## **Curriculum And Aims Fifth Edition Thinking About Education Thinking About Education Series:**

**Curriculum and Aims** Decker F. Walker, Jonas F. Soltis, 2009-10-15 The revised Fifth Edition of Curriculum and Aims provides a broad perspective on the basic curriculum questions educators face regarding the purposes content design and structure of educational programs After examining aims that have been proposed by classical educational thinkers and reviewing the dominant educational debate of the 20th century between traditionalists and progressives authors Decker F Walker and Jonas F Soltis deal with fundamental contemporary issues of curriculum theory and instructional practice As in the other volumes in the Thinking About Education Series this new edition provides realistic case studies that inspire pre service teachers to grapple with the issues of curriculum and aims in the context of classroom situations The Fifth Edition features a new case on Education and Equity Closing the Achievement Gap and includes updated references to important recent ideas in a new section at the end of each chapter called For Further Inquiry Curriculum and Aims is one of the five books in the highly regarded Teachers College Press THINKING ABOUT EDUCATION SERIES now in its Fifth Edition All of the books in this series are designed to help pre and in service teachers bridge the gap between theory and practice

*School and Society* Walter Feinberg, Jonas F. Soltis, 2015-04-18 This widely used text has been expanded to include the most important issues in contemporary schooling including New end of chapter sections for Further Reading New references added to the useful Additional Resources section School and Society Fifth Edition uses realistic case studies dialogues and open ended questions designed to stimulate thinking about problems related to school and society including curriculum reform social justice and competing forms of research Written in a style that speaks directly to today s educator this book tackles such crucial questions as Do schools socialize students to become productive workers Does schooling reproduce social class and pass on ethnic and gender biases Can a teacher avoid passing on dominant social and cultural values What besides subjects do students really learn in schools School and Society is one of the five books in the highly regarded Teachers College Press Thinking About Education Series now in its Fifth Edition All of the books in this series are designed to help pre and in service teachers bridge the gap between theory and practice Praise for Previous Editions I have been surprised and pleased by the relevance of this particular book to the lives and work of my beginning teachers Teaching Education This series does a masterful job of bringing together the basic issues and teaching methods that should frame social and philosophical foundations curricula Educational Theory Walter Feinberg is Professor of Educational Policy Emeritus at the University of Illinois at Urbana Champaign Jonas F Soltis is William Heard Kilpatrick Professor Emeritus of Philosophy and Education at Teachers College Columbia University *Perspectives on Learning, 5th Edition* Denis Phillips, Jonas F. Soltis, 2015-04-18 Rather than simply outlining the classical and modern theories of learning this widely adopted text brings the material to life through case studies that engage students in debates about what really happens in classrooms Students are encouraged to test the strengths and weaknesses of each theory so that ultimately they will learn to

formulate their own philosophies of teaching and learning The new Fifth Edition of *Perspectives on Learning* features A discussion of common sense and learning theories A new chapter on Transfer of Learning Consideration of recent developments in brain science A thoroughly updated list of Recommendations for Further Reading *Perspectives on Learning* is one of the five books in the highly regarded Teachers College Press *Thinking About Education* Series now in its Fifth Edition All of the books in this series are designed to help pre and in service teachers bridge the gap between theory and practice D C Phillips is Professor of Education and Philosophy Emeritus School of Education at Stanford University Jonas F Soltis is William Heard Kilpatrick Professor Emeritus of Philosophy and Education at Teachers College Columbia University A great little book packed with conceptual contrasts and rich classroom vignettes The best resource I've found for teaching about theories of learning in a liberal arts college Jack Dougherty Trinity College Hartford CT A well written and readable book Phillips and Soltis should be commended for bringing together these various perspectives on learning that can be used by both pre service and in service teachers The case studies presented help illustrate the theories and should facilitate active class discussions The Professional Educator

**Approaches to Teaching, 5th Edition** Gary D. Fenstermacher, Jonas F. Soltis, Matthew N. Sanger, 2015-04-18 This popular text continues using the format of the three approaches The Executive The Facilitator and The Liberationist For the Fifth Edition the authors add four new case studies Scripted Teaching Accountability and Merit What Is the Value of Caring Relationships and School Funding Using these and other realistic case studies they explore the strengths and weaknesses of each approach so that teachers can critically assess their own philosophical positions on teaching Teachers are urged to ask themselves such questions as What is the main goal of teaching What is the most important purpose of education What do I expect my students to eventually become Is the way I structure my teaching influenced by how I view my role and goals This updated edition also adds a new section called Topics and Resources to encourage further inquiry into teaching *Approaches to Teaching* is one of the five books in the highly regarded Teachers College Press *THINKING ABOUT EDUCATION* SERIES now in its Fifth Edition All of the books in this series are designed to help pre and in service teachers bridge the gap between theory and practice Gary D Fenstermacher is Professor of Education at the University of Michigan Ann Arbor Jonas F Soltis is William Heard Kilpatrick Professor Emeritus of Philosophy and Education at Teachers College Columbia University Matthew N Sanger is Assistant Professor of Educational Foundations at Idaho State University
