itself that aesthetic language deployed as power organizes itself as generic intervention Three historically dynamic configurations establish the range of all possible genres tragedy as power politically deployed as mimesis satire as power rationally deployed as rhetoric and the essay as power textually deployed as constative rhetoric Specific analyses developing this important new theory cover a broad spectrum of literature from classical to contemporary Other genres different media and a variety of subgenres and modes political and religious all acquire fresh significance from the elaborations of Snyder s three selected genres
