The Chronicles of Sekhmet on Olmecra Z. P. Foy,2017-11-11 Goddess Sekhmet is a Legendary Lioness Woman tasked with raising the vibrational energies of humans on a specific part of the Earth Without the elevation in vibrations Earth will not be able to ascend with the other planets in the galaxy She is Super Woman rolled up into Mother Nature The Matriarchy of the Kemetite Pantheon and Cosmic Goddesses are the protagonist of the book displaying their best nurturing attributes The story is being told from a divine feminine perspective in a way Goddess Sekhmet is not traditionally typified For those who study the Ancient Egyptians and or Kemet metaphors will develop into myth And for those who are new to the subject matter the interaction of the immortals with humans will encourage readers to seek what is seeking them This novella is unique in that few stories are dedicated to the African Cosmic Pantheon as compared to books popularized by Greek and Roman mythology Book One is written as the first of a series of seven novellas that chronicle how the Goddess Sekhmet gets Earth to ascend The stories may seem controversial to some but are non confrontational The main antagonist is Systematic Internal Societal Illness SISI And the story line is never meant to accuse anyone or any group of people What is emphasized is the misuse of spirituality and the decline of the human condition Overall the concept of Personal Agency is encouraged so the reader expands their thoughts on their individual journey and how their purpose fits in the Universe

Historical Dictionary of the Tamils Vijaya Ramaswamy,2017-08-25 The Tamils have an unbroken history of more than two thousand years Tamil the language they speak is one of the oldest living languages in the world The only people comparable to the Tamils in terms of their hoary past and vibrant present would be the Jews with one marked difference The Tamils have always had their homeland Tamilaham alternately pronounced and spelt Tamizhaham known today as Tamil Nadu which to them represents their mother and is revered by them as Tamizh Tai literally Tamil Mother This is in striking contrast to the Jews who have been through a long and arduous struggle to gain their homeland a deeply contested site to this day with Hebrewisation of Israel being a key marker of Jewish identity in the region Tamils by contrast have a clear numerical majority in the region that now comprises Tamil Nadu and the language unites rather than divides adherents of different faiths The second edition of Historical Dictionary of the Tamils contains a chronology an introduction and an extensive bibliography The dictionary section has over 600 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about the Tamils

Being Nixon Evan Thomas,2016-03-08 The landmark New York Times bestselling biography of Richard M Nixon a political savant whose gaping character flaws would drive him from the presidency and forever taint his legacy A biography of eloquence and breadth No single volume about Nixon s long and interesting life could be so comprehensive Chicago Tribune One of Time s Top 10 Nonfiction Books of the Year In this revelatory biography Evan Thomas delivers a radical unique portrait of America s thirty seventh president Richard Nixon a

contradictory figure who was both determinedly optimistic and tragically flawed One of the principal architects of the modern Republican Party and its silent majority of disaffected whites and conservative ex Dixiecrats Nixon was also deemed a liberal in some quarters for his efforts to desegregate Southern schools create the Environmental Protection Agency and end the draft The son of devout Quakers Richard Nixon not unlike his rival John F Kennedy grew up in the shadow of an older favored brother and thrived on conflict and opposition Through high school and college in the navy and in politics Nixon was constantly leading crusades and fighting off enemies real and imagined He possessed the plainspoken eloquence to reduce American television audiences to tears with his career saving Checkers speech meanwhile Nixon s darker half hatched schemes designed to take down his political foes earning him the notorious nickname Tricky Dick Drawing on a wide range of historical accounts Thomas s biography reveals the contradictions of a leader whose vision and foresight led him to achieve détente with the Soviet Union and reestablish relations with communist China but whose underhanded political tactics tainted his reputation long before the Watergate scandal A deeply insightful character study as well as a brilliant political biography Being Nixon offers a surprising look at a man capable of great bravery and extraordinary deviousness a balanced portrait of a president too often reduced to caricature Praise for Being Nixon Terrifically engaging a fair insightful and highly entertaining portrait The Wall Street Journal Thomas has a fine eye for the telling quote and the funny vignette and his style is eminently readable The New York Times Book Review Clear Your Clutter Kate Emmerson,2016-01-25 A practical no nonsense book that teaches you the WHY and the HOW of ridding yourself of emotional physical and body clutter A holistic approach with takeaways that make this book a guide for permanent change **The Ocean Lord** Angela Russell,2016 *Atavus Falls* William T. Delamar,2016-08-13 The Brother Voice William T. Delamar,2016-08-08 Sel and Hol Danner identical twin brothers who can exchange thoughts without actually speaking grow up together in Frederick Maryland When the American Civil War breaks out they separate for the first time in their lives Sel fights for the North because he hates slavery Hol fights for the South because it s home Cora Dee Soyer who loves them both can t pray for either side because that would be praying against one of the boys The boys discover they can no longer think to each other until the two sides meet at the Battle of the Monocacy at their home town Brother against brother is real and reflects actual history The changes in their lives reflect the massive transformation in all lives during this period of American history It s as though the world is turned upside down with things never being as they were **Rubrics, Images and Indulgences in late Medieval Netherlandish Manuscripts** Kathryn M. Rudy,2016-11-28 What role did images play in the mania for indulgences during the decades prior to the Protestant Reformation Rubrics Images and Indulgences in Late Medieval Netherlandish Manuscripts considers how indulgences the remission of time in Purgatory were used to market certain images Conversely images helped to spread indulgences such as those attached to the Virgin in sole and the Mass of St Gregory Images also began depicting the effects of indulgences souls escaping Purgatory Drawing on numerous unpublished sources Kathryn M Rudy demonstrates how

rubrics modified behaviour and expectations around image centred devotion Her work is the first to analyse systematically the way that indulgences and images interacted indeed shaped each other prior to the Reformation The Archaeology of Human-Environmental Dynamics on the North American Atlantic Coast Leslie Reeder-Myers, John A. Turck, Torben C. Rick, 2019-11-04 Using archaeology as a tool for understanding long term ecological and climatic change this volume synthesizes current knowledge about the ways Native Americans interacted with their environments along the Atlantic Coast of North America over the past 10 000 years Leading scholars discuss how the region s indigenous peoples grappled with significant changes to shorelines and estuaries from sea level rise to shifting plant and animal distributions to European settlement and urbanization Together they provide a valuable perspective spanning millennia on the diverse marine and nearshore ecosystems of the entire Eastern Seaboard the icy waters of Newfoundland and the Gulf of Maine the Middle Atlantic regions of the New York Bight and the Chesapeake Bay and the warm shallows of the St Johns River and the Florida Keys This broad comparative outlook brings together populations and areas previously studied in isolation Today the Atlantic Coast is home to tens of millions of people who inhabit ecosystems that are in dramatic decline The research in this volume not only illuminates the past but also provides important tools for managing coastal environments into an uncertain future A volume in the series Society and Ecology in Island and Coastal Archaeology edited by Victor D Thompson How to Make Out Brianna R. Shrum, 2016-09-06 Sixteen year old Renley needs three thousand dollars for the math club s trip to New York City and she knows exactly how to get it she s going to start a how to blog where people pay for answers to all of life s questions from a certified expert The only problems 1 She doesn t know how to do anything but long division and calculus 2 She s totally invisible to people at school And not in a cool Gossip Girl kind of way So she decides to learn to do well everything When her anonymous blog shifts in a more scandalous direction and the questions and money start rolling in she has to learn not just how to do waterfall braids and cat eye makeup but a few other things like how to cure a hangover how to flirt and how to make out something her very experienced and very in love with her neighbor Drew is more than willing to help with As her blog s reputation skyrockets so does new and improved Renley s popularity She s not only nabbed the attention of the entire school but also the eye of Seth Levine the hot culinary wizard she s admired from across the home ec classroom all year Soon caught up in the thrill of popularity both in and out of cyberspace her secrets start to spiral and she finds that she s forgotten the most important how to how to be herself When her online and real lives converge Renley will have to make a choice lose everything she loves in her new life or everyone she loves in the life she left behind The Allegations Mark Lawson, 2016-07-14 On the morning after he has celebrated his 60th birthday party at a celebrity filled party Ned Marriott is in bed with his partner Emma when there s a knock on the door Detectives from the London police force s Operation Millpond have come to arrest him over an allegation of sexual assault Ned is one of the country s best known historians teaching at a leading university advising governments and making top rating TV documentaries but this

historic claim from someone the cops insist on calling the victim threatens him with personal and professional ruin and potential imprisonment Professor Marriott would normally turn for support to Tom Pimm his closest friend at the university but Tom has just been informed that a secret investigation has raised anonymous complaints which may end Dr Pimm's career Swinging between fear bewilderment and anger Ned and Tom must try to defend themselves against the allegations and hope that no others are made The two men's families and friends are forced to question what they know and think Can the complainants detectives HR teams journalists and Tweeters who are driving the stories all be seeing smoke that has no fire behind it By turns shocking and comic reportorial and thoughtful *The Allegations* startlingly and heart breakingly captures a contemporary culture in which allegations are easily made and reputations casually destroyed Asking readers to decide who they believe it explores a modern nightmare that could happen in some way to anyone whose view of personal history may differ from someone else's

Placing Names Merrick Lex Berman, Ruth Mostern, Humphrey Southall, 2016-08-08

Well before the innovation of maps gazetteers served as the main geographic referencing system for hundreds of years Consisting of a specialized index of place names gazetteers traditionally linked descriptive elements with topographic features and coordinates *Placing Names* is inspired by that tradition of discursive place making and by contemporary approaches to digital data management that have revived the gazetteer and guided its development in recent decades Adopted by researchers in the Digital Humanities and Spatial Sciences gazetteers provide a way to model the kind of complex cultural vernacular and perspectival ideas of place that can be located in texts and expanded into an interconnected framework of naming history This volume brings together leading and emergent scholars to examine the history of the gazetteer its important role in geographic information science and its use to further the reach and impact of spatial reasoning into the digital age
