nostalgia discourses and layering them with theories of intertextuality paratexts and actor networks The book's compositions style invites discussions from scholars of various fields as well as those who are simply fans of history or of Mad Men

Sensing the Past Jim Cullen, 2013-01-09 How do perceptions of the past not just of particular events but of the trajectory of history as a whole shape our experience of the world Sensing the Past tackles this question with an unlikely source of historical insight the work of six major Hollywood stars Clint Eastwood Daniel Day Lewis Denzel Washington Tom Hanks Meryl Streep and Jodie Foster By focusing on the career choices made by these iconic actors Cullen uncovers a discrete set of historical narratives revealing the surprising ways historical forces shape our understanding of the world **Early Modernity and Video Games** Florian Kerschbaumer, Tobias Winnerling, 2014-06-26 We cannot think of modern society without also thinking of video games And we cannot think of video games without thinking of history either Games that deal with history are sold in ever increasing numbers striving to create increasingly lively images of things past For the science of history this means that the presentation of historical content in such games has to be questioned as well as the conceptions of history they embody How do games create the feeling that they portray a past acceptable to their players Do these popular representations of history intersect with academic narratives or not While a considerable body of work on similar questions already exists both for medieval history as well as for those games dealing with the 20th century early modernity has not yet been treated in this context As many games draw their imagery perhaps their success too from the years between 1450 and 1815 it is to their understanding that this volume is dedicated The contributions encompass a wide range of subjects and games from Age of Empires to Assassin's Creed from Critical Discourse Analysis to Ludology One aim unites them namely an understanding of what happens when video games encounter early modernity *Early Paramount Studios* E.J.

Stephens, Michael Christaldi, Marc Wanamaker, 2013-07-15 For over 100 years Paramount Pictures has been captivating movie and television audiences worldwide with its alluring imagery and compelling stories Arising from the collective genius of Adolph Zukor Jesse L Lasky and Cecil B DeMille during the 1910s Paramount Pictures is home to such enduring classics as Wings Sunset Boulevard The Ten Commandments Love Story The Godfather the Indiana Jones series Chinatown Forrest Gump Braveheart Titanic and Star Trek Early Paramount Studios chronicles Paramount's origins culminating in the creation and expansion of the lot at 5555 Melrose Avenue the last major motion picture studio still in Hollywood **The American Blockbuster** Benjamin Crace, 2022-10-18 Providing an indispensable resource for students and general readers this book serves as an entry point for a conversation on America's favorite pastime focusing in on generational differences and the evolution of American identity In an age marked by tension and division Americans of all ages and backgrounds have turned to film to escape the pressures of everyday life Yet beyond escapism popular cinema is both a mirror and microscope for our collective psyche Examining the films that have made billions of dollars through a new lens reveals that popular culture is a vital source for understanding what it means to be an American This book is divided into four sections each associated with a

different generation Featuring such era defining hits as Jaws Back to the Future Avatar and The Avengers each section presents detailed film analyses that showcase the consistency of certain American values throughout generations as well as the constant renegotiation of others Ideal for any cinephile The American Blockbuster demonstrates how complex and meaningful even the summer blockbuster can be *Grateful American* Gary Sinise,2019-02-12 Discover the moving entertaining never before told story of how one man found his calling to see that those who defend this country and its freedoms are never forgotten As a kid in suburban Chicago Gary Sinise was more interested in sports and rock n roll than reading or schoolwork But when he impulsively auditioned for a school production of West Side Story he found his true purpose or so it seemed Within a few years Gary and a handful of friends created what became one of the most exciting and important new theater companies in America From its humble beginnings in a suburban Chicago church basement and eventual move into the city the Steppenwolf Theatre Company launched a series of groundbreaking productions igniting Gary s career along with those of John Malkovich Joan Allen Gary Cole Laurie Metcalf Jeff Perry John Mahoney and countless others Television and film came calling soon after and Gary starred in Of Mice and Men which he also directed and The Stand before taking the role that would change his life in unforeseeable ways Lieutenant Dan in the Academy Award winning Forrest Gump The military community s embrace of the character of the disabled veteran was matched only by the depth of Gary s realization that America s defenders had not received all the honor respect and gratitude their sacrifices deserve In the aftermath of the September 11 attacks this became Gary s new calling *Grateful American* now a New York Times bestseller documents Gary s dedication to working tirelessly on behalf of those who serve this country sharing stories about how he has Entertained more than a half million troops around the world playing bass guitar with his Lt Dan Band Raised funds on behalf of veterans Founded the Gary Sinise Foundation with a mission to serve and honor America s defenders veterans first responders their families and those in need *Grateful American* is the moving entertaining profoundly gripping story of how one man found his life s work to see that those who defend this country and its freedoms are never forgotten Praise for *Grateful American* Gary Sinise writes as he lives and as the artist and actor he has always been with American authenticity purpose and a conviction that is inseparable from his nature Tom Hanks actor and filmmaker No entertainer alive today has visited and performed more for our troops at veterans hospitals and military bases all over the world than Gary Sinise For years his foundation has built smart homes for our troops that were severely wounded in combat The book is called *Grateful American* and I promise that after you read it you will be grateful for what Gary has accomplished and contributed to our country He s truly one of a kind Clint Eastwood actor director producer and musician **What the Bears Know** Steve Searles,Chris Erskine,2023-10-03 The incredible story of how one man went from a hired hunter to becoming one of America s top champions for this iconic animal A Los Angeles Times and USA Today Bestseller In this wonderous and eye opening exploration Steve Searles the reknown and respected Bear Whisperer of Mammoth Lakes takes the reader on a

journey into the lives of these remarkable creatures and the world we share In the late 1990s the town of Mammoth Lakes California hired Steve Searles as a hunter to cull half its troublesome bear population But as he began to prepare for the grim task the bears soon won him over and Searles realized there had to be a better way He soon developed non lethal tactics to control their behavior and overpopulation that heralded a landmark moment in the care and handling of the American black bear But change was not without its challenges To some his success was dismissed due to his lack of formal academic training Yet Searles never wavered in his commitment and eventually became not just local folk hero but a nationally recognized expert This high school dropout saved not just the bears but in many ways his community In a tradition that runs from John Muir to Bear Grylls Searles finds a fellowship with nature and a deeper meaning in the world of bears Do bears understand things we don't Are they dialed in to some greater natural force Unlike us bears waste little time on unreasonable fears Bears are fully in the moment They have an inner peace that seems to offset their power and strength That may explain why no other animal on the planet is as revered as the bear As Searles shares his remarkable knowledge and we become immersed in the ursine world you'll never look at bears or nature the same way again Warm and poignant and perfect for anyone who has been fascinated by the natural world What the Bears Know shows that wisdom and fulfillment can come from unexpected places
