Salutation or greeting:

1) **Dear Sir or Madam**, if you do not know the name of the person you are writing to, use this. It is always advisable to try to find out a name. 2) **Dear Mr Jenkins**, if you know the name, use the title (Mr, Mrs, Miss or Ms, Dr, etc.) and the surname only. If you are writing to a woman and do not know if she uses Mrs or Miss, you can use Ms, which is for married and single women.

Body of the letter

Dear Mr. Parker,

With reference to your letter of January 5th, we are sorry to inform you that we do not have any vacancies available at the moment. We are impressed with your qualification and work experience and will definitely consider your candidature when vacancies arise in future.

Please feel free to contact us again if we can help in any way.

Yours sincerely

First paragraph

The first paragraph should be short and state the purpose of the letter- to make an enquiry, complain, request something, etc.

The paragraph or paragraphs in the middle of the letter should contain the relevant information behind the writing of the letter. Most letters in English are not very long, so keep the information to the essentials and concentrate on organising it in a clear and logical manner rather than expanding too much.

Last Paragraph

The last paragraph of a formal letter should state what action you expect the recipient to take- to refund, send you information, etc.

Ending a letter:

1) Yours faithfully

If you do not know the name of the person, end the letter this way 2) **Yours sincerely**

If you know the name of the person, end the letter this way 3) **Your signature**

Sign your name, then print it underneath the signature. If you think the person you are writing to might not know whether you are male or female, put your title in brackets after your name.
