The Sacredness of Secular Work Jordan Raynor, 2024-01-30 From a leading voice in the faith and work movement and author of Redeeming Your Time comes the revolutionary message that God sees our daily work in whatever form it takes with far more value than we ever imagined The Sacredness of Secular Work does an extraordinary job of being both personally relevant and more importantly biblically faithful Randy Alcorn New York Times bestselling author of Heaven Does your work matter for eternity Sadly most believers don t think so Sure the 1 percent of the time they spend sharing the gospel with their co workers matters But most Christians view the other 99 percent of their time as meaning very little in the grand scheme of things But that s not how God sees it Jordan Raynor a leading voice in the faith and work movement and bestselling author offers a revolutionary message about how our daily jobs from baristas and entrepreneurs to stay at home parent and coaches have intrinsic and eternal value In The Sacredness of Secular Work he reveals unexpected ways our work truly matters In these pages you ll discover How a low regard of our work limits our understanding of God and His Kingdom Inspiring ways your work can reveal God s kingdom on earth here and now Surprising strategies for ensuring your vocation has an eternal legacy Vital insights on what God s view of work tells us about heaven Combining research Scripture and storytelling Jordan Raynor proves that work in its diverse forms is one of the primary activities that brings God delight This biblical perspective will set you free to pursue your passions and skills and perhaps for the first time experience the Creator s delight in the work of your hands

Deacons and the Church Owen F. Cummings, 2004 Deacons and the Church presents a popular narrative history of the Order of the Diaconate in the Catholic Church from its dawn on the biblical scene in the Acts of the Apostles with Saints Stephen and Philip through the golden age of deacons in the fifth century With the emergence of the cultic priesthood the diaconate as a unique and discrete member of the clergy declined into a transitional role but never disappeared Indeed Dr Cummings points out that the most popular saint after Mary Francis of Assisi was a deacon as were Saints Lawrence and Ephrem all of whom are offered here as models of Deacons for Deacons The Second Vatican Council restored the Order of Deacon to a full and permanent membership in the clergy along with priests and bishops Now thirty thousand deacons serve the Church throughout the world and remain the fastest growing clerical rank within the Latin Church Deacon Cummings reflects on how this surge in the membership of the Order of Deacons will affect the Church in the years to come BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Epworth Herald** , 1903
