

"A book at once scholarly and dramatic; without it neither the history of modern Germany nor the First World War can be adequately understood."
—Fritz Stern, Columbia University

Fritz Fischer

Germany's Aims in the First World War

with an introduction by Hajo Holborn

Germanys Aims In The First World War

Fritz (Historiker) Fischer

Germanys Aims In The First World War:

Germany's Aims in the First World War Fritz Fischer, 1967 This professor's great work is possibly the most important book of any sort probably the most important historical book certainly the most controversial book to come out of Germany since the war It had already forced the revision of widely held views in Germany's responsibility for beginning and continuing World War 1 and of supposed divergence of aim between business and the military on one side and labor and intellectuals on the other

Germany's aims in the first world war Fritz (Historiker) Fischer, 1967 *World Power Or Decline* Fritz Fischer, 1975 History and Strategy Marc Trachtenberg, 2020-09-01 This work is a powerful demonstration of how historical analysis can be brought to bear on the study of strategic issues and conversely how strategic thinking can help drive historical research Based largely on newly released American archives *History and Strategy* focuses on the twenty years following World War II By bridging the sizable gap between the intellectual world of historians and that of strategists and political scientists the essays here present a fresh and unified view of how to explore international politics in the nuclear era The book begins with an overview of strategic thought in America from 1952 through 1966 and ends with a discussion of making sense of the nuclear age Trachtenberg reevaluates the immediate causes of World War I studies the impact of the shifting nuclear balance on American strategy in the early 1950s examines the relationship between the nuclearization of NATO and U S West European relations and looks at the Berlin and the Cuban crises He shows throughout that there are startling discoveries to be made about events that seem to have been thoroughly investigated *The Origins of the First World War* James Joll, Gordon Martel, 2013-11-05 James Joll's study is not simply another narrative retracing the powder trail that was finally ignited at Sarajevo It is an ambitious and wide ranging analysis of the historical forces at work in the Europe of 1914 and the very different ways in which historians have subsequently attempted to understand them The importance of the theme the breadth and sympathy of James Joll's scholarship and the clarity of his exposition have all contributed to the spectacular success of the book since its first appearance in 1984 Revised by Gordon Martel this new 3rd edition accommodates recent research and an expanded further reading section

The First World War Hew Strachan, 2003-02-06 This is the first truly definitive history of the First World War the war that has done most to shape the twentieth century The first generation of its historians had access to only a limited range of sources and their focus was primarily on military events More recent approaches have embraced cultural diplomatic economic and social history In Hew Strachan's authoritative and readable history these fresh perspectives are incorporated with the military and strategic narrative The result is an account that breaks the bounds of national preoccupations to become both global and comparative To Arms the first of three volumes in this magisterial study examines not only the causes of the war and its opening clashes on land and sea but also the ideas that underpinned it and the motivations of the people who supported it It provides full and pioneering accounts of the war's finances of the war in Africa and of the Central Powers bid to widen the war outside Europe

Germany's Aims in the First World War ; with an Introduction by James Joll Friedrich Fischer,1967 **The Great War** John Howard Morrow,2004 Includes index bibliography p 333 347 **The Entourage of Kaiser Wilhelm II, 1888-1918** Isabel V. Hull,2004-07-08 This volume analyzes the entourage of the last German Kaiser to explain the peculiar decisions taken by Germany's leaders from 1888 to 1918 **The First World War: To arms** Hew Strachan,2001 Contents Vol 1 To arms **Imperial Germany and the Great War, 1914-1918** Roger Chickering,2004-05-06 This important contribution to the successful textbook series New Approaches to European History explores the comprehensive impact of the First World War on Imperial Germany It examines military aspects of the conflict as well as the diplomacy government politics and industrial mobilization of wartime Germany Unlike other existing surveys however Roger Chickering also offers a rich portrait of life on the home front the pervasive effects of total war on wealthy and poor men and women young and old farmers and city dwellers Protestants Catholics and Jews This excellent well illustrated study of the military political and socio economic effects of the First World War is essential reading for all students of German and European history as well as for those interested in the history of war and society Now appearing in a second edition first published in 2004 this accessible book reflects important scholarship in the field and boasts an expanded and revised bibliography **Germany's Aims in the First World War** Friedrich Fischer,1967 **HOW HITLER CAME TO POWER** Sara Moore,2006-01-27 How Hitler came to Power describes how what amounted to a conspiracy of German military and industrial cliques and in particular members of the pre First World War Pan German League manipulated Allied leaders and misrepresented the Treaty of Versailles to further their ambitions It was they who created the conditions which let Hitler come to power Economic historian Sara Moore is the author of Peace without Victory for the Allies 1918 1932 Berg 1994 In her new book she skilfully details how America and the Allies failure to secure an unconditional surrender allowed factions within the German ruling elites to portray their country's military defeat as a stab in the back by weak liberal politicians They shared beliefs in Bismarck's legacy of blood and iron the ideology of the master race and Germany's destiny as a world power Millions had voted for democracy and pacifism in 1928 This angered members of the Pan German League such as newspaper magnate Alfred Hugenberg and his former employer Gustav Krupp The pursued their nefarious schemes to undermine the Weimar Republic with zero regard for the human cost Real Politik ruled Moore reveals that Germany was world's largest exporter in 1931 and its Reichsbank full of funds when it pointed to the misery of its people and asked for a moratorium on its reparations payments Foreigners worried about Germany's huge number of unemployed and feared that the country would be overcome by Bolshevism but their fears were groundless because unknown to them Krupp had secretly concluded a contract in which he agreed to assist Stalin in modernising his armed forces provided that Stalin ordered the German Communists to vote with the extreme Right instead of the Left in the German Reichstag Krupp also helped Stalin create and organise giant collectives to pay for his weaponry Demoralised by taxation mass unemployment and misinformation the

German people finally lost their faith in democracy and in 1932 voted to support Hitler Only a short time later Hindenburg allowed him to become dictator Yet Krupp Hugenberg and the Pan Germans who helped Hitler s rise to power seem to have escaped censure for eighty years *German Policy Toward Neutral Spain, 1914-1918 (RLE The First World War)* Ron Carden,2014-04-24 This volume describes and analyses the methods Germany used to reinforce Spain s independence thereby preventing Madrid s entry into the war on the Allied side While there have been many studies dealing with the wartime economic histories of Holland Switzerland Denmark and Iceland Spain physically large and strategically situated has been largely ignored with little American study of Spanish relations with the European belligerents having been done Particular attention is paid to the forceful personality of Spanish King Alfonso XIII who shrewdly used his special friendship with Kaiser Wilhelm II for Spanish profit he remained a Francophile who shrewdly manipulated the Germans into thinking he favoured their side At the same time Alfonso fended off the embrace of the Entente *World Power Or Decline* Fritz Fischer,1974-01-01 *Griff Nach Der Weltmacht. Germany's Aims in the First World War, Etc* Dr. Fritz FISCHER,1967

The Outbreak of the First World War Hew Strachan,2004 Professor Strachan brings his trademark clarity of thought and lucid expository style to bear on the long contested ground of the causes of the First World War **Germany, 1914-1933** Matthew Stibbe,2013-12-19 Germany 1914 1933 Politics Society and Culture takes a fresh and critical look at a crucial period in German history Rather than starting with the traditional date of 1918 the book begins with the outbreak of the First World War in 1914 and argues that this was a pivotal turning point in shaping the future successes and failures of the Weimar Republic Combining traditional political narrative with new insights provided by social and cultural history the book reconsiders such key questions as How widespread was support for the war in Germany between 1914 and 1918 How was the war viewed both from above by leading generals admirals and statesmen and from below by ordinary soldiers and civilians What were the chief political social economic and cultural consequences of the war In particular did it result in a brutalisation of German society after 1918 How modern were German attitudes towards work family sex and leisure during the 1920s What accounts for the extraordinary richness and experimentalism of this period The book also provides a thorough and comprehensive discussion of the difficulties faced by the Weimar Republic in capturing the hearts and minds of the German people in the 1920s and of the causes of its final demise in the early 1930s **Leaders and Legacies in**

Assyriology and Bible David B. Weisberg,2013-01-18 David Weisberg became fascinated by Assyriology as an undergraduate at Columbia University Already endowed with a strong background in Hebraica he soon came to know that he needed the deeper immersion of a graduate program and he enrolled at Yale to pursue it David s interests soon focused on the Chaldean Dynasty of Nebuchadnezzar and the Achaemenid Dynasty of Cyrus the Great Weisberg s thesis succeeded in illuminating the wider significance of some previously unpublished cuneiform texts from this period as well as earning him the doctorate The thesis appeared in the recently established Yale Near Eastern Researches 1967 under the somewhat

daunting title *Guild Structure and Political Allegiance in Early Achaemenid Mesopotamia* and David's career was launched. Weisberg's oeuvre as exemplified by the nearly three dozen essays conveniently assembled in this volume attest both to his prodigious industriousness and to the loss that the field of Assyriology has suffered in his untimely demise. As is clear from the Table of Contents he continued to make major contributions to the study of the Neo-Babylonian period especially regarding political and military history and the doings of ancient royals but he also offered seminal insights in other areas including Masoretic studies, rabbinics, social and economic life of the ancient Near East as well as the interface between modern culture and study of the ancient world. Based on W. W. Hallo's Introduction *A Companion to International History 1900 - 2001* Gordon Martel, 2010-03-29. A comprehensive overview of the most important international events, movements and controversies of the 20th century. Written by distinguished scholars, each an authority in their field. Explores influential underlying themes such as imperialism, nationalism, internationalism, technological developments and changes in diplomatic methods. Addresses a broad range of topics including diplomacy of wartime and peacemaking, the cold war era and the new world order, the end of European empires, the rise of nationalism in the Third World, globalization and terrorism. Chronological organization makes the volume easily accessible. Includes useful guides for further reading and research.

Fuel your quest for knowledge with is thought-provoking masterpiece, Explore **Germanys Aims In The First World War** . Germany's Aims In The First World War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Germany's Aims In The First World War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Germany's Aims In The First World War has opened up a world of possibilities. Downloading Germany's Aims In The First World War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Germany's Aims In The First World War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Germany's Aims In The First World War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Germany's Aims In The First World War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Germany's Aims In The First World War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Germany's Aims In The First World War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Germanys Aims In The First World War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Germanys Aims In The First World War is one of the best book in our library for free trial. We provide copy of Germanys Aims In The First World War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Germanys Aims In The First World War. Where to download Germanys Aims In The First World War online for free? Are you looking for Germanys Aims In The First World War PDF? This is definitely going to save you time and cash in something you should think about.
