hotheaded impulsiveness and an addictive personality capable of exploding into rage under the influence of drink or strong passions Zola keeps his theorizing in the background and his motivations are much more natural as a result He embraces socialist principles reading large amounts of working class movement literature and fraternizing with Souvarine a Russian anarchist and political migrant who has also come to Montsou to seek a living in the pits Zola's simplistic understanding of socialist politics and their rousing effect on him are very reminiscent of the rebel Silv' re in the first novel in the cycle *La Fortune des Rougon* 1871
