Watt, Duhita Mahatmya, Milad Mohebbi, Charles R. Martin-Stanley II, 2023-07-03 This book presents a state of the art robust and adaptable process the Theory of Being that offers strategies for working across Difference and for embarking on constructive dialogue around the issues that drive us apart both individually and collectively Whether around racial gender and or social class inequity core beliefs uses of power or other points of cultural conflict this book offers a research validated approach developed and refined over twenty years to

engage in difficult dialogues The Theory of Being includes personal relational and community practices that support individuals and communities to better work through the difficult dialogues necessary to transform systems of structural inequity It describes and offers applications of Being to help the reader understand and apply principles and practices that invite openness to controversy through facilitating deep reflection and shifting the focus of conflict from individuals to centering the issue of contention as a Third Thing about which participants can more safely express experiences and emotions Via cases and narratives the editors and contributors demonstrate how through productively situating feelings of vulnerability and anger individuals organizations and communities can work together to continuously evolve responsive inclusive and equitable practices that value social and cultural differences This book focuses on strategies for the how we interact demonstrating an orientation to process rather than prioritizing outcomes A process orientation can increase the quality of interaction between individuals and the likelihood of traversing problems associated with controversial social difference in ways that result in sustainable strategies to disrupt systems of oppression A range of applications exemplify this approach throughout the text The primary audience is higher education leaders and leaders in training including student affairs professional staff campus administrators higher education and student affairs faculty and undergraduate and graduate students However the approach has broad implications for any persons who want to productively engage across Difference in their personal and or professional lives
