Handbook of Adolescent Behavioral Problems Thomas P. Gullotta, Gerald R. Adams, 2007-08-26 As we enter the new millennium promoting sound mental health and positive behavior of adolescents has undeniably taken on greater significance than ever before To that end more and more research is confirming what many have suspected for years environment and community surroundings have a major affect on an adolescent s well being and overall mental health And because no single causal agent triggers teenage pathology and no one size fits all treatment is available the Handbook of Adolescent Behavior Problems offers a comprehensive and integrative biopsychosocial approach to effective practice This volume examines not only the psychological and genetic factors underlying dysfunction it also explores the critical roles that family members peers and the larger community play in an adolescent s life It offers current interdisciplinary perspectives on adolescent

development both functional and pathological and provides coverage that is clear accessible and practical on such topics as Major disorders including depression anxiety schizophrenia ADHD PTSD developmental delays and conduct disorders Behavior problems such as substance abuse sexual offenses teen pregnancy school failure gambling and gang violence Best practices reviewing what works i e interventions that have been rigorously validated what might work i e those in need of further study and what doesn't work Residential interventions as well as community treatment Risk and resiliency factors Ongoing and emerging pharmaceutical issues Each chapter focuses on a specific behavior or disorder and is formatted to help readers quickly locate needed information The Handbook of Adolescent Behavior Problems provides a solid foundation for understanding the adolescent experience and the influence of the family and community as well as much

needed information on the development of evidence based practices It is designed to be a one stop reference for anyone working with adolescents developmental psychologists clinical and school psychologists and education specialists as well as for graduate students in these areas **The Routledge International Handbook of Domestic Violence and Abuse** John Devaney, Caroline Bradbury-Jones, Rebecca J. Macy, Carolina Øverlien, Stephanie Holt, 2021-03-17 This book makes an important contribution to the international understanding of domestic violence and shares the latest knowledge of what causes and sustains domestic violence between intimate partners as well as the effectiveness of responses in working with adult and child victims and those who act abusively towards their partners Drawing upon a wide range of contemporary research from across the globe it recognises that domestic violence is both universal but also shaped by local cultures and contexts Divided into seven parts Introduction Theoretical perspectives on domestic violence and abuse Domestic violence and abuse across the life course Manifestations of domestic violence and abuse Responding to domestic violence and abuse Researching domestic violence and abuse Concluding thoughts It will be of interest to all academics and students working in social work allied health sociology criminology and gender studies as well as policy professionals looking for new approaches to the subject

**Who Owns Domestic Abuse?** Ruth M. Mann, 2000-03-18 With the knowledge and sensitivity of a teacher and counsellor Ruth M Mann details a community effort to establish a shelter for abused women in a small Ontario municipality While other literature presents the ostensibly cohesive views of particular interest groups on the issue of domestic violence Mann exposes the conflicts that actually occur and the ways these conflicts fuel unintended outcomes In **Who Owns Domestic Abuse The Local Politics of a Social Problem** the author ventures bravely into the politically charged debate over the definition of abuse and emphasizes the fact that owning a problem does not ensure the possession of viable answers Rather than promoting a particular response to such problems Mann uses personal accounts of abuse to make a space for the diverse perspectives of abused women and abusive men She urges activists and intervenors to argue less and listen more **Intimate Violence in Families** Richard J. Gelles, 1997-01-15 Gelles explains theories of intimate violence and contributing social factors exploring major controversies in the study and treatment of family and intimate abuse The

main focus is on physical abuse but other forms of victimisation are covered      *The Feminist War on Crime* Aya Gruber, 2020-05-26 Many feminists grapple with the problem of hyper incarceration in the United States and yet commentators on gender crime continue to assert that criminal law is not tough enough This punitive impulse prominent legal scholar Aya Gruber argues is dangerous and counterproductive In their quest to secure women s protection from domestic violence and rape American feminists have become soldiers in the war on crime by emphasizing white female victimhood expanding the power of police and prosecutors touting the problem solving power of incarceration and diverting resources toward law enforcement and away from marginalized communities Deploying vivid cases and unflinching analysis *The Feminist War on Crime* documents the failure of the state to combat sexual and domestic violence through law and punishment Zero tolerance anti violence law and policy tend to make women less safe and more fragile Mandatory arrests no drop prosecutions forced separation and incarceration embroil poor women of color in a criminal justice system that is historically hostile to them This carceral approach exacerbates social inequalities by diverting more power and resources toward a fundamentally flawed criminal justice system further harming victims perpetrators and communities alike In order to reverse this troubling course Gruber contends that we must abandon the conventional feminist wisdom fight violence against women without reinforcing the American prison state and use criminalization as a technique of last not first resort

**World Report on Violence and Health** World Health Organization, 2002 This report is part of WHO s response to the 49th World Health Assembly held in 1996 which adopted a resolution declaring violence a major and growing public health problem across the world It is aimed largely at researchers and practitioners including health care workers social workers educators and law enforcement officials      **Family Violence** David M. Lawson, 2015-01-14 Counselors in training educators and clinicians will benefit greatly from this in depth and thought provoking look at family violence its effects and treatment options This book examines the major issues and current controversies in the field provides background information on each type of family violence and offers strategies for combating domestic abuse In an informative discussion designed to enhance counselors ability to assess and treat each type of family violence Dr Lawson covers both well recognized forms of maltreatment such as the abuse of women and children and less understood issues such as female on male intimacy violence parent and elder abuse same sex violence and dating violence and stalking Case studies throughout the text illustrate clinical applications in action and recommended readings are provided for further study Requests for digital versions from ACA can be found on [www.wiley.com](http://www.wiley.com) To purchase print copies please visit the ACA website here Reproduction requests for material from books published by ACA should be directed to [publications@counseling.org](mailto:publications@counseling.org)      [Intimate Violence and Abuse in Families](#) Richard J. Gelles, 2017 This Fourth Edition of *Intimate Violence and Abuse in Families* updates a best selling core text in the field of intimate violence and child maltreatment New features include a Global Perspectives call out box for each of the chapters that explore an aspect of research policy and practice globally or in another nation and a separate chapter that

examines forms of intimate partner violence other than male to female Bidirectional intimate partner violence and female to male violence remain contentious topics in the field of intimate partner violence and rarely receive extensive coverage in books or texts Chapter 7 includes a new examination of brain and behavior research and theory as it can be applied to intimate partner violence Further Chapter 8 adds a much expanded examination of the most important federal policies pertaining to child welfare and child maltreatment The inclusion of all forms of relationship and intimate violence continues to be a distinctive feature of the book which is a must have for both undergraduate and graduate students studying social work family studies criminology nursing sociology and or psychology
