Scars That Speak Rochelle Murray, 2011-06-30 **Scars That Speak** is the powerful and compelling account of one woman's battle to overcome her abusive childhood and the destructive behaviors and thinking patterns that developed as a result Rochelle Murray writes with complete honesty as she evaluates her life in light of her past Full of original poetry journal writings and art work **Scars That Speak** offers the reader a glimpse into the mind of a woman struggling to triumph over emotional physical and sexual abuse The uniqueness of this book lies in the fact that it was written as her therapy progressed which allows the reader to walk with Rochelle along her journey Her story is captivating and poignant gripping the reader from the outset Rochelle's therapeutic relationship with a Christian psychologist provided the support that she needed to break free from her addiction to cutting and enabled her to face her fears and the memories of her childhood Her scars speak loudly of the fact that the past can be confronted truth can be discovered and strength and healing can be attained This book is so much more than just another book about cutting An estimated two million Americans purposefully cut themselves each year Rochelle used to be among their number Her self-destructiveness started when she was sexually abused by her grandfather Her narcissistic mother also played a major role in her self-destructive behavior Could therapy be the answer Could she find her voice Could truth be told Join Rochelle on her therapeutic journey as she struggles to find healing and the reward of joy **Shadows in the Sun** Gayathri

Ramprasad, 2014-02-11 Presents a first of its kind cross cultural lens to mental illness through the inspiring story of Gayathri's thirty year battle with depression This literary memoir takes readers from her childhood in India where depression is thought to be a curse to life in America where she eventually finds the light within by drawing on both her rich Hindu heritage and Western medicine to spare As a young girl in Bangalore Gayathri was surrounded by the fragrance of jasmine and flickering oil lamps her family protected by Hindu gods and goddesses But as she grew older demons came forth from the dark corners of her idyllic kingdom with the scariest creatures lurking within her The daughter of a respected Brahmin family Gayathri began to feel different I can hardly eat sleep or think straight The only thing I can do is cry unending tears Her parents insisted it was all in her head Because traditional Indian culture had no concept of depression as an illness no doctor could diagnose and no medicine could heal her mysterious malady This memoir traces Gayathri's courageous battle with the depression that consumed her from adolescence through marriage and a move to the United States It was only after

the birth of her first child when her husband discovered her in the backyard clawing the earth furiously with my bare hands intent on digging a grave so that I could bury myself alive that she finally found help After a stay in a psych ward she eventually found the light within an emotional and spiritual awakening from the darkness of her tortured mind Gayathri's inspiring story provides a first of its kind cross cultural view of mental illness how it is regarded in India and in America and how she drew on both her rich Hindu heritage and Western medicine to find healing **One Foot in Front of the Other**

Tian Dayton, 2013-12-10 Recovery whether from addictive or compulsive behaviors codependency childhood trauma dysfunction or loss is not an event to be conquered but an ongoing process of healing and self discovery It requires patience perseverance and self awareness Putting one foot in front of the other moment by moment and day by day builds courage self esteem and resilience A key component of staying on the right path is guidance from those who have walked it before One Foot in Front of the Other gives readers a hand to hold as they face the challenges of living and provides a wellspring of knowledge from which to draw inspiration and hope Nationally renowned trauma and recovery expert Dr Tian Dayton gives readers all the tools they will need on their journey of recovery just as she has for countless of her own patients Written in the I format each page speaks intimately to readers offering straightforward and user friendly wisdom through inspired readings This powerful little book will help readers examine their lives and recapture feelings of gratitude and positivity opening to the grace of self renewal The Veterans and Active Duty Military Psychotherapy Treatment Planner, with

Denied! Failing Cordelia: Parental Love and Parental-State Theft in Los Angeles Juvenile Dependency Court Simon Cambridge, 2019-09-17 Climbing the Broken Judicial Ladder continues the author's journey of exploring the heartbreak and loss of first adopting Cordelia with severe reactive attachment disorder RAD in Washington state and then of nearly losing her to the draconian and confused child welfare legal complex in Los Angeles In this third volume of his Denied Failing Cordelia trilogy Cambridge climbs the broken California judicial ladder from the California Court of Appeals Second Appellate District based in Los Angeles to the California Supreme Court Cambridge concludes that in appeals relating to dependency cases the ladder is broken for parents seeking to advocate for themselves and for the true best interests of their children Policies relating to child welfare are flawed Cambridge argues because of the preemptive and prejudicial response to the issues raised during the detention of children As with his two earlier books Cambridge explores issues connected with how best to parent his adopted daughter and advocate for her needs in the context of a dependency case Cordelia's reactive attachment disorder would surface throughout the judicial struggle as would the author's own struggles with Asperger syndrome Each would feed negatively into the overall trauma and drama of the author's unrelenting quest to reunite his forever family Cambridge believes that dependency proceedings are ill equipped on many levels to elicit a proper understanding of RAD or of the therapeutic parenting needed to address it Cambridge believes that adoptive parents of children with special needs need to be understood by more sympathetic social workers and by therapists trained in attachment disorders Cambridge's persistent efforts to reunite his forever family would leave him increasingly isolated as he

climbs the judicial ladder Based on his experiences Cambridge explores areas for reform in Los Angeles dependency proceedings and evokes Shakespeare s King Lear by arguing that social workers need to see better and that the Los Angeles Juvenile Dependency Court needs to encourage a broader understanding of the issues raised through more effective legal advocacy from assigned dependency lawyers Cambridge argues that parents should be allowed to address the court directly Cambridge also relates how he and his daughter have found many positive and healthy ways to heal in the years since their dependency case ended Much trauma could have been avoided if those around them had seen better and had recognized the value in their dramatic and loving adoption journey

I Am Still Right Here Gregory Serfer,2022-12 When physician Paul Schaeffer is inexplicably and suddenly dumped by Julie Bradley an alluring and skilled nurse several years into their often rocky but quite blissful romance he attempts to make some sense of her behavior by mentally reliving the captivating journey from when they first met to their apparent bitter end Though Julie seems to have definitively replaced him with another man Paul suspects that there is much more to understand as Julie s abusive childhood left her not only with horrible physical scars but deep emotional wounds as well Julie suffers with Borderline Personality Disorder a harrowing psychological condition so complex as to make Paul question if there is not more to their unique relationship that has yet to be written Inspired by actual events I Am Still Right Here is the compelling story of love in the dark shadow of a potentially devastating psychological ailment and how two people strive to find their way into the light
