**Joshua E. Kastenberg**

## **Forty Six Years In The Army:**

**Forty-Six Years in the Army** John McAllister Schofield, 2023-10-04 In *Forty Six Years in the Army* by John McAllister Schofield readers are given a firsthand account of the author's experiences and perspectives on his long military career. Schofield's writing style is straightforward and precise, reflecting his military background and attention to detail. The book provides a unique insight into the inner workings of the army during the 19th century, offering valuable historical context and personal anecdotes. Schofield's meticulous descriptions of battles and military strategy showcase his profound knowledge of warfare and leadership. Through his engaging narrative, Schofield sheds light on the challenges and triumphs of a military life, making this memoir a valuable literary work. John McAllister Schofield, a prominent figure in American military history, draws upon his extensive service to pen this insightful memoir. His distinguished career, which included serving as a Major General in the Union Army during the Civil War, provides the expertise and credibility necessary to construct a compelling account of his time in the army. Schofield's deep commitment to duty and honor is evident throughout the book, making it a poignant reflection on a life dedicated to military service. I highly recommend *Forty Six Years in the Army* to readers interested in military history, personal memoirs, and the Civil War era. Schofield's narrative offers a captivating and informative look at the life of a soldier, making it a must-read for those seeking to understand the complexities of military life and leadership.

**Forty-Six Years in the Army** John M. Schofield, 2020-08-11 Reproduction of the original *Forty Six Years in the Army* by John M Schofield     **Forty-Six Years In The Army [Illustrated Edition]** Lieutenant-General John Schofield, 2015-11-06 Includes Civil War Map and Illustrations Pack 224 battle plans, campaign maps, and detailed analyses of actions spanning the entire period of hostilities. John McAllister Schofield began his very successful military career after graduating seventh from the United States Military Academy in 1853. At the outbreak of the war, Schofield first served as mustering officer for the state of Missouri, received the promotion of major of the 1st Missouri Infantry, and served as chief of staff under General Nathaniel Lyon at the battle of Wilson's Creek. In January of 1864, Schofield led the Army of the Ohio during the Atlanta Campaign under William T. Sherman. When Sherman set off on his infamous March to the Sea, Schofield and his command were left under George H. Thomas to stop the invasion of Tennessee led by Confederate General John B. Hood. On November 30, 1864, Schofield successfully repulsed John Bell Hood during the battle of Franklin and effectively crippled Hood's army. Two weeks later, during the battle of Nashville, General Thomas used Schofield and his XXIII Corps to effectively destroy what was left of Hood's army. Schofield received a promotion to brigadier in the regular army for his actions at Franklin. Schofield was again moved to fight under Sherman in North Carolina. He captured Wilmington and fought at the battle of Kinston before meeting up with Sherman on March 23, 1865, in Goldsboro. Working together with Sherman, Schofield led the Department of North Carolina until the surrender of Joseph E. Johnston at Durham Station. For his service, he was brevetted to major general in the regular army. After the war, Schofield went on to become the Secretary of War under President Johnson.

He helped with the recommendation of making a naval base a Pearl Harbor Hawaii and eventually was promoted to lieutenant general CWT Forty-six Years in the Army John MacAllister Schofield,1897 *The Blackstone of Military Law* Joshua E. Kastenberg,2009-04-23 Colonel William Winthrop singularly was the most influential person in developing the military law of the United States A half century ago the Supreme Court tendered to Winthrop the title *The Blackstone of Military Law* meaning simply that his influence outshone all others He has been cited over 20 times by the highest court and well over a 1 000 times by other federal courts state courts and legal texts In this he surpasses most other legal scholars save Joseph Story John Marshall or Felix Frankfurter But while biographies of each of these Supreme Court Justices have been written there has been none to date on Winthrop *The Blackstone of Military Law* Colonel William Winthrop is the first biography on this important figure in military and legal history Written in both a chronological and thematic format author Joshua E Kastenberg begins with Winthrop s legal training his involvement in abolitionism his military experiences during the Civil War and his long tenure as a judge advocate This biography provides the necessary context to fully appreciate Winthrop s work its meaning and its continued relevance Civil Wars and Reconstructions in the Americas Evan C. Rothera,2022-09-21 Winner of the Phi Alpha Theta Best First Book Award Winner of the Southern Indiana Civil War Roundtable Wabash Literary Prize In the latter half of the nineteenth century three violent national conflicts rocked the Americas the Wars of Unification in Argentina the War of the Reform and French Intervention in Mexico and the Civil War in the United States The recovery efforts that followed reshaped the Western Hemisphere In *Civil Wars and Reconstructions in the Americas* Evan C Rothera uses both transnational and comparative methodologies to highlight similarities and differences among the wars and reconstructions in the US Mexico and Argentina In doing so he uncovers a new history that stresses the degree to which cooperation and collaboration rather than antagonism and discord characterized the relationships among the three countries This study serves as a unique assessment of a crucial period in the history of the Americas and speaks to the perpetual battle between visions of international partnership and isolation **Forty-Six Years in the Army** John M. Schofield,2023-05-24 The Vistas of American Military History 1800-1898 Dr Brian Holden-Reid,Joseph G Dawson III,2019-01-02 A team of leading American military historians here investigate the factors that shaped the United States Army in the nineteenth century Throwing new light on its history this deeply researched book explores a multiplicity of themes These include the social structure command system and relationship with civil power which are all important in assessing its efficiency and behaviour in war and the way the army is depicted in military literature and cinema which affects its social portrait Deliberately exploring neglected themes this key work includes discussion on the roles of the many volunteer colonels in the Mexican War 1846 48 Robert Wettemann and the alleged isolation of the US Army in the nineteenth century John Ford s famous cavalry trilogy of motion pictures Containing so much food for thought for students of US history and military history this is an entertaining as well as instructional book George Thomas

Christopher J. Einolf, 2012-11-09 One of the North's greatest generals the Rock of Chickamauga Most Southerners in the U.S. Army resigned their commissions to join the Confederacy in 1861 But at least one son of a distinguished slaveholding Virginia family remained loyal to the Union George H. Thomas fought for the North and secured key victories at Chickamauga and Nashville Thomas's wartime experiences transformed him from a slaveholder to a defender of civil rights Remembered as the Rock of Chickamauga Thomas became one of the most prominent Union generals and was even considered for overall command of the Union Army in Virginia Yet he has been eclipsed by such names as Grant Sherman and Sheridan Offering vivid accounts of combat Einolf depicts the fighting from Thomas's perspective to allow a unique look at the real experience of decision making on the battlefield He examines the general's recurring confrontations with the Union high command to make a strong case for Thomas's integrity and competence even as he exposes Thomas's shortcomings and poor decisions The result is a more balanced nuanced picture than has previously been available Probing Thomas's personal character Einolf reveals how a son of the South could oppose the views of friends and family George Thomas Virginian for the Union offers a fresh appraisal of an important career and lends new insight into the inner conflicts of the Civil War John M. Schofield and the Politics of Generalship Donald B. Connelly, 2006-12-08 In the first full biography of Lieutenant General John McAllister Schofield 1831-1906 Donald B. Connelly examines the career of one of the leading commanders in the western theater during the Civil War In doing so Connelly illuminates the role of politics in the formulation of military policy during both war and peace in the latter half of the nineteenth century Connelly relates how Schofield as a department commander during the war had to cope with contending political factions that sought to shape military and civil policies Following the war Schofield occupied every senior position in the army including secretary of war and commanding general of the army and became a leading champion of army reform and professionalism He was the first senior officer to recognize that professionalism would come not from the separation of politics and the military but from the army's accommodation of politics and the often contentious American constitutional system Seen through the lens of Schofield's extensive military career the history of American civil military relations has seldom involved conflict between the military and civil authority Connelly argues The central question has never been whether to have civilian control but rather which civilians have a say in the formulation and execution of policy **Personal Reminiscences and Recollections of Forty-six Years' Membership in the Medical Society of the District of Columbia and Residence in this City** Samuel Clagett Busey, 1895 **The 1864 Franklin-Nashville Campaign** Michael Thomas Smith, 2014-07-15 This appealing narrative history of one of the Civil War's most pivotal campaigns analyzes how the western Confederate army under John B. Hood suffered a devastating defeat at the hands of George H. Thomas's Union forces Ideal for general readers interested in military history of the Civil War as well as those concentrating on the western campaigns The 1864 Franklin Nashville Campaign The Finishing Stroke examines how the strategic and tactical decisions by Confederate and Union commanders contributed to the smashing Northern

victories in Tennessee in November December 1864 The book also considers the conflict through the lens of New Military History including the manner in which the battles both affected and were affected by civilian individuals the environment and common soldiers such as Confederate veteran Sam Watkins The result of author Michael Thomas Smith s extensive research into the Civil War and his recognition of inadequate coverage of the final western campaigns in the existing literature this work serves to rectify this oversight The book also questions the concept of the outcome of the Civil War as being essentially attributable to superior Northern organization and management the organized war to victory theory as termed by its proponents

*Theater of a Separate War* Thomas W. Cutrer, 2023-04-04 Though its most famous battles were waged in the East at Antietam Gettysburg and throughout Virginia the Civil War was clearly a conflict that raged across a continent From cotton rich Texas and the fields of Kansas through Indian Territory and into the high desert of New Mexico the Trans Mississippi Theater was site of major clashes from the war s earliest days through the surrenders of Confederate generals Edmund Kirby Smith and Stand Waite in June 1865 In this comprehensive military history of the war west of the Mississippi River Thomas W Cutrer shows that the theater s distance from events in the East does not diminish its importance to the unfolding of the larger struggle

Fallen Leaders Chris Mackowski, 2023-07-15 Fallen Leaders Favorite Stories and Fresh Perspectives from the Historians at Emerging Civil War recounts the fall of some of the most famous infamous and underappreciated commanders from both the North and South The Civil War took as many as 720 000 lives and maimed hundreds of thousands more The fallen included outstanding leaders on both sides from a U S president all the way down the ranks to beloved regimental commanders Abraham Lincoln Stonewall Jackson and John Reynolds remain well known and even legendary Others like Confederate cavalry commander Earl Van Dorn remain locked in infamy The deaths of army commanders Albert Sidney Johnston and James McPherson and regimental leader Col Elmer Ellsworth the first Union officer killed left more questions than answers about unfulfilled potential and lost opportunities Thousands more have faded into historical obscurity Others fell not from death or wounds but because of their own missteps or misdeeds their reputations ruined forever Theirs are falls from grace This collection of essays by a host of writers brings together the best scholarship from Emerging Civil War s blog symposia and podcast all of which have been revised updated and footnoted The collection also contains several original pieces written exclusively for Emerging Civil War s 10th Anniversary Series Expect new angles on familiar stories about high profile figures Meet leaders whose stories you might not know but whose losses were felt as deeply personal tragedies by those around them This collection sheds new light and insight on some of the most significant casualties of the conflict the fallen leaders whose deaths injuries and disgraces changed the Civil War

*The role of federal military forces in domestic disorders, 1877-1945* Clayton D. Laurie, 1997-07-15 CMH 30 15 Army Historical Series 2nd of three planned volumes on the history of Army domestic support operations This volume encompasses the period of the rise of industrial America with attendant social dislocation and strife Major themes are the evolution of the Army s role in domestic

support operations its strict adherence to law and the disciplined manner in which it conducted these difficult and often unpopular operations      The Role of Federal Military Forces in Domestic Disorders, 1877-1945 Clayton David Laurie, Ronald H. Cole, 1997 Published in 1904 this forgotten classic is sci fi and dystopia at its best written by the creator and master of the genre Following extensive research in the field of growth Mr Bensington and Professor Redwood light upon a new mysterious element a food that causes greatly accelerated development Initially christening their discovery The Food of the Gods the two scientists are overwhelmed by the possible ramifications of their creation Needing room for experiments Mr Besington chooses a farm that offers him the chance to test on chickens which duly grow monstrous six or seven times their usual size With the farmer Mr Skinner failing to contain the spread of the Food chaos soon reigns as reports come in of local encounters with monstrous wasps earwigs and rats The chickens escape leaving carnage in their wake The Skinners and Redwoods have both been feeding their children the compound illicitly their eventual offspring will constitute a new age of giants Public opinion rapidly turns against the scientists and society rebels against the world s new flora and fauna Daily life has changed shockingly and now politicians are involved trying to stamp out the Food of the Gods and the giant race Comic and at times surprisingly touching and tragic Wells story is a cautionary tale warning against the rampant advances of science but also of the dangers of greed political infighting and shameless vote seeking      **Armed Diplomacy: Two Centuries of American Campaigning ,      How the Telegraph Changed the World** William J. Phalen, 2014-12-03 Invented in the 1830 s the telegraph soon became indispensable By 1851 there were more than 50 companies providing telegraphic service in the United States alone The telegraph played a pivotal role in warfare beginning with the American Civil War featured prominently in the creation of the first large American corporation Western Union and made possible long distance communication with the laying of the transatlantic cable This book describes the global impact of the telegraph from its advent to its eventual eclipse by the telephone four decades later      Annual Report ... **The Abridgment** United States. President, 1888

## Embracing the Song of Term: An Emotional Symphony within **Forty Six Years In The Army**

In a global eaten by screens and the ceaseless chatter of immediate conversation, the melodic elegance and psychological symphony produced by the written term often disappear in to the background, eclipsed by the relentless sound and distractions that permeate our lives. However, nestled within the pages of **Forty Six Years In The Army** a stunning fictional prize overflowing with natural feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that charming masterpiece conducts viewers on a mental journey, skillfully unraveling the concealed melodies and profound affect resonating within each cautiously constructed phrase. Within the depths of the emotional evaluation, we can examine the book is main harmonies, analyze its enthralling publishing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
