

The background of the cover is a painting of a dense, misty forest. In the foreground, three people are sitting on the ground around a small fire, warming themselves. To their left is a simple, conical tent. In the background, a large, dark rock formation looms on the right. A spectral, glowing figure is visible in the misty distance, standing among the trees. The overall atmosphere is mysterious and eerie.

*Forest Sentinels* S. Thomas Bailey, 2013-12-18 Coming off the disaster on the Monongahela Jacob Murray and his young friend Joshua return to Fort Cumberland under the command of George Washington The defeated British army soon withdraws further east leaving the frontier virtually undefended With the frontier left unprotected Delaware raiding parties begin striking the settlers in an effort to clear their lands of the English Jacob and Joshua lead a company of militia deep into the French held Pennsylvania frontier They plan to build a fort that will not only give the local settlers peace of mind and added protection but serve as a home base from which they can continue the search for Jacob s wife Maggie and Joshua s best friend One Ear Though the raids seem to lessen with the presence of the well constructed fort the Delaware have not withdrawn completely A rescue mission soon turns out disastrous when the men are ambushed and Jacob is taken prisoner by chief Tewea the dangerous warrior nicknamed Captain Jacobs Help often comes from unexpected sources and the Murrays soon find themselves face to face with ghosts from the past and a mysterious band of sentinels that are keeping watch over the Pennsylvania forests [www.thegauntletrunner1754.com](http://www.thegauntletrunner1754.com)

**Last Run** S. Thomas Bailey, 2017-10-12 Jacob Murray finally has what he wanted almost He is still tired from a war that has dragged on close to seven years He desperately wants to get home but he has his obligations He finally has Maggie by his side only as fate has it heartbreak is always around the corner The French are desperate as well Hope is fading after losing their prized walled city Now the unforgiving Canadian winter stands in their way The river connecting them to France will sit frozen for the next six months keeping them in their winter quarters until the spring thaw Winter in 1760 Quebec City is wrought with death disease and depleted food supplies The victorious British garrison is burdened with repairing a bombed city weakened defenses and a local population who despise their presence The threat of a French counterattack looms yet running out of fire wood is a far more serious fate Trapped in a city with no hope no food and an enemy bent on liberating it from British hands Trapped by snow and ice in one of the most inhospitable places on earth and trapped by his responsibilities Jacob prays for a quick end to the war so he can finally return home with his family A traitor the vengeful French army and personal tragedy complicates his efforts but Jacob Murray is determined to make his Last Run [WWW.THEGAUNTLETRUNNER1754.COM](http://WWW.THEGAUNTLETRUNNER1754.COM)

**Blind Faith** S. Thomas Bailey, 2016-03-18 Enemies come in many forms and they are not always what you think Jacob Murray has learned that lesson but it haunts him once again The tides of the war have finally changed and the British are beginning to gain ground over their French adversaries The French sit within the walled city of Qu bec waiting for their enemy Jacob and Maggie are still apart separated by thousands of miles of unfamiliar wilderness Despite this adversity they each seek a way to find what remains of their family Faced with her own challenges Maggie finds unlikely friendship and assistance from what she believed were her enemies Following an opportunity to track down her son she journeys to Qu bec City where she finds a city preparing for a siege from the British army who are determined to end the war Jacob faces his own challenges and finds he is often forced to

fight not only his enemies but also those who should be his allies Blind Faith tells the story of deserters a country controlled by the church and the walled city that holds many secrets *Heights of Hell* S. Thomas Bailey,2015-05-13 Years of British led failures have taken its toll on Jacob Murray Standing alone amidst the aftermath of yet another unfathomable defeat his thoughts turn north to his wife Maggie and the perilous gulf of wilderness that stands between them like the French abbitas at Fort Carillon He would pack his grief and exhaustion and head north with his son James if not for the cruel unyielding attention of a British officer bent on his ruin For the time being he fights back his longing and bides his time while the trails slowly shed their winter cover and waits for an opportunity to present itself Meanwhile Maggie is forced to rely on the kindness of a French priest to keep her safe while she still searches for her family The sudden chance arrival of three French brothers changes her course She now entrusts her life to a stranger as they decide to head north The fifth novel in the award winning series The Gauntlet Runner *Heights of Hell* is a fast paced story that plunges readers into the vast unexplored forests of 1758 New York and the doomed defeat of another British army Experience the courage of the Black Watch the near death of the vaunted Robert Rogers and the raw emotion consuming both Jacob and Maggie as their paths seemingly moves them in the opposite direction WWW THEGAUNTLETRUNNER1754 COM *Blood Lines* S. Thomas Bailey,2014-08-27 It is late autumn 1756 Jacob Murray and a band of rangers are locked in desperate pursuit of a Delaware raiding party that overran and massacred the garrison at Fort Stevens Among the women and children taken prisoner is Jacob s wife Maggie Driven by guilt and anger Jacob sets a furious pace that leads his men into dangerous unknown territory Meanwhile the fate of the prisoners is made all the more tenuous when raiding party scouts report the death of Chief Tewea at Kittanning and Maggie will soon be forced to reconsider everything she has ever thought about the savages that have inflicted such havoc on her life In a world at war where blood debts are constantly paid and incurred decisions made can change the course of lives forever For Maggie Jacob and their son James the pull of their blood will draw them into a winter none of them could foresee The fourth book in the award winning Gauntlet Runner series *Blood Lines* once again transports readers to colonial America during the French and Indian War and offers a clear unsentimental glimpse into the history of the period through the eyes of its characters WWW THEGAUNTLETRUNNER1754 COM **Forest Sentinels - The Gauntlet Runner** S.
