*All about the D* Lex Martin, Leslie McAdam, 2019-03-06 Temptation has never come in a hotter package You know how people say you can never believe what you read on the interwebs That a hot guy online is probably a creeper with a beer gut and a shoe fetish not the sexy beast he pretends to be So I had no clue that the anonymous blogger who contacted my law firm about his naughty website would be droolworthy in real life Not that I m interested in him in that way Attorneys can t go around sleeping with their clients Not even if he is the most beautiful man I ve ever met and so ridiculously smart he makes my nerdy girl heart sigh Besides he has too much on the line to risk taking a chance on the insane chemistry building between us We both do I ve always followed the rules Too bad he makes me want to break each and every one of them
