Forgiving My Father, Forgiving Myself Ruth Graham, 2019-10-01 When we live with unresolved anger or hurt the result is nearly always bitterness broken relationships

and unhealthy behaviors Unforgiveness not only sabotages our interactions with those around us it impedes our own spiritual growth and inner peace And it can happen to anyone In her most vulnerable writing yet Ruth Graham reveals how a visit to Angola Prison inspired her to release the unforgiveness lurking in her own heart toward others herself and even her heavenly Father and her earthly father evangelist Billy Graham In this encouraging book she weaves her own personal experiences with biblical examples to explore what holds us back from forgiving others and ourselves and what we gain when we finally discover the power to forgive Along the way she guides us into our own deeply personal experiences of forgiveness that will penetrate our protective walls and unleash true transformation in our lives **Living Strong, Finishing Well** Dr. David Stoop,2021-09-07

Growing older is inevitable and as we often say it beats the alternative But just because we age does not mean we must give in to a slow deterioration of our bodies minds social circles and interests It doesn't mean we need to give up on our dreams goals or aspirations In fact as people live longer and healthier into old age we need to decide what we want to do with all the extra years we've been given In **Living Strong Finishing Well** Dr David Stoop draws upon his more than 80 years on the planet and his decades of counseling speaking and writing to show you how to live every moment to its fullest until you're finally called home He shows you how to be yourself continue the search for meaning stay humble build on your friendships develop resilience stay teachable and more as you learn to accept the gifts that come with growing older and wiser in a world that needs what you have to give **Change Your Thoughts, Change Your Life** Dr. David Stoop,2018-06-19

Did you know most of our patterns of behavior are set by the time we are six years old No wonder it's so hard to change Dr David Stoop shows readers that the true way to lasting change is in the renewing of our minds which we accomplish when we faithfully read God's Word and meditate on it daily He clearly shows how to move from fear to love from resentment to gratitude from lust to purity from loneliness to connection from idolatry to contentment and from mistrust to trust Anyone eager to find change that lasts will welcome this practical and encouraging message **Seasoned With Grace** Dr. Robert L.

Davis, **Seasoned With Grace** explores a clear and exhaustive description of the biblical teachings on healthy family communication Beginning with God's original design for the family and how families can be intentional to replicate healthy family functioning through each generation The focus shifts to the fact that communication is the primary means through which we strengthen all areas of healthy family life A detailed description of what the Bible identifies as healthy family communication is shared as well as practical research based family communication strategies techniques and resources Special attention is given to husband wife communication and parent child communication Anyone reading this book will learn how to improve their family communication skills as a way to improve every area of family life The principles and techniques outlined help families transform their communication manage conflict develop united family goals improve intimacy and ultimately create a healthy family communication climate which lead to higher levels of overall family satisfaction **Face-to-Face with Euodia and Syntyche** Janet Thompson,2010-02-01 Women and men may not admit to

having disagreements or conflicts but the very lack of admission to this inevitable aspect of relationships accentuates the tremendous need for learning how to deal with conflict. People including those who develop a close relationship of any kind will disagree eventually. However, when women avoid resolving disagreements, relationships end without reconciliation and this compromises ministry success. Face to Face with Euodia and Syntyche explores the causes of conflict and how Christians can biblically achieve a resolution and reconciliation.

Family Disintegration Anton Purcell, 2002 The contemporary family is being distracted, disturbed, and distraught by societal pressures from every direction. The nuclear family concept, believed crucial to child rearing, is becoming passé according to census data. Or has the wave of disruption to families crested? It is hoped that this bibliography will serve as a useful tool to researchers seeking further information on families and the pressures being exerted upon them in the 21st century.

I Remembered Kristene E. Friday, 2017-07-13 I Remembered chronicles my experience at age forty-nine when I recalled the sexual abuse by my father as a young girl. Through my journal entries represented here verbatim, I share my journey to heal from the aftermath of this profound awakening. My story is one of survival. It follows the course of the first year of healing from my psychotic break and diagnosis of PTSD and paranoia through the flashbacks and memories, my disclosure to family, working through the grief process, and finally to acceptance and forgiveness. My story is one of survival and hope, one that will interest fellow survivors of sexual abuse, loved ones who want to help them, the recovery community, and those with a general interest in this subject. Silence and shame are hallmarks of sexual abuse, and my story lends a personal voice to what survivors experience in their struggle to heal. I read several books on the subject of healing from sexual abuse and I could not find one like this which shares what it is like to work through this overwhelming process. My story is raw and unflinching, and

my purpose in sharing it is to lend hope and help to other survivors

[Loving your Rebellious Child](#) Norman H Wright, 2013-12-10 What to Do When Your Child Strays. It often begins with a phone call. It may be from a police officer, teacher, pastor, friend, or even from your son or daughter. Whoever it is, they are telling you something you never wanted to hear: something that causes you to go weak with shock, disbelief, and dismay. "I'm moving out," "I can't stand you or your religion anymore," "I'm pregnant," "I'm living with my girlfriend," "Mom, Dad, I'm gay." Your son has been arrested for selling drugs. Such words shake the very foundations of a home and family. Everything you've worked for, prayed for, and sacrificed for has just crumbled. Where do you go from here? *Loving Your Rebellious Child* is not a how-to quick fix for parents of prodigals; rather, it reads more like a wise companion coming alongside to bear the pain, understand the struggle, and to offer insights gleaned from the kiln of experience.
