Rhetorical Crossover Cedric Burrows, 2020-10-27 In music crossover means that a song has moved beyond its original genre and audience into the general social consciousness

Rhetorical Crossover uses the same concept to theorize how the black rhetorical presence has moved in mainstream spaces in an era where African Americans were becoming more visible in white culture Cedric Burrows argues that when black rhetoric moves into the dominant culture white audiences appear welcoming to African Americans as long as they present an acceptable form of blackness for white tastes The predominant culture has always constructed coded narratives on how the black rhetorical presence should appear and behave when in majority spaces In response African Americans developed their own narratives that revise and reinvent mainstream narratives while also reaffirming their humanity Using an interdisciplinary model built from music education film and social movement studies Rhetorical Crossover details the dueling narratives about African Americans that percolate throughout the United States

Debate and Critical Analysis Robert James Branham, 2013-10-16 Rather than approach debate primarily as a form of interscholastic competition this unique book identifies it as an activity that occurs in many settings scientific conferences newspaper op ed pages classrooms courts of law and everyday domestic life Debate is discussed as an integral part of academic inquiry in all disciplines As in all fields of study various competing views are advanced and supported Debate and Critical Analysis is designed to better prepare the student to assess and engage them This text posits four characteristics of true debate argument development clash extension and perspective which form the basic structure of the book Each concept or aspect of argument covered is illustrated by an example drawn from contemporary or historical sources allowing the reader to actually see the techniques and strategies at work All popular forms of competitive debate including policy Lincoln Douglas value oriented and parliamentary are discussed in detail as embedded in the actual topical controversies with which they are concerned In this way the student can learn the structures reasoning processes and strategies that may be employed as well as the practical affairs of debating from brief writing to the flowsheet

Enduring Legacies Arturo J. Aldama, Elisa Facio, Daryl Maeda, Reiland Rabaka, 2011-05-18 Traditional accounts of Colorado's history often reflect an Anglocentric perspective that begins with the 1859 Pikes Peak Gold Rush and Colorado's establishment as a state in 1876 Enduring Legacies expands the study of Colorado's past and present by adopting a borderlands perspective that emphasizes the multiplicity of peoples who have inhabited this region Addressing the dearth of scholarship on the varied communities within Colorado a zone in which collisions structured by forces of race nation class gender and sexuality inevitably lead to the transformation of cultures and the emergence of new identities this volume is the first to bring together comparative scholarship on historical and contemporary issues that span groups from Chicanas and Chicanos to African Americans to Asian Americans This book will be relevant to students academics and general readers interested in Colorado history and ethnic studies

Literacy and Learning in the Content Areas Sharon Kane, 2017-07-05 The 3rd Edition of Literacy Learning in the Content Areas helps readers build the knowledge motivation tools and confidence they need as they integrate literacy into their middle and high school content area classrooms Its unique approach to teaching content area literacy actively engages preservice and

practicing teachers in reading and writing and the very activities that they will use to teach literacy to their own students in middle and high school classrooms Rather than passively learning about strategies for incorporating content area literacy activities readers get hands on experience in such techniques as mapping webbing anticipation guides booktalks class websites and journal writing and reflection Readers also learn how to integrate children s and young adult literature primary sources biographies essays poetry and online content communities and websites into their classrooms Each chapter offers concrete teaching examples and practical suggestions to help make literacy relevant to students content area learning Author Sharon Kane demonstrates how relevant reading writing speaking listening and visual learning activities can improve learning in content area subjects and at the same time help readers meet national content knowledge standards and benchmarks
