Forgiveness And Christian Ethics New Studies In Christian Ethics:

Forgiveness and Christian Ethics Anthony Bash, 2007-09-13 What does it mean to forgive The answer is widely assumed to be self evident but critical analysis quickly reveals the complexities of the subject Forgiveness has traditionally been the preserve of Christian theology though in the last half century and at an accelerating pace psychologists lawyers politicians and moral philosophers have all been making an important contribution to questions about and our understanding of the subject Anthony Bash offers a vigorous restatement of the Christian view of forgiveness in critical dialogue with those both within and without the Christian tradition Forgiveness is a much more complicated subject than many theologians recognize Bash explores the relevance of the theoretical discussion of the topic to recent events such as the Truth and Reconciliation Commission in South Africa post Holocaust trials the aftermath of 9 11 and July 7 and various high profile criminal cases

Moral Passion and Christian Ethics Robin Gill, 2017-03-06 In this book Robin Gill argues that moral passion and rational ethical deliberation are not enemies and that moral passion often lurks behind many apparently rational ethical commitments He also contends that though moral passion is a key component of truly selfless moral action without rational ethical deliberation it can also be extremely dangerous Gill maintains that a reanalysis of moral passion is overdue He inspects the gap between the purely rational accounts of ethics provided by some moral philosophers and the normative positions that they espouse and or the moral actions that they pursue He also contends that Christian ethicists have not been adept at identifying their own implicit moral passion or at explaining why it is that doctrinal positions generate passionately held moral conclusions Using a range of disciplines including cognitive science and moral psychology alongside the more usual disciplines of moral philosophy and religious ethics Gill also makes links with moral passion in other world faith traditions

Forgiveness Anthony Bash, 2015-05-11 Many endorse the idea of personal forgiveness without fully understanding its complexity and subtlety This book is a careful and detailed theological exploration of personal forgiveness It sets forgiveness in its ancient and biblical context as well as drawing on contemporary debates among philosophers psychological therapists and international relations theorists Forgiveness is written in a clear accessible style for both the specialist and the non specialist and even the most difficult issues are clearly explained and their significance explored Anthony Bash seeks to restore forgiveness to the center of Christian doctrine and practice and to defend its place in personal and public life

Forgiven but Not Forgotten Ambrose Mong, 2020-12-09 This work explores issues of forgiveness and reconciliation in countries that had experienced political conflicts civil war and even genocide It attempts to move beyond mere discussion by examining case studies and the initiatives taken in dialogue and reconciliation In many cases religion can be a force for peace and play a significant role in resolving conflicts This work also examines the relationship between justice and forgiveness emphasizing that there will be no peace without justice and no justice without forgiveness Human justice is fragile Thus respect for rights and responsibilities must include forgiveness in order to heal and restore relationships Claude La

Colombière Sermons Claude La Colombière, 2014-01-15 This volume presents for the first time English language translations of twelve sermons by St Claude La Colombière Canonized in 1992 by Pope John Paul II Claude was a 17th century Jesuit priest who authenticated the visions of St Margaret Mary Alacoque and promoted devotion to the Sacred Heart Like St Francis of Assisi Claude had been a man of privilege and was a literary figure with a reputation as a master of Christian eloquence He died a martyr at the age of forty one Each sermon in this volume addresses a different issue under the general theme of Christian conduct Together these sermons present the notions central to Claude's preaching and general attitude above all the ideas of habituation and confidence in God Preaching during Claude's lifetime developed under a variety of influences most notably the thematic sermons of the late medieval period and the humanistic retrieval of classical letters during the Renaissance Claude worked within and helped to create the stylistic conventions of the day by drawing on scripture and the Church Fathers in an attempt to convert his listeners Taking a hybrid approach to his craft he brought a balanced use of rhetorical art into the pulpit so as to please as well as to instruct and move his audience hereby promoting the development of French classicism in the second half of the seventeenth century In his commentary on the sermons William O'Brien examines the dynamic vision of the human person that emerges from St Claude's preaching and considers what this might mean for readers of today While offering a historical literary study of his preaching the work is located firmly in the contemporary quest for a new unity between the theoretical and the practical in Christianity What results is a book with a unique appeal General readers interested in their own spiritual growth as well as scholars and students of religious history theology and French literature will find this book to be a valuable resource **Forgiveness and Politics** Kethoser

Ani Kevichusa, 2017-11-14 Forgiveness and politics are often assumed both ordinarily and academically to be unrelated and unrelatable This study not only argues that forgiveness and politics can be related but also that they are intrinsically related In making the case this publication explores both the biblical foundations of forgiveness and the concepts and practices of politics justice and reconciliation The findings are tested and illustrated within two case studies of forgiveness examining the conflict in Northern Ireland and several conflicts in Nagaland India **Representation and Ultimacy** Jan-Olav

Henriksen, 2020-05-18 Jan Olav Henriksen investigates the close relationship between God and human beings via an understanding of religion as clusters of practices that relate humans to ultimacy by different types of representation Christian religion articulates its belief in God as creator manifest in the power to be and redeemer represented in the life and ministry of Jesus Christ Christ thus is the primary representation of God as the ultimate reality of love He is also the true image of God and the model for how humans are also called to represent God in love The human features of desire and vulnerability as these express elements that shape form and articulate challenges for human life present humans with the need for orienting themselves and for different types of transformation Christian religion articulates a specific mode of how to cope with these challenges presented by desire and vulnerability by living in love Against this backdrop Henriksen argues

that neither how one understands religion God nor how to live a life that relates to ultimacy can be tasks fulfilled as long as history goes on **Mercy** Hans Schaeffer, Gerard den Hertog, Stefan Paas, 2018 Mercy is an important concept in the Christian moral tradition It is one of the most prominent divine attributes and is embodied in Jesus Christ This volume investigates the concept of mercy from a Protestant point of view with respect to its consequences for an increasingly non Christian society Starting from its biblical origins a group of international authors explicates the intrinsically messianic logic of divine mercy for its potential in current theological ethics practical ecclesiology systematic and public theology

Explorations in Christian Theology and Ethics Michelle J. Bartel, 2016-04-22 Engaging variously with the legacy of Paul L Lehmann these essays argue for a reorientation in Christian theology that better honours the formative power of the gospel to animate and shape doctrine and witness as well as ethical and political life The authors explore key themes in Christian theology and ethics forgiveness discernment responsibility spirituality the present day tasks of theology and the role of faith in public life making plain the unabated importance of Lehmann's work at this juncture in contemporary theology The internationally recognized contributors draw crucial connections between the gospel of reconciliation the form of Christian theology and witness and the challenges of contemporary ethical and political reflection This book demonstrates why this close friend of Dietrich Bonhoeffer and author of *Ethics in a Christian Context* and *The Transfiguration of Politics* continues to influence generations of theologians in both the English speaking world and beyond **Survival** Karen O'Donnell, 2024-10-30 Trauma theology remains a rapidly growing field considering as it does the impact that embodied experiences of trauma have on theological discourse In this book leading trauma theologian Karen O'Donnell turns her attention to the impact that trauma has on spiritual practice and considers the ways that trauma might require a wholesale reimagining of spiritual practice into something more suitable and sustaining for trauma survivors *The Routledge Handbook of the Philosophy and Psychology of Forgiveness* Glen Pettigrove, Robert Enright, 2023-04-11 The Routledge Handbook of the Philosophy and Psychology of Forgiveness brings into conversation research from multiple disciplines offering readers a comprehensive guide to current forgiveness research Its 42 chapters newly commissioned from an internationally acclaimed group of scholars are divided into five parts Religious Traditions Historic Treatments The Nature of Forgiveness Normative Issues Empirical Findings While the principal aim of the handbook is to provide a guide to the philosophical literature on forgiveness that ideally will inform the psychological sciences in developing more philosophically accurate measures and psychological treatments of forgiveness the volume will be of interest to students and researchers with a wide range of disciplinary backgrounds including philosophy psychology theology religious studies classics history politics law and education **Forgiveness, Peacemaking, and Reconciliation** David K. Ngaruiya, Rodney L. Reed, 2020-12-31 In this fifth volume from the Africa Society of Evangelical Theology contributors explore forgiveness peacemaking and reconciliation as necessary prerequisites for human flourishing Ranging from biblical studies and church

history to medical ethics and public theology this collection offers a rich diversity of voices and perspectives as each author reflects on God's heart for conflict alleviation within the contexts of their own communities nations histories and academic disciplines Taken together these contributions offer profound insight into both the particularities and generalities of God's transformative healing work in the world and how we the church are called to partner with that work in Africa and beyond

Tragic Dilemmas in Christian Ethics Kate Jackson-Meyer, 2022-09-01 The first book to argue for the concept of tragic dilemmas in Christian ethics Moral dilemmas arise when individuals are unable to fulfill all of their ethical obligations Tragic dilemmas are moral dilemmas that involve great tragedy The existence of moral and tragic dilemmas is debated in philosophy and often dismissed in theology based on the notion that there are effective strategies that completely solve hard ethical situations Yet cases from real life events in war and bioethics offer compelling evidence for the existence of tragic dilemmas In *Tragic Dilemmas in Christian Ethics* Jackson Meyer expertly explores the thought of Augustine and Aquinas to show the limits of their treatment of hard cases as well as where their thought can be built on and expanded in relation to tragic dilemmas She recognizes and develops a new theological understanding of tragic dilemmas rooted in moral philosophy contemporary case studies and psychological literature on moral injury Jackson Meyer argues that in tragic dilemmas moral agents choose between conflicting nonnegotiable moral obligations rooted in Christian commitments to protect human life and the vulnerable Personal culpability is mitigated due to constrained situations and society is also culpable when tragic dilemmas are a result of structural sin In response Jackson Meyer implores Christian communities to offer individual and communal healing after tragic dilemmas and to acknowledge their own participation in injustice *Tragic Dilemmas in Christian Ethics* offers practical strategies that Christian communities can use to provide healing to those who have acted in tragic dilemmas and to transform the unjust structures that often cause these tragedies

Forgiveness And Abuse: Jewish And Christian Reflections Marie Fortune, Joretta Marshall, 2013-02-01 Explore what forgiveness means in the context of sexual and domestic abuse Using research studies stories and prayer *Forgiveness and Abuse Jewish and Christian Reflections* focuses on the views and opinions of these two prominent religions as well as shares the wisdom of their traditional teachings Forgiveness is an essential concept for many survivors of abuse as well as the perpetrators Some believe that urging victims to simply forgive and forget in the face of such harsh realities may not be practical and could actually endanger the healing process *Forgiveness and Abuse* studies several aspects of the spiritual influence in forgiving and vindicating abusive crimes including traditional views of forgiveness and repentance using excerpts from Jewish law a clinical study examining the relationship between forgiveness and mental health as well as comparing Christian and Jewish responses to a questionnaire regarding forgiveness abuse of children and adults by members of the clergy the roles of the victims the abuser and the church the differences between forgiveness and reconciliation and whether they are both necessary so much more Several of the historical practices of Christianity and Judaism regarding abuse its public acknowledgment and its forgiveness have been

harshly criticized Forgiveness and Abuse offers you new insight on the spiritual connections between religion abuse and forgiveness and brings you hope as religious leaders unite to better themselves and others With the events of recent years weighing on society's shoulders this collection is profoundly significant for clergy counselors therapists and survivors as well as the perpetrators themselves

Reimagining Human Rights William R. O'Neill, 2021-01-07 In Reimagining Human Rights William O'Neill presents an interpretation of human rights from below showing how victims of atrocity can embrace the rhetoric of human rights to dismantle old narratives of power and advance new ones Topics covered include race and mass incarceration immigration and refugee policy and ecological responsibility

Politics in Friendship: A Theological Account Guido de Graaff, 2014-09-25 Guido de Graaff explores the political dimension and significance of friendship arguing that its specific contribution lies not only in its theological approach but also in its particular focus distinguishing the political from the social and or civic The book's explorations are framed around a particular story of friendship the story of Bishop George Bell and German theologian Dietrich Bonhoeffer Drawing on Hannah Arendt and Oliver O'Donovan de Graaff argues that Bell and Bonhoeffer's story can be read as one of friends assuming the responsibility of political judgment in an emergency situation their story casts doubts on secular politics as the primary context for interpreting the friends' judgments Thus the book provides a more comprehensive account of the story also interpreting it against the background of the life of the church with special attention to John 15 and Romans 12 De Graaff concludes by showing how a theological account is vital for discerning the distinct politics of the church including opportunities for Christian engagement in secular politics

Forgiveness and Love Glen Pettigrove, 2012-08-30 What is forgiveness When is it appropriate How is it encouraged or inhibited Answering these questions one way rather than another can alter our lives and our relationships in dramatic ways If we think that forgiveness is or involves a passion that we experience but over which we have little control then we will respond to it differently than if we think forgiving is something we choose to do or refrain from doing If we think forgiveness involves restoring a relationship then we will treat it differently than if we think it merely a matter of managing our emotions If we think forgiveness is something that must be earned or deserved then we will not even consider forgiving certain agents whereas if we think it is something that can be freely given then forgiving these agents may become a live option Glen Pettigrove explores the nature and norms of forgiveness drawing attention to important dimensions that have been neglected by other discussions of the topic He highlights the significance of character both of the forgiver and of the forgiven for common perspectives on what forgiveness is and when it is appropriate Pettigrove explores the relationship between forgiving understanding and loving And he revives a virtue that has too long been neglected namely grace

Christianity, Ethics and the Law Zachary R. Calo, Joshua Neoh, A. Keith Thompson, 2022-12-30 This book examines how Christian love can inform legal thought The work introduces love as a way to advance the emergent conversation between constructive theology and jurisprudence that will also inform conversations in philosophy and political theory Love is the central category for

Christian ethical understanding Yet the growing field of law and religion and relatedly law and theology rarely addresses how love can shape our understanding of law This reflects in part a common assumption that law and love stand in necessary tension Love applies to the private and the personal Law by contrast applies to the public and the political realms governed by power It is thus a mistake to envisage love as having anything but a negative relationship to law This conclusion continues to govern Christian understandings of the meaning and vocation of law The animating idea of this volume is that the concept of love can and should inform Christian legal thought The project approaches this task from the perspective of both historical and constructive theology Various contributions examine how such thinkers as Augustine Aquinas and Calvin utilised love in their legal thought These essays highlight often neglected aspects of the Christian tradition Other contributions examine Christian love in light of contemporary legal topics including civility forgiveness and secularism Love the book proposes not only matters for law but can transform the terms on which Christians understand and engage it The book will be of interest to academics and researchers working in the areas of legal theory law and religion law and philosophy legal history theology and religious studies and political theory

The Limits of Forgiveness Maria Mayo, 2021-05-06 Demystifying an unrealistic ideal Maria Mayo questions the contemporary idealization of unconditional forgiveness in three areas of contemporary life so called Victim Offender Mediation involving cases of criminal injury the work of the Truth and Reconciliation Commission in post apartheid South Africa and the pastoral care of victims of domestic violence She shows that an emphasis on unilateral and unconditional forgiveness puts disproportionate pressure on the victims of injustice or violence and misconstrues the very biblical passages especially in Jesus teaching and actions on which advocates of unconditional forgiveness rely

[A Literary History of Reconciliation](#) Jan Frans van Dijkhuizen, 2018-09-06 From William Shakespeare to Marilynne Robinson this book examines representations of interpersonal reconciliation in works of literature focusing on how these representations draw on the language of divine forgiveness Christian theology sees divine forgiveness as conditional upon a sinner's remorse and self abasement before God but also as a form of grace unconditional and rooted only in divine love Van Dijkhuizen explores what happens when this paradoxical forgiveness paradigm comes to serve as a template for interpersonal reconciliation As [A Literary History of Reconciliation](#) shows literary writers imagine interpersonal reconciliation as being centrally about power and hierarchy and present forgiveness without power as longed for but ever elusive Drawing on major works of literature from the early modern era to the present day this book explores works by John Milton Virginia Woolf J M Coetzee Ian McEwan and others to craft a literary history that will appeal to readers interested in literature religion and philosophy
