Fortified Anxiety Bondage Freedom Power:

Fortified Jim Stern, 2015-12-18 FORTIFIED uses God's restoration of the city of Jerusalem as a metaphor for how He restores us. In FORTIFIED you will learn the three enemies that attack the city of your life, the four places they attack, and how God will set you free. This is a simple, powerful tool that you can use for yourself and as you go to help others walk in God's promised freedom.

Musser, 1996-09-01. In recent years, the flow of Christian theology has been channeled in diverse streams represented by such trends and movements as black theology, liberation theology, feminist theology, and womanist theology. To survey this abundance and diversity of current Christian theology, this book examines the theologies of representative theologians. Particularly to help students navigate the sea of information, the editors have identified various routes for reading and have traced several threads or issues common to many of the essays, thus demarcating such recurrent concerns as the ways in which the theologians consider the sources and goals for theology, their variant assumptions and conclusions about the nature of God, their divergent approaches to understanding the person and purpose of the Christ, and their distinct expectations for the destiny of history and faith.
