Ever feel bad for losing control and screaming only to contend with the guilt of being mean and the madness of a child who still won't listen? After working with moms who wished life as a parent wasn't so stressful, Mary Tan shows moms how to raise a child while staying cool, calm, and collected so they can be the moms they've always wanted to be: patient, loving, and in control. The Empowered Child is an eye-opening guide detailing the way out of parenting stress so moms can take their power back without losing their cool. It reveals how to effectively coach children through life's challenges with greater ease and confidence, including the Empower Method, which takes a wholistic approach to helping moms deal with a child that is hypersensitive yet strong-willed. Ultimately, moms regain their confidence and truly enjoy being a mom again.
