one of the accused was Slavko Dokmanovi who at the time was the mayor of a local town Vladimir Dzuro a criminal detective from Prague was one of the investigators charged with discovering what happened on that horrific night at Ov ara The story Dzuro presents here drawn from his daily notes is devastating It was a time of brutal torture random killings and the disappearance of innocent people Dzuro provides a gripping account of how he and a handful of other investigators picked up the barest of leads that eventually led them to the gravesite where they exhumed the bodies They were able to track down Dokmanovi only to find that taking him into custody was a different story altogether The politics that led to the war hindered justice once it ended Without any thoughts of risk to their own personal safety Dzuro and his colleagues were determined to bring Dokmanovi to justice In addition to the story of the pursuit and arrest of Dokmanovi The Investigator provides a realistic picture of the war crime investigations that led to the successful prosecution of a number of war criminals Visit warcrimeinvestigator.com for more information or watch a book trailer
