[Anne Bonny the Infamous Female Pirate](#) Phillip Thomas Tucker,2017-08-22 The story of the most famous female pirate in history provides a remarkable personal odyssey from a time

when women were almost powerless and at the lowest level of the social order on both sides of the Atlantic This new biographical work fills considerable gaps in Anne Bonny s life beyond her mythology to rescue an actual person for posterity After turning her back on everything she knew growing up in South Carolina to find a sense of personal freedom Anne Bonny sailed the Caribbean s pristine waters during the Golden Age of Piracy in the early eighteenth century Few accurate records exist about these law breakers whose lifestyles called for hanging Fortunately Anne Bonny was a notable exception to the rule as she was caught off the Jamaican coast and tried by a court of law whose records have fortunately survived So who was the real Anne Bonny A heartless prostitute a bloodthirsty psychopathic or a compassionate woman of faith and courage Such a fundamental question has not been adequately answered by historians for 300 years It is now time to take a fresh look at the life of Anne Bonny to present a corrective view into not only her story but also the seldom explored but incredibly rich field of women s history The Anne Bonny mythology is today popularly told in Starz channel s Black Sails and the video game Assassin s Creed
