Psychotherapy James Joseph Walsh, 1912 **An Acrobat of the Heart** Stephen Wangh, 2010-05-05 Courageous and compelling an invaluable resource for actors directors and teachers that can open a pathway to inner creativity The actor will do in public what is considered impossible When the renowned Polish director Jerzy Grotowski began his 1967 American workshop with these words his students were stunned But within four weeks they themselves had experienced the impossible In *An Acrobat of the Heart* teacher director playwright Stephen Wangh draws on Grotowski's insights and on the work of Stanislavski Uta Hagen and others to bridge the gap between rigorous physical training and practical scene and character technique Wangh's students give candid descriptions of their struggles and breakthroughs demonstrating how to transform these remarkable lessons into a personal journey of artistic growth *Communicative Exchange, Psychotherapy and the Resonant Self* Anthony Korner, 2020-07-12 In *Communicative Exchange Psychotherapy and the Resonant Self* Anthony Korner demonstrates how important communication and resonance are to the development of a sense of self This process of

realization is embedded in social relatedness and is intrinsically tied to language. Uniquely presenting a collaborative approach to research, this book illuminates the potential for change that lies in therapy that engages both heart and mind between patient and therapist as well as demonstrating how language and relating are fundamental to psychotherapy. Korner explains how language engenders growth through communicative processes that shape lives and personality. Korner helps the reader see how communicative exchanges can be transformative. Brimmed with emotive clinical material, literary illustrations, and reports of first-hand life experience, Korner demonstrates how the combination of knowledge and evocation of feeling in human connection is central to psychotherapeutic process. An intersubjective approach to research is put forward as exemplar of how the minds of both patient and therapist might be employed in furthering understanding of psychotherapeutic process. This book will be an essential resource for mental health clinicians involved in psychodynamic psychotherapy as well as more generally to people interested in understanding human connections.
