Gettin Through Thursday:

Gettin' Through Thursday Melrose Cooper,1998 Andre dreads Thursdays Thursday is the day before his mother gets paid at work each week and it s the day when money is tight and spirits are low for Andre and his older brother and sister It s also the day when he gets his school report and although he anticipates being top of his class he s sure that instead of the celebrations his mother has promised it will be another miserable Thursday There is a solution to the problem as readers of this delightful book will find out Illustrated throughout in f cl Ages 4 8 years *Gettin' Through Thursday* Melrose Cooper,2000 Since money is tight on Thursdays the day before his mother s payday Andre is upset when he realizes that his report card and the promised celebration for making the honor roll will come on a Thursday *Black History in the Pages of Children's Literature* Rose Casement,2008 This book presents Black history contextualized in chapters that provide both an introduction to historical periods and an annotated bibliography of outstanding children s literature that can be used to introduce and teach the history of each period *Curriculum and Teaching Dialogue* Christy M. Moroye,2017-09-01 Curriculum and Teaching Dialogue CTD is a publication of the American Association of Teaching and Curriculum AATC a national learned society for the scholarly field of teaching and curriculum The field includes those working on the theory design and evaluation of educational programs at large At the university level faculty members identified with this field are typically affiliated with the departments of curriculum and instruction teacher education educational foundations elementary education secondary education and higher education CTD promotes all analytical and interpretive approaches that are appropriate for the scholarly study of teaching and curriculum In fulfillment of this mission CTD addresses a range of issues across the broad fields of educational research and policy for all grade levels and types of educational programs **More Mirrors in the Classroom** Jane Fleming,Susan Catapano,Candace M. Thompson,Sandy Ruvalcaba Carrillo,2016-06-08 Nearly 30% of all public school children attend school in large or mid size cities totaling more than 16 million students in 22 000 schools For schools serving culturally and linguistically diverse populations and large numbers of children living in poverty a significant achievement gap persists Proponents of multicultural education often advocate for instruction with culturally relevant texts to promote inclusion compassion and understanding of our increasingly diverse society Less discussion has focused on the significant body of research that suggests that culturally relevant texts have important effects on language and literacy development By connecting the dots of existing research *More Mirrors in the Classroom* raises awareness about the critical role that urban children s literature can play in helping children learn to read and write In addition it provides practical step by step advice for increasing the cultural relevance of school curricula in order to accelerate literacy learning **Black Boys are Lit** Brian L. Wright,Donna Y. Ford,James L. Moore,2021-11-01 This book of matrices with Black boys as the main character is designed to help gifted and talented education teachers leverage Black boys identities to inform and shape how they plan and deliver curriculum and instruction and manage the multicultural

democratic and culturally responsive classroom Ford and colleagues 2005 spoke to the notion of and need for self reflective instruction We argue that all teachers must want to and learn how to legitimize the everyday experiences that are learned and cultivated in the homes and communities of Black boys and how these experiences shape their self identities and contribute to agency Wright Counsell without hope versus hopeful or out of control and dangerous Tatum 2005 p 28 versus developing self control like all other children Wright et al 2018 That's a Great Answer!
