Get Real Jamie Suzanne, Francine Pascal, 1999-01 Elizabeth and Jessica have totally opposite impressions of their first days and new friends at junior high school Keepin' it Real Jamie Suzanne, Francine Pascal, 2000 Anna breaks out of her close circle of friends Anna has needed this all along To get away from everybody and try something completely different Meet new people After all change is good right And the drama club is so cool **Interdisciplinary Educational Research** In Mathematics and Its Connections to The Arts and Sciences Bharath Sriraman, Claus Michelsen, Astrid Beckmann, Viktor Freiman, 2008-09-01 The book is based on the recently held Symposium on mathematics and its connections to the arts and sciences namely the second Mathematics and its Connections to the Arts and Sciences MACAS2 Symposium in Odense Denmark May 29 31 2007 The chapters are an eclectic collection of interdisciplinary research initiatives undertaken by mathematics educators with implications for practitioners concerned with teaching and learning processes The papers cover a wide genre of research domains within mathematics education cognition modelling problem solving teacher education ethnomathematics mathematical statistical literacy curricular and technological initiatives and research related to science education The major interdisciplinary themes of the papers in this book are 1 How can modelling activities be used to foster interdisciplinary projects in the school and university setting 2 How can the intricate connections between mathematics and physics be used to design and research interdisciplinary activities in schools and the university 3 How can research within the ethnomathematics domain of mathematics education be linked to critical mathematics education and interdisciplinary projects involving mathematics art and culture 4 How can the push for mathematical and statistical literacy be connected to other subjects in the school curricula and emphasized via interdisciplinary activities 5 What are concrete examples of classroom experiments with empirical data that demonstrate new and unusual connections relations between mathematics arts and the sciences with implications for pedagogy 6 What is the role of technology and new ICT interfaces in linking communities of learners in interdisciplinary activities involving problem solving The book is an important contribution to the literature on educational initiatives in interdisciplinary education increasing vital for emerging professions of the 21st Hands Off! Jamie Suzanne, Francine Pascal, 2000 Elizabeth senses a plot After all Jessica has barely talked to century Salvador before and now she calls him all the time to discuss Elizabeth s love life Elizabeth wishes her jealous friends would Whatever Jamie Suzanne, Francine Pascal, 2000 Lacy knows her real mom cares give up because she really likes the guy about her So what if she never writes or calls She s probably just really busy Yet it will be so cool having her visit Lacy is STEM Project-Based Learning Robert M. Capraro, Mary Margaret ready for some mother daughter bonding Capraro, James R. Morgan, 2013-04-20 This second edition of Project Based Learning PBL presents an original approach to Science Technology Engineering and Mathematics STEM centric PBL We define PBL as an ill defined task with a well defined outcome which is consistent with our engineering design philosophy and the accountability highlighted in a standards based

environment This model emphasizes a backward design that is initiated by well defined outcomes tied to local state or national standard that provide teachers with a framework guiding students design solving or completion of ill defined tasks This book was designed for middle and secondary teachers who want to improve engagement and provide contextualized learning for their students However the nature and scope of the content covered in the 14 chapters are appropriate for preservice teachers as well as for advanced graduate method courses New to this edition is revised and expanded coverage of STEM PBL including implementing STEM PBL with English Language Learners and the use of technology in PBL The book also includes many new teacher friendly forms such as advanced organizers team contracts for STEM PBL and rubrics for assessing PBL in a larger format Beyond Constructivism Richard A. Lesh, Helen M. Doerr, 2003-05-01 This book has two primary goals On the level of theory development the book clarifies the nature of an emerging models and modeling perspective about teaching learning and problem solving in mathematics and science education On the level of emphasizing practical problems it clarifies the nature of some of the most important elementary but powerful mathematical or scientific understandings and abilities that Americans are likely to need as foundations for success in the present and future technology based information age Beyond Constructivism Models and Modeling Perspectives on Mathematics Problem Solving Learning and Teaching features an innovative Web site housing online appendices for each chapter designed to supplement the print chapters with digital resources that include example problems relevant research tools and video clips as well as transcripts and other samples of students work http tcct soe purdue edu booksULandULjournals modelsULandUL modeling This is an essential volume for graduate level courses in mathematics and science education cognition and learning and critical and creative thinking as well as a valuable resource for researchers and practitioners in these areas Blue Jamie Suzanne, Francine Pascal, 2000 When conscientious Elizabeth Wakefield becomes friends with a laid back surfer named Blue both of their lives suddenly get much more complicated I'm So Outta Here Jamie Suzanne, Francine Pascal, 2000 Jessica is hurt when her sister Elizabeth starts wanting to spend less time hanging out with her and more time with her friends **Get Real!** Francine Pascal, 1999-01 Three Days, Two Nights Jamie Suzanne, Francine Pascal, 2000 Jessica Wakefield and some of her friends win a trip to Sacramento to compete in an academic tournament Reading the **Adolescent Romance** Amy Pattee, 2011-01-25 Reading the Adolescent Romance provides an exhaustive study of the developments in young adult literature since the 1980s with a focus on Francine Pascal's Sweet Valley High series which has become a cultural and literary touchstone for both fans and critics of the novels Pattee carefully examines the series content structure and readers allowing her to investigate an influential marketing and literary phenomenon and to interrogate the intersecting influences of history audience positioning and readability that allowed Sweet Valley and other teen series to flourish This book demonstrates that as a series of generic romance novels Sweet Valley High exhibits tropes associated with both adolescent and adult romance and as a product of the early 1980s has and continues to espouse the conservative

romantic ideologies associated with the time period While erstwhile readers of the series recall the novels with pleasure re readers of Pascal s novels who remember reading the series as young people and have re visted the books as adults are more critical Interestingly both populations continue to value Sweet Valley High as an identity touchstone Amy Pattee is an associate professor of library and information science at the Graduate School of Library and Information Science at Simmons College in Boston Massachusetts There she teaches children s and young adult literature in both the library school and in a dual degree program affiliated with Simmons College's Center for the Study of Children's Literature Suzanne, Francine Pascal, 1999 More than anything Jessica wants Damon to be interested in her but when she humiliates Ronald who has a crush on her she loses the respect of not only her friends but Damon himself My Perfect Guy Jamie Suzanne, Francine Pascal, 2000 Jessica's perfect quy isn't quite what she expected Drama Queen Jamie Suzanne, Francine Pascal, 2001 Can Anna and Toby s relationship survive creative differences Anna thought things with Toby were perfect Until she had to spend every minute with him working on a stupid play Now they argue 24 7 Part of her says they should just break Racing Hearts (Sweet Valley High #9) Francine up but another part really likes him So what happens now Pascal, 2012-11-27 Can Roger melt Lila s icy heart Clumsy shy Roger Barrett has always had a crush on the glamorous wealthy Lila Fowler but it s hopeless She s the gueen bee and he secretly works as a janitor after school The only attention Lila ever pays to him is to make fun of him in front of her friends When Roger wins the qualifying heat for a big race he becomes an instant school celebrity To his surprise Lila begins to chase after him but he knows if he runs in the race finals after school he will lose his job Should he give up Lila s attentions Can he risk being fired Will Lila notice him if he s no longer a star From bestselling author Francine Pascal Dangerous Love (Sweet Valley High #6) Francine Pascal, 2012-11-27 Is this the end of Todd and Elizabeth No motorcycles That is the one rule not to be bent or broken in the Wakefield house Ever since their cousin was killed in a crash Elizabeth and Jessica are forbidden to go near them So when Elizabeth s boyfriend Todd drives up on a shiny new Yamaha she knows there s trouble ahead She s not allowed to ride Todd s bike but other girls are and do Elizabeth loves Todd but the sight of these girls with their arms around her boyfriend is making her mad with jealousy Todd says there s nothing to be worried about but Elizabeth is scared of losing him Will another girl come in an swoop Todd off his feet Will Todd's new bike tear him and Elizabeth apart Dangerous Love is one of the original Sweet Valley High stories by Francine Pascal **Sweet Valley Confidential** Francine Pascal, 2011-03-29 A New York Times Bestseller Before there was Gossip Girl there was Sweet Valley High Sweet Valley Confidential makes a compelling enough companion that we actually missed two subway stops because we were caught up in its frothy fun Wall Street Journal Iconic and beloved identical twins Jessica and Elizabeth Wakefield are all grown up and navigating the very complicated world of work love and betrayal in Francine Pascal's long awaited return to Sweet Valley What terrible secret has torn Jessica and Elizabeth apart Ten years after Sweet Valley High the Wakefield twins have had a falling out of epic

proportions When Jessica commits a complete and utter betrayal Elizabeth flees to New York to escape the pain Jessica remains in California dealing with the fallout of her heart wrenching choices But with Elizabeth as her enemy Sweet Valley is no longer the idyllic town of their youth Elizabeth soon decides the only way to heal her broken heart is to get revenge for Jessica's duplicity Always the good twin Elizabeth about to turn the tables Francine Pascal finally unfolds the continuing story of Elizabeth and Jessica Wakefield and the whole gang from Sweet Valley that will delight and surprise the millions of fans of these beloved characters Lighthouse Hauntings Charles Waugh, Martin Greenberg, 2002-01-01 What is it about lighthouses that stirs the heart and sparks the imagination Built for strength and permanence they are nonetheless always vulnerable We look to them for guidance and reassurance yet never guite lose the feeling of being watched when near them Their keepers work tirelessly to serve humanity protecting many hundreds of lives each year yet they themselves are isolated from other people And of course we are ever aware that these often remote outposts can be unforgiving of human frailties so inevitably they become the setting for tragedy and consequently for spirits that linger at the site of their ruined hopes their sufferings and their obsessions In Lighthouse Hauntings a dozen contemporary authors spin an intriguing mix of supernatural tales around this evocative theme Some of these never before published stories are just plain creepy others are mystifying or metaphysical even heartwarming but all are vividly memorable A Legacy of Wit and Wisdom Barbara Carter-Donaldson, Christian Sisters, 2024-04-16 Try to be a rainbow in someone else's cloud Maya Angelou image This booklet is a collection of heartwarming stories godly counsel witty words of wisdom and advice to women from women These true inspirational narratives are written by Christian women from the United States Canada Tobago Trinidad Jamaica Bermuda South America and St Croix Virgin Islands The writers of these accounts are wives mothers daughters grandmothers pastor wives sisters aunts nieces and cousins They are doctors attorneys superintendents CEOs administrators pastors clinical supervisors textile designers school counselors educators registered nurses health care and mental health care professionals pharmacists financial advisors aircraft assemblers coordinators media specialists directors ministry leaders volunteer lay pastors legal clerks administrative assistants real estate agents analysts nutritionists consultants forgiveness facilitators coaches writers editors cosmetologists hairstylists caretakers homemakers and others who hope that these true stories based on the writers experiences will impact lives and draw people closer to Christ
