## **Debating Same Sex Marriage Debating Same Sex Marriage:**

*Debating Same-Sex Marriage* John Corvino, Maggie Gallagher, 2012-06 Polls and election results show Americans sharply divided on same sex marriage and the controversy is unlikely to subside anytime soon *Debating Same Sex Marriage* provides an indispensable roadmap to the ongoing debate Taking a point counterpoint approach John Corvino a philosopher and prominent gay advocate and Maggie Gallagher a nationally syndicated columnist and co founder of the National Organization for Marriage explore fundamental questions What is marriage for Is sexual difference essential to it Why does the government sanction it What are the implications of same sex marriage for children s welfare for religious freedom and for our understanding of marriage itself While the authors disagree on many points they share the following conviction Because marriage is a vital public institution this issue deserves a comprehensive rigorous thoughtful debate [Debating Same-Sex Marriage](#) John Corvino, Maggie Gallagher, 2012-06-01 Polls and election results show Americans sharply divided on same sex marriage and the controversy is unlikely to subside anytime soon *Debating Same Sex Marriage* provides an indispensable roadmap to the ongoing debate Taking a point counterpoint approach John Corvino a philosopher and prominent gay advocate and Maggie Gallagher a nationally syndicated columnist and co founder of the National Organization for Marriage explore fundamental questions What is marriage for Is sexual difference essential to it Why does the government sanction it What are the implications of same sex marriage for children s welfare for religious freedom and for our understanding of marriage itself While the authors disagree on many points they share the following conviction Because marriage is a vital public institution this issue deserves a comprehensive rigorous thoughtful debate [The Social Science of Same-Sex Marriage](#) Aaron Hoy, 2022-01-29 Showcasing research from across the social sciences this edited volume seeks to provide readers with an empirically grounded sense of how many lesbian gay bisexual and transgender LGBT people marry in the US and Canada what their marriages look like and how LGBT people themselves are impacted by marriage and marriage equality Prior to marriage equality lawmakers and activists across the political spectrum debated whether same sex couples should have the legal right to marry and likewise academic research to date has focused mostly on the politics of same sex marriage However this edited volume focuses on LGBT people themselves and their intimate relationships in the era of marriage equality Including both quantitative and qualitative social science research it features 14 primary chapters that examine a diverse set of topics including demographic patterns in same sex marriage and cohabitation marital aspirations and motivations among LGBT people arrangements and dynamics within same sex relationships and the legal benefits and informal privileges associated with marriage The edited volume will be of interest to scholars across a wide range of disciplines including sociology psychology child and family studies communications social work and economics while also offering valuable information for laypeople generally interested in families and or LGBT studies **Debating Religious Liberty and Discrimination** John Corvino, Ryan T. Anderson, Sherif Girgis, 2017-04-14 Virtually everyone supports religious

liberty and virtually everyone opposes discrimination But how do we handle the hard questions that arise when exercises of religious liberty seem to discriminate unjustly How do we promote the common good while respecting conscience in a diverse society This point counterpoint book brings together leading voices in the culture wars to debate such questions John Corvino a longtime LGBT rights advocate opposite Ryan T Anderson and Sherif Girgis prominent young social conservatives Many such questions have arisen in response to same sex marriage How should we treat county clerks who do not wish to authorize such marriages for example or bakers florists and photographers who do not wish to provide same sex wedding services But the conflicts extend well beyond the LGBT rights arena How should we treat hospitals schools and adoption agencies that can't in conscience follow antidiscrimination laws healthcare mandates and other regulations Should corporations ever get exemptions Should public officials Should we keep controversial laws like the Religious Freedom Restoration Act or pass new ones like the First Amendment Defense Act Should the law give religion and conscience special protection at all and if so why What counts as discrimination and when is it unjust What kinds of material and dignitary harms should the law try to fight and what is dignitary harm anyway Beyond the law how should we treat religious beliefs and practices we find mistaken or even oppressive Should we tolerate them or actively discourage them In point counterpoint format Corvino Anderson and Girgis explore these questions and more Although their differences run deep they tackle them with civility clarity and flair Their debate is an essential contribution to contemporary discussions about why religious liberty matters and what respecting it requires

**Introducing the New Sexuality Studies** Nancy L. Fischer, Laurel Westbrook, Steven Seidman, 2022-06-07 Introducing the New Sexuality Studies Original Essays is an innovative reader friendly collection of essays that introduces the field of sexuality studies to undergraduate students Examining the social cultural and historical dimensions of sexuality this collection is designed to serve as a comprehensive yet accessible textbook for sexuality courses at the undergraduate level The fourth edition adds 51 new essays whilst retaining 33 of the most popular essays from previous editions It features perspectives that are intersectional transnational sex positive and attentive to historically marginalized groups along multiple axes of inequality including gender race class ability body size religious identity age and of course sexuality Essays explore how a wide variety of social institutions including medicine religion the state and education shape sexual desires behaviors and identities Sources of and empirical research on oppression are discussed along with modes of resistance activism and policy change The fourth edition also adds new user friendly features for students and instructors Keywords are italicized and defined and each chapter concludes with review questions to help students ascertain their comprehension of key points There is also an online annotated table of contents to help readers identify key ideas and concepts at a glance for each chapter

**The Marrying Kind?** Mary Bernstein, Verta Taylor, 2013-05-16 As the fight for same sex marriage rages across the United States and lesbian and gay couples rush to marriage license counters the goal of marriage is still fiercely questioned within the LGBT movement Rarely has an objective

so central to a social movement's political agenda been so controversial within the movement itself. While antigay forces work to restrict marriage to one man and one woman, lesbian and gay activists are passionately arguing about the desirability, viability, and social consequences of same-sex marriage. *The Marrying Kind* is the first book to draw on empirical research to examine these debates and how they are affecting marriage equality campaigns. The essays in this volume analyze the rhetoric, strategies, and makeup of the LGBT social movement organizations pushing for same-sex marriage and address the dire predictions of some LGBT commentators that same-sex marriage will spell the end of queer identity and community. Case studies from California, Connecticut, Massachusetts, New Jersey, Oklahoma, Vermont, and Canada illuminate the complicated politics of same-sex marriage, making clear that the current disagreements among LGBT activists over whether marriage is conforming or transformative are far too simplistic. Instead, the impact of the marriage equality movement is complex and often contradictory, neither fully assimilationist nor fully oppositional.

*Constitutional Courts, Gay Rights, and Sexual Orientation Equality* Angioletta Sperti, 2017-05-04. In the last fifteen years, constitutional issues regarding the rights of gays, lesbians, and same-sex couples have emerged on a global scale. The pace of recognition of their fundamental rights, both at the judicial and legislative level, has dramatically increased across different jurisdictions, reflecting a growing consensus toward sexual orientation equality. This book considers a wide range of decisions by constitutional and international courts, from the decriminalization of sexual acts to the recognition of same-sex marriage and parental rights for same-sex couples. It discusses analogies and differences in judicial arguments and rationales in such cases, focusing in particular on human dignity, privacy, liberty, equality, and non-discrimination. It argues that courts operate as major exporters of models and principles, and that judicial cross-fertilization also helps courts in increasing the acceptability of gays and lesbians' rights in public opinions and politics. Courts discuss changes in the social perception of marriage and family at national and international levels and, at the same time, confirm and reinforce them, forging the legal debate over sexual orientation equality. Furthermore, by promoting the political reception of the achievements of foreign gay movements in their own jurisdictions, courts play an essential role in breaking the political stalemate.

*Philosophy, Ethics, and Public Policy: An Introduction* Andrew Cohen, 2014-09-15. What makes a policy work? What should policies attempt to do, and what ought they not do? These questions are at the heart of both policy making and ethics. *Philosophy, Ethics, and Public Policy: An Introduction* examines these questions and more. Andrew I. Cohen uses contemporary examples and controversies, mainly drawn from policy in a North American context, to illustrate important flashpoints in ethics and public policy, such as public policy and globalization, sweatshops, medicine, and the developing world, immigration, marriage, family, and education, same-sex marriage.

women and the family education and Intelligent Design justifying and responding to state coercion torture reparations and restorative justice the ethics of the body and commodification the human organ trade and factory farming of animals Each chapter illustrates how ethics offers ways of prioritizing some policy alternatives and imagining new ones Reflecting on various themes in globalization markets and privacy the chapters are windows to enduring significant debates about what states may do to shape our behavior Overall the book will help readers understand how ethics can frame policymaking while also suggesting that sometimes the best policy is no policy Including annotated further reading this is an excellent introduction to a fast growing subject for students in Philosophy Public Policy and related disciplines     Contemporary Debates in Applied Ethics Andrew I. Cohen, Christopher Heath Wellman, 2014-01-14 Now in an updated edition with fresh perspectives on high profile ethical issues such as torture and same sex marriage this collection pairs cogently argued essays by leading philosophers with opposing views on fault line public concerns Revised and updated new edition with six new pairs of essays on prominent contemporary issues including torture and same sex marriage and a survey of theories of ethics by Stephen Darwall Leading philosophers tackle colleagues with opposing views in contrasting essays on core issues in applied ethics An ideal semester length course text certain to generate vigorous discussion     *Queer Identities / Political Realities* Bruce Drushel, Kathleen German, 2009-01-23 *Queer Identities Political Realities* examines the intersection of political leadership media coverage and sexual identity with particular emphasis on the negotiation of meaning between public behavior and private behavior in the United States Centering on cases that illuminate key issues each chapter questions assumptions about media coverage and extends current theoretical understanding Each chapter focuses on a specific case within the broader conceptual fabric of queer theory media theory or rhetorical criticism Varied methodological approaches allow us to gauge public discourse of multifaceted controversies that involve same sex behavior History reveals frequent occasions when private sexual behaviors surface to attract public interest While the prejudices and discrimination against same sex partnerships whether casual or permanent remain entrenched in United States culture there have been occasions when the public discussion is riveted on instances This book argues that public interest changes when the partners in such relationships are of the same sex The extraordinary public prejudice against same sex unions and public censure has been well documented in other research reports and continues to receive attention in other scholarly publications This book will examine the unique intersection of political leadership media coverage and same sex behavior     LGBTQ Politics Marla Brettschneider, Susan Burgess, Christine Keating, 2017-09-19 From Harvey Milk to Barney Frank and from ACT UP to Proposition 8 in the past few decades no political change has been more significant than the civil rights advancements of LGBTQ citizens LGBTQ Politics is the first authoritative reader to approach the complexity of queer politics from a political science perspective bringing together original contributions from leading scholars in the field on key issues in LGBTQ politics These original essays cover a wide range of essential topics including marriage equality transgender discrimination gay and

lesbian political candidates LGBTQ human rights advocacy HIV prevention and LGBTQ movements of the Global South The volume also includes a number of critical essays that reflect upon the state of political science as a discipline that has struggled to address queer politics Contributors draw from a variety of subfields in political science including comparative politics political theory American politics public law and international relations Essays that focus on mainstream institutional politics appear alongside contributions grounded in grassroots movements and critical theory While some essays express concerns that the democratic basis of the LGBTQ movement has been undermined others celebrate the movement's successes and offer visions for the future A comprehensive thought provoking and authoritative collection LGBTQ Politics A Critical Reader is required reading for anyone looking to learn about the politics of sexuality Back cover **LGBTQI+ Allies in Education, Advocacy, Activism, and Participatory Collaborative Research** Wendy M.

Cumming-Potvin, 2022-07-07 This topical book explores the ally perspective in advocating for Lesbian Gay Bi sexual Transgender Queer and Inter sex LGBTQI human rights across American Canadian and Australian educational contexts This book aims to clarify the terms and dynamics of mobilizing heterosexual and cisgender privilege in the interests of promoting safe welcoming and inclusive educational communities for all stake holders particularly those students who self identify as LGBTQI By highlighting concrete examples of allies engaged in participatory collaborative research and by investigating the historical and theoretical dimensions of ally work more generally this volume presents a comprehensive research account of allies role in education advocacy and activism This book will benefit researchers academics and educators in higher education with an interest in gender and sexuality the sociology of education and schools and schooling more broadly Those specifically interested in gender studies as well as the politics of higher education will also benefit from this book

**Theology in Transition** Katrin Kusmierz, 2016 South African theologians have long been powerful voices in the hard fought political transition from a repressive apartheid regime to a young democracy A key question is What should the public role of churches be in this democracy The simultaneously emerging global discussion on public theology has been one important point of reference offering a number of frameworks for thinking about the churches public role This book considers answers given by South African theologians beginning with an historical review of approaches taken during apartheid and tracing their development in the two decades following Series Theology in the Public Square Theologie in der Öffentlichkeit Vol 8 Subject Religious Studies African Studies *Same-Sex Marriage* Tricia Andryszewski, 2011-08-01 Same sex marriage is a sharply divisive issue in the United States Yet in the twenty first century cities and states across the nation are beginning to make available a range of legal options for same sex couples who want to make a commitment to each other These options include domestic partnership civil union and marriage Advocates in favor of legal marriage point to the many benefits that come with the institution of marriage tax advantages adoption and inheritance rights health care protections and general social recognition Opponents on the other hand believe that marriage is an institution reserved for one man and

one woman Making sense of the debate involves asking tough questions Do all Americans regardless of sexual orientation have a right to legal marriage What are the benefits and disadvantages of allowing same sex couples to marry Does same sex marriage threaten or strengthen families Should U S courts or the American voting public make the final determination about same sex marriage To answer these questions this book examines the history of the gay rights movement in the United States and the struggle for equal protection under the law including the right for same sex couples to marry It provides the opinions and perspectives of leaders activists politicians and ordinary Americans on both sides of the issue Supplemented with quotes anecdotes and discussions from the pages of USA TODAY The Nation s No 1 Newspaper this book will broaden your understanding of all sides of the issue and help you form your own opinion either for or against same sex marriage *What Women Want* Deborah L. Rhode,2014 *What Women Want* comprehensively analyzes the challenges the feminist movement faces today and puts forward a new policy agenda for women *The Foundations of Natural Morality* S. Adam Seagrave,2014-05-05 Recent years have seen a renaissance of interest in the relationship between natural law and natural rights During this time the concept of natural rights has served as a conceptual lightning rod either strengthening or severing the bond between traditional natural law and contemporary human rights Does the concept of natural rights have the natural law as its foundation or are the two ideas as Leo Strauss argued profoundly incompatible With *The Foundations of Natural Morality* S Adam Seagrave addresses this controversy offering an entirely new account of natural morality that compellingly unites the concepts of natural law and natural rights Seagrave agrees with Strauss that the idea of natural rights is distinctly modern and does not derive from traditional natural law Despite their historical distinctness however he argues that the two ideas are profoundly compatible and that the thought of John Locke and Thomas Aquinas provides the key to reconciling the two sides of this long standing debate In doing so he lays out a coherent concept of natural morality that brings together thinkers from Plato and Aristotle to Hobbes and Locke revealing the insights contained within these disparate accounts as well as their incompleteness when considered in isolation Finally he turns to an examination of contemporary issues including health care same sex marriage and the death penalty showing how this new account of morality can open up a more fruitful debate **Encyclopedia of U.S. campaigns, elections, and electoral behavior** Kenneth F. Warren,2008-04-04 These approximately 450 articles explore all topics relevant to American political campaigns elections and electoral behaviour including some cross cultural comparisons to help place American trends in a global context **The Oxford Handbook of Global LGBT and Sexual Diversity Politics** Michael J. Bosia,Sandra M. McEvoy,Momin Rahman,2020-03-02 Struggles for LGBT rights and the security of sexual and gender minorities are ongoing urgent concerns across the world For students scholars and activists who work on these and related issues this handbook provides a unique interdisciplinary resource In chapters by both emerging and senior scholars the Oxford Handbook of Global LGBT and Sexual Diversity Politics introduces key concepts in LGBT political studies and queer theory Additionally the

handbook offers historical geographic and topical case studies contextualized within theoretical frameworks from the sociology of sexualities critical race studies postcolonialism indigenous theories social movement theory and international relations theory It provides readers with up to date empirical material and critical assessments of the analytical significance commonalities and differences of global LGBT politics The forward looking analysis of state practice transnational networks and historical context presents crucial perspectives and opens new avenues for debate dialogue and theory

**Marriage** Alicia Cafferty Lerner,2009-01-02 The several essays compiled by editor Alicia Cafferty Lerner will help your readers develop a world view about marriage This book provides analysis on the institution of marriage in different global locations cultures and social climates One chapter covers human rights abuses with a look into such cultures as Niger Malawi India and Germany Another chapter explains arranged child and polygamy marriages with cultural coverage including Australia Bangladesh and Kenya Same sex marriages are explored across Canada South Africa Aruba and America Marriage in relation to money and sex is also explored taking a look at such places as Ireland Pakistan Japan and Uganda

**Politics of Hybrid Warfare** Jakub Eberle,Jan Daniel,2023-06-23 This is a first book long analysis showing how the notion of hybrid warfare was used to transform security policies and discourses in an EU NATO country Building on current debates in International Political Sociology Critical Security Studies and Critical Geopolitics it provides a novel account of how crisis geopolitics uncertainty and expertise are intertwined in the social construction of threats Based on extensive and original empirical research of large textual archive and elite interviews in the Czech Republic and Brussels the book shows how officials bureaucrats journalists activists and experts all participate in the reshaping of security in a new geopolitical environment Zooming on the case of Czechia and its specific Central European context it complements the predominantly Western centric studies of insecurity with an account of how the liminal position on an East West boundary influences security politics As a first study of its kind and scope it will be of interest to academics and students interested in Central European politics practices and discourses of hybrid warfare as well as critical approaches to security and geopolitics
