Forsaken Rachel Humphrey-D'aigle, 2015-05-08 Forsaken Book Eight in the Fated Saga Before the last stand begins there are a few more stories to tell Jae Mochrie is Juliska Blackwell's prisoner She's tasked him with a simple request one he refuses to give in to The price for his defiance is exactly what he expects But he sees an out a possible solution at least a temporary solution One that might give him more time Unfortunately it does not go as planned and Juliska's reaction is not what he expects at all It sends her into a fury And then to top it all off she sees a ghost one from her past A face she never wanted to see again These events set off a chain reaction leading to Juliska's first real vision in years Just how did Juliska Blackwell go from lost girl found and raised by the Svoda to a Firemancer to being their Queen You might think you know her motivation there's been a few hints along the way What happened when she was kidnapped by Jurekai Fazendiin The first made and most powerful of the Immortal Grosvenor What really happened on what should have been the happiest day of her life Her wedding day And who exactly is Uncle Eddy otherwise known as Colin Edward Gillivray and why did he take his own life Forcing him to straddle the world of the living and the world of the dead for all eternity Before we can go forward we must first go back **Awaken (the Witches, the Spell Book, and the Magic Tree)** Humphrey Quinn, Rachel

Humphrey-D'aigle, 2016-07-20 The first book in this popular fantasy series follows thirteen year old twins Meghan and Colin Jacoby as they are whisked into a world of magic and mystery and in the process free their own fates and ignite a prophecy made long ago They find new friends fun and adventure as well as deadly enemies and a dangerous mission in this spine tingling supernatural saga Colin Jacoby loves a trip to fantasyland It's so much better than real life which mostly consists of hiding from bullies Or worse his twin sister Meghan Nearly impossible to do when they can read each other's minds and she knows when humiliation is inevitable his of course never hers Colin's favorite thing is to get lost in a good fantasy or sci fi novel but he never expected a free book gifted from a grizzled flea market owner to change his entire future within an hour after taking it out of the market The giver of the book insists that Colin take good care of it easier said than done when the book starts talking to you And is rude And seems to have a mind and agenda of its own But it's mostly rude to Meghan Which Colin finds funny and leave it to his sister to find a way to insult a book But talking books even rude ones should not exist Not in the real world at least Unless the world they've been living in isn't the real world or the right one But it's a world and a life that Meghan loves It's predictable And therefore somewhat controllable But for Colin it's yet another day he has to rely on his twin sister to come to his rescue But the book changes all that and gives Colin an incredible gift which he uses to stand up for himself his friends and much larger more frightening foe that should most definitely not exist in the real world And the oddities don't stop at rude books There's the new strangers in the campground who dress in fancy shoes and too warm overcoats for hiking in the woods And the unnerving sounds echoing high over the treetops Or the talking cat that jumps out of a fire Or a bird that seems to be following them And the hushed whispers of those they've always called relatives or friends

And just when they think things can't get any crazier or more unbelievable and that life is about to return to wonderful according to Meghan and boring according to Colin old normalsville a series of unbelievable events leads to an unfortunate and shocking twist and the real fantasy adventure begins *Firemancer* R.
