## The Zoo Visit

Cindy was in line waiting to buy a zoo ticket. When she got inside the zoo, she saw a flock of flamingos. Then, she walked to where the lions were laying on the grass. After that, she saw the baby elephants taking a bath. When she got to the end of the zoo, she saw many birds.

**The It Factor: What Makes a Teacher Great?** Holly J. Thornton,2018-05-16 The impact a teacher has on students may

be profound and lasting Thus teacher preparation is grounded in standards to assure that all teacher candidates know the content and have the skills needed to become good teachers What makes a teacher great The answer is not clear cut or easily measured with tests But we all know a great teacher when we see one The best teachers have an It Factor that sets them apart from others It is seemingly intangible and unteachable as it s often said that Some people are just born to be teachers This book challenges that assumption and uncovers the It Factor Teacher and student voices helped to develop language and tools to examine how teachers are disposed to think and act and how this affects student learning If we can identify what makes teachers great we can teach it Students have a sea of information opinions and messaging at their fingertips They find themselves navigating through a myriad of facts and alternative facts Opinions beliefs and fallacies share the same platform and status as well grounded information and vetted ideas fueling tensions among individuals and distance between groups Developing students who are caring critical thinkers and problem solvers may be more important now than ever The teachers who are right for this challenge have more than content knowledge and teaching skills To meet this challenge teachers need to have It that something inside that makes them not just good teachers but great ones     Instructor ,1980     Report of the Public Schools ...
