By Edmund Bergler, M.D.

Curable And Incurable Neurotics Problems Of Neurotic Versus Malignant Psychic Masochism

National Library of Medicine (U.S.)

Curable And Incurable Neurotics Problems Of Neurotic Versus Malignant Psychic Masochism:

Curable and Incurable Neurotics Edmund Bergler,1993 **Psychoanalytic Terms and Concepts** Elizabeth L. Auchincloss,Eslee Samberg,American Psychoanalytic Association,2012-10-30 This is the first revised expanded and updated edition of Psychoanalytic Terms and Concepts since its third edition in 1990 It presents a scholarly exposition of English language psychoanalytic terms and concepts including those from all contemporary schools of theory and practice Each entry starts with a brief definition that is followed by an explanation of the significance of the term concept for psychoanalysis its historical development and the present day controversies about best usage Psychoanalysis and Contemporary Thought ,1994 **The New York Times Book Review** ,1970 **Curable and Incurable Neurotics; Problems of "neurotic" Versus "malignant" Physic Masochism** Edmund Bergler,1961 *Biological Abstracts* Jacob Richard Schramm,1961

The Course of Gay and Lesbian Lives Bertram J. Cohler,Robert M. Galatzer-Levy,2000-08 The authors argue that there is little support for assuming that homosexuality has a biological basis Recognizing the many pathways that lead to same gender sexual orientation the authors conclude that the cause is much less important than understanding the meaning of being homosexual **New York Times Saturday Book Review Supplement** ,1961-12 *National Library of Medicine Catalog* National Library of Medicine (U.S.),1966 *The Philosophical Review* Jacob Gould Schurman,James Edwin Creighton, Frank Thilly, Gustavus Watts Cunningham,1892 An international journal of general philosophy **The Misuse of Persons** Stanley J. Coen,2013-11-26 In this major contribution to contemporary psychoanalysis Stanley Coen illuminates a heretofore undescribed character structure especially resistant to analytic process Pathologically dependent patients for Coen are identified not by surface character traits but by their response to the intrapsychic demands of analysis Such patients remain in treatment sometimes contentedly sometimes amid rebukes and complaints but they do not profit from it Their inability to use insight especially in the transference is matched by a proclivity for sadomasochistic enmeshment In analysis this tendency translates into a continuing dependent attachment to the analyst In exploring the genetic roots of pathological dependency Coen ranges beyond extant trauma theories in describing a pattern of parent child interaction in which repetitive behavioral enactments substitute for the acceptance and resolution of conflicts both intrapsychic and interpersonal In analysis pathologically dependent patients use the analyst as they have come to use significant others throughout their lives as part of a defensive structure characterized by repetitive enactments and a refusal to face what is wrong with them This misuse of others is infused with destructiveness hostility and rage and the analyst necessarily becomes the object of these powerful emotions With such patients then the road to therapeutic progress invariably passes through the analysis of mutual transference and countertransference hate the patient s tempting invitations to collusion and avoidance notwithstanding *Author-title Catalog, Subject Catalog* University of California, San Diego. Biomedical Library,1971

Psychoanalytic Technique and the Creation of Analytic Patients Arnold Rothstein,2018-03-26 This is a book on a

neglected aspect of psychoanalytic technique that should be read by everyone who hopes to develop a psychoanalytic practice The author s emphasis on the value of analyzing a prospective patient s motives for avoiding analysis is of utmost importance An excellent book by a seasoned and gifted analyst Charles Brenner MD Psychoanalytic Technique and the Creation of Analytic Patients is clear practical and above all courageous On the central issues from the idea of analyzability to the objectivity of diagnosis to attitudes toward fees Rothstein challenges received wisdom and skewers sacred cows The result is a book that will help all clinicians therapist and analyst alike to work more effectively within the realities of contemporary practice The author forces us to re examine many fundamental assumptions thereby contributing to radical re evaluation of the nature of the psychoanalytic process itself Jay Greenberg PhD In Psychoanalytic Technique and The Creation of Analytic Patients a successful practicing analyst shares with us many of the secrets of his success

Chicago Psychoanalytic Literature Index, 1920-1970 Institute for Psychoanalysis, 1971 **Chicago Psychoanalytic Literature Index**, 1971 **American Book Publishing Record** R.R. Bowker Company, 1978 **Chicago Psychoanalytic Literature** **Forthcoming Books** Rose Arny, 1994-02 National Union Catalog, 1956 Includes entries for maps and atlases **The Publishers' Trade List Annual**, 1967 *Dictionary Catalog of the University Library, 1919-1962* University of California, Los Angeles. Library, 1963
