Gesundheitsverantwortung Zwischen Markt Staat Interdisziplin Re:

Zur Eigenverantwortung gesetzlich krankenversicherter Personen Philipp Glockemann, Eigenverantwortung ist ein zentrales Thema des rechtswissenschaftlichen und politischen Diskurses zur GKV wobei der Begriff nur in zwei Normen des SGB V erwähnt wird Die Folge ist ein autonomer jedoch undefinierter Eigenverantwortungsbereich Die Dissertation untersucht zunächst den Begriff selbst und konkretisiert dessen materielle Bedeutung Anschließend werden Normen des SGB V mit Blick auf die Beziehung zwischen Eigenverantwortungspostulat und Versichertenstellung analysiert Basierend auf diesen Erkenntnissen werden Konzepte zur Stärkung von Eigenverantwortung im Recht der GKV vorgestellt und diskutiert

Gesundheitliche Eigenverantwortung im Kontext der Lebensspanne Peter Enste, 2018-07-25 Peter Enste zeigt dass ältere Menschen ihre gesundheitliche Eigenverantwortung sehr hoch einschätzen und diese als innere Einstellung beschreiben im Rahmen ihrer Möglichkeiten das Beste zu tun um ihren Gesundheitszustand positiv zu beeinflussen Gleichzeitig ergeben sich unterschiedliche Attributionsmuster Mit abnehmendem Gesundheitszustand wird meist ein Teil der Verantwortung an andere Akteure z B Hausarzt soziales Umfeld übertragen Der Autor liefert konkrete Hinweise dass in den Debatten um die Zukunft des Sozialstaats eine bloße Reduzierung des Begriffes Eigenverantwortung auf zusätzliche finanzielle Eigenbeteiligung gerade vor dem Hintergrund einer immer älter werdenden Gesellschaft nicht tragfähig ist

Krankheitserfahrung und Religion Thorsten Moos, 2018-03-27 English summary Dealing with illness has always played an important role in the history of Christianity In contrast though current Protestant theology is clearly uneasy with the issue In light of this Thorsten Moos undertakes a comprehensive systematic theological study of the fundamental problems of dealing with illness Starting with insights from philosophical anthropology and phenomenology medical philosophy sociology and cultural studies he analyses religiously significant frameworks of how illness is experienced which can be understood with the help of central theological topoi In this way the biographical sense of illness the dignity of the sufferer the hope for health and individual care of the ill are revealed as concerns of religious practice as well as of dogmatic and ethical reflection The author thus also makes a contribution to topical issues of medical and care ethics

German description Der Umgang mit Krankheit hat christentumsgeschichtlich immer eine wichtige Rolle gespielt In der gegenwertigen protestantischen Theologie zeigt sich hingegen gegenüber dem Krankheitsthema ein deutliches Unbehagen Angesichts dessen unternimmt Thorsten Moos eine umfassende systematisch theologische Analyse von Grundproblemen des Umgangs mit Krankheit Ausgehend von Einsichten philosophischer Anthropologie und Phänomenologie Medizinphilosophie Soziologie und Kulturwissenschaften analysiert er religionsvalente Grundstrukturen der Krankheitserfahrung Diese lassen sich mit Hilfe zentraler theologischer Topoi verstehen Auf diese Weise werden der biographische Sinn von Krankheit die Würde Kranker die Hoffnung auf Gesundheit und die individuelle Sorge für Kranke als Belange der religiösen Praxis wie auch der dogmatischen und ethischen Reflexion erschlossen Damit leistet der Autor auch einen Beitrag zu aktuellen medizin und pflegeethischen Fragestellungen

Kapitalismuskritik im Christentum Matthias Casper, Karl Gabriel, Hans-Richard Reuter, 2016-08-11 Geht man der Frage nach wo die geistigen Wurzeln der sozialen Marktwirtschaft liegen st t man auf die Kapitalismuskritik die in den 1920er und 1930er Jahren gerade auch seitens der christlichen Konfessionen ge bt wurde In diesem Buch werden die Positionen wichtiger Protagonisten und Vordenker dieser Denkrichtung analysiert Paul Tillich Georg W nsch Karl Barth Oswald von Nell Breuning und Joseph H ffner Daneben zeigt der Band exemplarisch inwieweit die protestantische Sozialethik und die katholische Soziallehre Einfluss auf die Wirtschaftsordnung der Bundesrepublik genommen haben **Dirty Drugs** Klaus Ferdinand Gärditz, 2022-11-17 Psychische Erkrankungen gehören epidemiologisch weltweit zu den verbreitetsten Krankheitsrisiken Psychopharmaka prägen unsere Gesellschaft stärker als uns dies bewusst ist Gleichwohl ist der rechtliche Rahmen der psychopharmakologischen Forschung und Therapie fragmentiert sowie teils von vorrationalen Pfadabhängigkeiten geprägt Die vorliegende Untersuchung geht von der Geschichte der wissenschaftlichen Psychopharmakologie sowie den neurochemischen Wirkungsmechanismen typischer Psychopharmaka aus Klaus Ferdinand Gärditz analysiert die wildwuchsigem Regelungsstrukturen und die damit verbundenen Wechselwirkungen zwischen Pharmakologie Gesellschaft und Recht als institutionelle Herrschaftspraxis Naturwissenschaftliches Wissen prägt einerseits das Recht reziprok prägen aber auch die Symboliken und Steuerungsinstrumente des Rechts die Entstehung von sowie den Umgang mit naturwissenschaftlichem Wissen Pharmakologische Wissensgenerierung hat eine markante Eigengeschichtlichkeit die erst aufzeigt wie überhaupt Regelungsbedürfnisse entstanden sind und wie eine Gesellschaft die Recht instrumentell zur sozialen Zielerreichung einsetzt Psychopharmaka und ihre Erforschung in der Zeit wahrgenommen hat Eine kontextsensible Reflexion des Rechts der psychotropen Stoffe vom Betaubungsmittelrecht über das Arzneimittelrecht bis zum verfassungsrechtlichen Rahmen scheint gerade auch deshalb angezeigt weil Legalisierungs und Liberalisierungsdebatten wieder an Fahrt aufnehmen aber weitgehend konzeptlos bleiben **Die soziale Macht des Christlichen** Karl Gabriel, 2024-04-10 Die religiöse Macht des Christentums und der Kirchen ist in Deutschland und Westeuropa im Schwinden begriffen Als soziale Macht bleibt das Christliche aber ein relevanter gesellschaftlicher Faktor Charismatische Persönlichkeiten haben im 19. Jahrhundert soziale Einrichtungen ins Leben gerufen die bis heute zum Rückgrat der freien Wohlfahrtspflege in Deutschland zu rechnen sind Zudem lassen sich viele Besonderheiten des deutschen Sozialstaats etwa die zentrale Rolle der Sozialversicherungen nicht erklären ohne die Konfessionen und ihre Pluralität in den Blick zu nehmen Karl Gabriel geht in diesem Buch den christlichen Wurzeln des Wohlfahrtsstaats nach und fragt ob es ein von den religiösen Traditionen geprägtes europäisches Sozialmodell gibt das sich von den außereuropäischen Staaten in typischer Weise unterscheidet **Ressortforschung** A. Katarina Weilert, 2022-10-14 Ressortforschung befähigt den Staat die von ihm wahrgenommenen Aufgaben in Rückbindung zum Stand der Wissenschaft und Forschung auszuüben A Katarina Weilert analysiert umfangreich die begriffliche und funktionale Bestimmung der Ressortforschung und stellt

zusammenhangend die institutionellen Ausprägungen und rechtlichen Strukturen der Ressortforschung in der Bundesrepublik Deutschland und der Europäischen Union sowie im Europäischen Verwaltungsverbund. Ein besonderen Schwerpunkt legt sie dabei auf den Bereich staatlicher und unionsrechtlicher Gesundheitsverantwortung. Für die Ressortforschung insgesamt wird die Spannung zwischen staatlicher bzw. supranationaler Einbindung und Forschungsfreiheit rechtlich neu konturiert und gleichzeitig ein Beitrag zur objektiv rechtlichen Funktion der Grundrechte geleistet. Dabei zeigt die Autorin die Geltung eines verfassungsrechtlichen und unionsrechtlichen Verbots der Legitimationsforschung auf und untermauert dieses argumentativ. Ressortforschung dient dem Rationalitätsgewinn nur solange der Charakter freier Forschung nicht überformt wird.

Zwischen Ungleichheit und Gerechtigkeit Frank Mathwig, Torsten Meireis, Melanie Werren, 2019-07-15. Gerechtigkeit ist ein zentraler Wert in Politik und Gesellschaft. Trotzdem ist sie im Hinblick auf ihren Gehalt und ihre Reichweite höchst umstritten. Die Autorinnen und Autoren diskutieren grundlegend ethische und konkret praktische Fragen der Gerechtigkeit in Bezug auf Gesundheitswesen, Medizin, Pflegebeziehungen und Biotechnologien. Wie sieht eine gerechte Verteilung knapper Ressourcen in der Gesundheitsversorgung aus? Was sind die ethischen Grundlagen und worauf zielt eine gerechte Verteilung von Gesundheitsleistungen? Welche besonderen Problemstellungen zur Frage der Gerechtigkeit ergeben sich im Verlauf eines menschlichen Lebens? In welchem Verhältnis stehen Gerechtigkeitsfragen zu anderen Themen der Medizin, Bio- und Pflegeethik?

Gerechtigkeit leben Doris Hiller, Christof Landmesser, 2018-03-01. Gerechtigkeit ist konkret. Sie steht für die Gestaltung von Lebensvollzügen und Beziehungsverhältnissen. Darum bedarf das Gespräch über das Thema Gerechtigkeit der immer neuen Anregungen aus den vielfältigsten Lebensperspektiven und Denktraditionen. So kann es gelingen, Gerechtigkeit als hermeneutisch verantwortete Konkretion des Christusglaubens zu leben. Den im Vorjahr begonnenen Diskurs um das Verstehen von Gerechtigkeit setzt die 19. Jahrestagung der Rudolf Bultmann Gesellschaft für Hermeneutische Theologie e.V. mit dem Thema Gerechtigkeit leben fort. Der Sammelband dokumentiert die Ergebnisse der Tagung. Anlässlich der Gründung des Arbeitskreises um die Alten Marburger vor 90 Jahren bietet dieser Band auch einen Einblick in die Vorgeschichte der Rudolf Bultmann Gesellschaft für Hermeneutische Theologie. Mit Beiträgen von Lukas Bormann, Christian Stöblein, Ute Mennecke, Johannes Eurich, Rochus Leonhardt, Jörg Kinzig, Konrad Hammann, Bernd Wildemann. Living Justice: Concretion of Faith in Nowadays World. Justice is concrete. It means the formation of life contexts and relationships. Therefore the discussion on the subject justice always needs new ideas from the most diverse life perspectives and intellectual traditions. That way it will be possible to live out justice as a hermeneutically accountable concretion of the Christian faith. Under the theme Living Justice the 19th Annual Meeting of the Rudolf Bultmann Society for Hermeneutical Theology continues the discourse on the understanding of justice which has been launched the previous year. The present volume documents the results of the meeting. On the occasion of the foundation of the working group of the old Marburgians 90 years ago this volume offers also

an insight into the pre history of the Rudolf Bultmann Society for Hermeneutical Theology *Diakonie* Johannes Eurich, Heinz Schmidt, 2016-09-12 Der Band *Diakonie* bietet eine solide Einführung in die biblisch theologischen Grundlagen sowie gegenwärtigen Diskurse im Bereich der Diakonie. Konzentriert auf den neuesten Stand der Forschung und die aktuellen Herausforderungen der Praxis ist er ein unentbehrlicher Begleiter für alle die sich für das diakonische Handeln der Kirche interessieren. Kirchliches Engagement, zivilgesellschaftliche Einbindung und unternehmerische Strukturen bilden drei große thematische Zugänge um diakonisches Handeln heute verstehen zu können. In der geschichtlichen Herleitung wird besonders die Armutsfrage als Herausforderung christlicher Nächstenliebe begriffen. Experten aus der Praxis geben einen Überblick über einzelne Handlungsfelder und internationale Entwicklungen. Jedes Kapitel eröffnet Impulse zur Weiterarbeit. Zusätzlich ist eine Skizze zur Diakoniewissenschaft als Wissenschaft enthalten. Der Band eignet sich daher gut als Studienbuch für Praxis und Ausbildung. Seine fundierten Orientierungen vermitteln das heute notwendige Wissen über die Diakonie als eines der größten kirchlichen Engagement Felder in der Gesellschaft.

Europa dei valori. Primo rapporto ACEV Paolo De Carli, 2022-10-25 impressionante la convergenza fra i diritti dei paesi UE nella tutela dei valori giuridici fondamentali certamente dimostrazione del frutto di una ineguagliata civiltà giuridica. La tematica dei valori nel presente volume applicata ai valori della persona, della dignità umana, della vita, della libertà e della solidarietà, tuttavia è stranamente poco sentita a livello pubblico anche se qualche accenno ad una valorizzazione del patrimonio culturale UE e di una memoria culturale comune si può trovare nelle recenti calls for proposal dei fondi di ricerca comunitari. Ma in un momento in cui o si fa un Europa dei valori o non si fa nessuna Europa perché i collanti degli interessi materiali sono troppo fragili e troppo divisivi occorre riprendere questo discorso: quello che fa il gruppo di studiosi coordinato dal prof. Paolo De Carli che propone qui un primo rapporto del suo lavoro sotto il titolo di rapporto ACEV dal nome dell'Associazione culturale creata ad hoc.

Gesundheitsverantwortung zwischen Markt und Staat A. Katarina Weilert, 2015 Scientists from different disciplines answer fundamental questions on the relationship between public health care and individual responsibility. The German public health care system and the increasingly advocated market oriented approach are examined and critically scrutinised as one of the major challenges of modern times. The analysis begins with a definition of health then explores the interdependence of statehood and healthcare as well as the provisions of international law and goes on to discuss how healthcare is organised between economy and state. The investigation of the Constitutional framework, the economic conditions, the role of Diakonie and the special character of the doctor-patient relationship are crucial for the following discussion of solidarity, individual responsibility and distributive justice. Individual responsibility is contrasted against the background of social inequality in the context of philosophical and legal concepts of justice and Christian Social Ethics.

As recognized, adventure as with ease as experience just about lesson, amusement, as competently as arrangement can be gotten by just checking out a ebook **Gesundheitsverantwortung Zwischen Markt Staat Interdisziplin Re** plus it is not directly done, you could recognize even more vis--vis this life, re the world.

We allow you this proper as with ease as easy mannerism to get those all. We have enough money Gesundheitsverantwortung Zwischen Markt Staat Interdisziplin Re and numerous books collections from fictions to scientific research in any way. along with them is this Gesundheitsverantwortung Zwischen Markt Staat Interdisziplin Re that can be your partner.
