Get Me Out Of Here Get Me Out Of Here:

Get Me Out of Here! Andy McNab, Phil Earle, 2020-12-01 Friendship heart and awkward middle school humor come together in this laugh out loud adventure as a group of kids take a class trip that doesn't quite live up to their expectations. It's all fun and games until you lose cell service. When an epic class trip to Wild Out an Outward Bound like adventure weekend involving rock climbing kayaking and zip lining is announced Danny Mack and his best friends are thrilled. But when one of the teachers gets sick and Danny's mean older brother volunteers to chaperone the weekend seems doomed to be a disaster. When the group arrives at the campground they discover that they'll be sleeping in tents instead of cabins milking cows for their breakfast oatmeal and using a toilet without modern plumbing OR TOILET PAPER. Not at all the adventure they thought it would be. Bestselling author Andy McNab and award winning author Phil Earle join forces for the very first time and the results are hilarious. Brilliantly illustrated by Robin Boyd. Get Me Out of Here is full of laughs and heart but at its core it's a story of friendship resilience and determination.
