Wheildon,2015-07-12 Excerpt from *Curiosities of History Boston September Seventeenth 1630 1880* It seems proper to say in offering this little volume to the public that no attempt has been made to exhaust the subjects of which the papers respectively treat but rather to enlarge upon matters of historical interest to Boston which have been referred to only in a general way by historians and previous writers This idea rather than any determination to select merely curious topics has in a large measure influenced the writer and the endeavor has been to treat them freely and fairly and present what may be new or comparatively new concerning them from such sources as are now accessible and have been open to the writer It is not however intended to say that an impulse towards some curious matters of history has not been indulged and indeed considering the subjects and materials which presented themselves could scarcely have been avoided which was by no means desirable About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Curiosities of History Boston, September Seventeenth, 1630-1880** Wheildon William W,2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Curiosities of History; Boston, September Seventeenth, 1630-1880* William W.
