Getting Married In Korea Of Gender Morality And Modernity:

Getting Married in Korea Laurel Kendall, 1996-05-31 This work explores what it means to be modern and what it means to be Korean in a culture where courtship and marriage are often the crucible in which notions of gender and class are cast and recast. Touching on a number of important issues: identity, romantic love, women's work, marriage negotiations, and wedding ceremonies, Laurel Kendall gives us a new appreciation for how Koreans have adapted this pivotal social practice to the astounding changes of the past century. Kendall attended her first Korean wedding in 1970 soon after she arrived in the country with the Peace Corps. Years later as a seasoned anthropologist, she began interviewing both working class and middle class couples, matchmakers, purveyors of dowry goods, and proprietors of wedding halls. She consulted etiquette handbooks and women's magazines and analyzed cartoons, photographs, and weddings themselves. The result is an engaging account of how marriage matches are made, how families proceed through the rites, how they finance ceremonies, and elaborate exchanges of ritual goods, and how these practices are integral to the construction of adult identities and notions of ideal women and men. The book is also a reflection on what it means to write Korea in a complex and ever-changing social milieu.

The Politics of Gender in Colonial Korea Theodore Jun Yoo, 2014-05-29 This study examines how the concept of Korean woman underwent a radical transformation in Korea's public discourse during the years of Japanese colonialism. Theodore Jun Yoo shows that as women moved out of traditional spheres to occupy new positions outside the home, they encountered the pervasive control of the colonial state which sought to impose modernity on them. While some Korean women conformed to the dictates of colonial hegemony, others took deliberate pains to distinguish between what was modern (e.g. Western outfits) and thus legitimate, and what was Japanese and thus illegitimate. Yoo argues that what made the experience of these women unique was the dual confrontation with modernity itself and with Japan as a colonial power.

Gender in History Merry E. Wiesner-Hanks, 2011-06-24 **GENDER IN HISTORY** Praise for the first edition: Wiesner Hanks accomplishes a near impossible feat: a review of what is known about the construction of gender and the character of women's lives in all known cultures over the course of human history. Theoretically sophisticated and doing justice to the historical and cross-cultural record, yet assimilable by students. Choice. *Gender in History* brilliantly explores the influence of gender constructs in political, social, economic, and cultural affairs. The remarkable cultural, geographical, and chronological range of Wiesner Hanks' research is matched only by the sophistication, nuance, and clarity of her analysis. This book offers a rare and valuable global perspective on gender roles in human history. Jerry H. Bentley, University of Hawaii. Over the past two decades, considerations of gender have revolutionized the study of history. Yet most books on the subject remain narrowly focused on a specific time period or particular region of the world. *Gender in History: Global Perspectives*, Second Edition, continues to redress this inequity by providing a concise overview of the construction of gender in many world cultures over a period stretching from the Paleolithic era to modern times. Thoroughly updated to reflect current developments in the field.

the new edition features entirely new sections which address primates slavery colonialism masculinity transgender issues and other relevant topics As in the well received first edition material is presented thematically to reveal the connections between gender and structures such as the family economy law religion sexuality and the state Wiesner Hanks also investigates precisely what it meant to be a man or woman throughout history how these roles were shaped by various institutions and how they in turn were influenced by gender The author presents material within each chapter chronologically to highlight the ways in which gender structures have varied over time The new edition of Gender in History Global Perspectives offers rich insights into all that is currently known about gender roles throughout world history A companion website is available at www.wiley.com/go/wiesnerhanks Under Construction Laurel Kendall, 2001-09-30 Since the late 1960s the lives of south Koreans have been reconstructed on the shifting ground of urbanization industrialization military authoritarianism democratic reform and social liberalization Class and gender identities have been modified in relation to a changing modernity and new definitions of home and family work and leisure husband and wife Under Construction provides an illuminating portrait of south Koreans in the 1990s a decade that saw a return to civilian rule a loosening of censorship and social control and the emergence of a full blown consumer culture It shows how these changes impacted the lives of Korean men and women and the very definition of what it means to be male and female in Korea In a series of provocative essays written by Korean and Western scholars we see how Korean women and men actively engage and at times openly contest the limitations of gender Under Construction is part of a decisive turn in the anthropology of gender from its early quest for the causes of female subordination to a finely tuned analysis of the historical cultural and class based specificities of gender relations and the tension between gender as an ideological construct and as a lived experience Firmly grounded in the political and economic history of south Korea this long awaited volume fills an important gap in Korean studies and East Asia gender studies in English Contributors Nancy Abelman Cho Haejoang Roger L Janelli Laurel Kendall June Lee So Hee Lee Seungsook Moon Dawnhee Yim *The Tapestry of Culture* Maxine Weisgrau, Abraham Rosman, Paula G. Rubel, 2023-07-10 When we think about society and culture often we think of our own culture the culture in which we were raised or currently live as the default The eleventh edition of The Tapestry of Culture uses anthropological tools to translate the concepts ideas and behaviors of other cultures into language recognizable by today's students The book's comparative approach balances the history of ethnography fieldwork and anthropology with today's globalized world including the impact of climate change social movements social media and technology global health issues and shifting political landscapes New to the Eleventh Edition New Chapter 12 Global Health and Wellness examines the historical political and cultural issues that shape disease and health including inequalities in access to physical and mental health services the delivery of health care services and health intervention strategies New Chapter 11 Spaces and Places of Creative Expression explores how social media and internet technologies play a major role in how contemporary audiences view and

understand creativity including music dance theater film painting and other performance styles Expanded discussion of the cultural construction of gender and sexuality as well as LGBTQ issues in activism explores gender and sexuality through queer studies and in postcolonial settings Chapter 7 New discussion of critical race theory highlights its contributions to analyzing multiple forms of racism and discrimination while providing an exploration of the challenges of multiculturalism in contexts of nationality ethnicity and political representation Chapter 14 New discussions of environmental anthropology political ecology climate change inequality social movements globalization and transnationalism highlight these contemporary issues as subjects of anthropological inquiry Chapter 1 **Transparency and Conspiracy** Harry G.

West, Todd Sanders, 2003-04-17 Ethnographies of alienated often occult responses to economic globalization *Culture, Community, and Development* Rhonda Phillips, Mark A. Brennan, Tingxuan Li, 2020-02-21 Culture is a living thing In social settings it is often used to represent entire ways of life including rules values and expected behavior Varying from nation to nation neighborhood to neighborhood and beyond even in the smallest localities culture is a motivating factor in the creation of social identity and serves as a basis for creating cohesion and solidarity This book explores the intersection of culture and community as a basis for locally and regionally based development by focusing on three core bodies of literature theory research and practice The first section theory uncovers some of the more relevant historical arguments as well as more contemporary examinations Continuing the research section sheds light on some of the key concepts variables and relationships present in the limited study of culture in community development Finally the practice section brings together research and theory into applied examples from on the ground efforts During a time where the interest to retain the uniqueness of local life traditions and culture is significantly increasing in community based development the authors offer a global exploration of the impacts of culturally based development with comparative analysis in countries such as Korea Ireland and the United States A must read for community development planners policymakers students and researchers

Korean Families Yesterday and Today Hyunjoon Park, Hyeyoung Woo, 2020-02-12 Korean families have changed significantly during the last few decades in their composition structure attitudes and function Delayed and forgone marriage fertility decline and rising divorce rates are just a few examples of changes that Korean families have experienced at a rapid pace more dramatic than in many other contemporary societies Moreover the increase of marriages between Korean men and foreign women has further diversified Korean families Yet traditional norms and attitudes toward gender and family continue to shape Korean men and women s family behaviors Korean Families Yesterday and Today portrays diverse aspects of the contemporary Korean families and by explicitly or implicitly situating contemporary families within a comparative historical perspective reveal how the past of Korean families evolved into their current shapes While the study of families can be approached in many different angles our lens focuses on families with children or young adults who are about to forge family through marriage and other means This focus reflects that delayed marriage and declined fertility are two sweeping

demographic trends in Korea affecting family formation Moreover intensive parenting has characterized Korean young parents and therefore examining change and persistence in parenting provides important clues for family change in Korea This volume should be of interest not only to readers who are interested in Korea but also to those who want to understand broad family changes in East Asia in comparative perspective Walter and Ingrid Trobisch and the Globalization of Modern, Christian Sexual Ethics Anneke H. Stasson,2021-05-13 Walter and Ingrid Trobisch played a major role in shaping a transcultural conversation about love sex gender identity and marriage during the mid twentieth century The Trobisches are most well known for Walter s book I Loved a Girl 1962 which he wrote while teaching at Cameroon Christian College Within a decade one million copies of the book were in circulation it was translated into seventy languages and Trobisch had received ten thousand letters from African and American readers of the book asking for relational advice The Trobisches founded an international marriage counseling ministry to answer these letters While the Trobisches held paternalistic attitudes common among western missionaries of their generation their vision of sexuality helped Christians in Africa and the United States to navigate changing sexual norms of the mid twentieth century **The Journal of Korean Studies, Volume 21, Number 1 (Spring 2016)** Donald Baker,Tracy L. Stober,2016-05-16 The University of Washington Korea Studies Program in collaboration with Rowman Littlefield Publishers is proud to publish the Journal of Korean Studies **The Anthropology of Global Pentecostalism and Evangelicalism** Simon Coleman,Rosalind I. J. Hackett,2015-10-09 The phenomenal growth of Pentecostalism and evangelicalism around the world in recent decades has forced us to rethink what it means to be religious and what it means to be global The success of these religious movements has revealed tensions and resonances between the public and the private the religious and the cultural and the local and the global This volume provides a wide ranging and accessible as well as ethnographically rich perspective on what has become a truly global religious trend one that is challenging conventional analytical categories within the social sciences This book informs students and seasoned scholars alike about the character of Pentecostalism and evangelicalism not only as they have spread across the globe but also as they have become global movements Adopting a broadly anthropological approach the chapters synthesize the existing literature on Pentecostalism and evangelicalism even as they offer new analyses and critiques They show how the study of Pentecostalism and evangelicalism provides a fresh way to approach classic anthropological themes they contest the frequent characterization of these movements as conservative religious social and political forces and they argue that Pentecostalism and evangelicalism are significant not least because they encourage us to reflect on the intersections of politics materiality morality and law Ultimately the volume leaves us with a clear sense of the cultural and social power as well as the theoretical significance of forms of Christianity that we can no longer afford to ignore **Dress History of Korea** Kyunghye Pyun,Minjee Kim,2023-04-20 Bringing together a wealth of primary sources and with contributions from leading experts Dress History of Korea presents the most recent approaches to the interpretation of dress

and fashion of Korea Through close analysis of visual written and material sources some newly excavated or recently re discovered in global museums the book reveals how dress and adornment evolved from the period of state formation to the modern era Authors with a range of academic and curatorial experience discuss the close relation of dress and adornments to the socio political and cultural history of Korea and place the dress history of Korea within broader contexts in studies of fashion material culture museology and costume design As in other cultures modern Korean fashion owes many of its styles to historic dress and this process of adaptation is explored within high fashion and popular culture contexts in ways that benefit historians curators and designers alike With key materials newly available to global readers Dress History of Korea is the indispensable guide to the study of Korean dress and fashion

Seoul Ross King, 2018-02-28 Seoul is a colossus both in its physical presence and the demand it places on any intellectual effort to understand it How did it come to be How can a city this immense work Underlying its spectacle and incongruities is a city that might be described as ill at ease with its own past The bitter rifts of Japanese colonization persist as does the troubled aftermath of the Korean War and its divisions the economic Miracle on the Han that followed is crosscut by memories of the violent dictatorship that drove it In Seoul author Ross King interrogates this contested history and its physical remnants tacking between the city's historiography and architecture with attention to monuments streets and other urban spaces The book's structuring device is the dichotomy of erasure and memory as necessary preconditions for reinvention King traces this phenomenon from the old dynasties to the Japanese regime and wartime destruction he then follows the equally destructive reinvention of Korea under dictatorship to the brilliant city of the present with its extraordinary explosion of creativity and ideas the post 1991 Hallyu the Korean Wave The final chapter returns to questions of forgetting and memory but now as conditions of possibility for what would seem to underlie the present trajectory of this extraordinary city and culture Seoul can be read King suggests in the context of the hybrid ideas that have characterized Korean cultural history It may be their present eruption that accounts for the city of contradictions that confronts the contemporary observer and that most extraordinary of Korean phenomena the rise of an alternative virtual world eclipsing both city and nation Has the very idea of Korea been reinvented even as the weakly defined nation state slips away

The Land of Weddings and Rain Gediminas Lankauskas, 2015-01-15 In *The Land of Weddings and Rain* Gediminas Lankauskas examines the components of the contemporary urban wedding religious and civil ceremonies traditional imagery and practices and the conspicuous consumption of domestic and imported goods in the context of the Western style modernization of post socialist Lithuania Studying the tensions between tradition and modernity that surround this important ritual event Lankauskas highlights the ways in which nationalism serves to negotiate the impact of modernity in the aftermath of state socialism's collapse His analysis also shows the importance of consumption and commodification to Lithuania's ongoing Westernization Based on more than a decade of ethnographic research *The Land of Weddings and Rain* is a fascinating account of the tensions between national and transnational East and West and old and

new that shape life in post socialist Eastern Europe Change and Continuity in North Korean Politics Adam Cathcart, Robert Winstanley-Chesters, Christopher K. Green, 2016-11-03 In the years since the death of Kim Jong il and the formal acknowledgement of Kim Jong un as head of state the North Korean regime has made a series of moves to further augment and consolidate the ideological foundations of Kimism and cement the young leader s legitimacy Historical narratives have played a critical if often unnoticed role in this process This book seeks to chronicle these historical changes and continuities Continuity and Change in North Korean Politics explores the stable and shifting political cultural and economic landscapes of North Korea in the era of Kim Jong un The contributors deploy a variety of methodologies of analysis focused on the content narratives and discourses of politics under Kim Jong un tracing its historical roots and contemporary practical and conceptual manifestations Moving beyond most analyses of North Korea s political and institutional ideologies the book explores uncharted spaces of social and cultural relations including children s literature fisheries grassland reclamation commemorative culture and gender By examining critical moments of change and continuity in the country s past it builds a holistic analysis of national politics as it is currently deployed and experienced Demonstrating how historical political and cultural narratives continue to be adapted to suit new and challenging circumstances this book will be of interest to students and scholars of Korean Studies Korean Politics and Asian Studies New Millennium South Korea Jesook Song, 2010-10-04 Despite the common held belief that Asian nations have displayed anti market tendencies of under consumption and export oriented trade since the Asian financial crisis in the 10 years since the crisis South Korea has bucked this trend accruing a higher debt rate than the US This groundbreaking collection of essays addresses questions such as how did the open market policies and restructuring processes implemented during the Asian financial crisis magnify the consumption and debt level in South Korea to such an extent What is the impact of these financial changes on the daily lives of people in different cultural and socio economic groups In examining these questions the authors provide valuable insight into the rise of financial capitalism transnational mobility and the implications of neoliberal governing tactics following the Asian Financial Crisis Examining South Korea s transformation during the early years of the 21st century New Millenium South Korea will be of interest to anthropologists economists and sociologists as well as students and scholars of Korean Studies **Men & Masculinities** Michael S. Kimmel, Amy B. Aronson, 2003-12-11 The first encyclopedia to analyze summarize and explain the complexities of men s lives and the idea of modern manhood The process of making masculinity visible has been going on for over two decades and has produced a prodigious and interesting body of work But until now the subject has had no authoritative reference source Men Masculinities a pioneering two volume work corrects the oversight by summarizing the latest historical biological cross cultural psychological and sociological research on the subject It also looks at literature art and music from a gender perspective The contributors are experts in their specialties and their work is directed organized and coedited by one of the premier scholars in the field Michael Kimmel The coverage brings together for

the first time considerable knowledge of men and manhood focusing on such areas as sexual violence intimacy pornography homophobia sports profeminist men rituals sexism and many other important subjects Clearly this unique reference is a valuable guide to students teachers writers policymakers journalists and others who seek a fuller understanding of gender in the United States Interpreting Weight Jeffery Sobal, 2017-07-05 What is too fat what is too thin Interpretations of body weight vary widely across and within cultures Meeting weight expectations is a major concern for many people because failing to do so may incur dire social consequences such as difficulty in finding a romantic partner or even in locating adequate employment without these social and cultural pressures body weight would only be a health issue while socially constructed standards of body weight may seem immutable they are continuously recreated through social interactions that perpetuate or transform expectations about fatness and thinness Written by sociologists psychologists and nutritionists all of the chapters in this book focus on how people construct fatness and thinness examining different strategies used to interpret body weight such as negotiating weight identities reinterpreting weight and becoming involved in weight related organizations Together these chapters emphasize the many ways that people actively define construct and enact their fatness and thinness in a variety of settings and situations **Paradoxes of Migration in Tajikistan** Elena Borisova, 2024-05-28 Paradoxes of Migration in Tajikistan is the first ethnographic monograph on migration in Tajikistan one of the most remittance dependent countries in the world Moving beyond economic push pull narratives about post Soviet migration it foregrounds the experiences of those who stay put in the sending society and struggle to reproduce their moral communities Elena Borisova examines the role of mobility in historical and cultural ideas about the good life and how it becomes entwined with people's efforts to become good moral and modern subjects Addressing the complex relationship between the economic imaginative and moral aspects of mobility she shows that mass migration from Tajikistan is as much a project of navigating ethical personhood as it is a quest for economic resources This book reveals how transnational regimes and structures of mobility citizenship and histories map out in the intimate spheres of the body the person and the family It is a contribution to contemporary migration research which is mostly centred on Europe and North America and to the field of Central Asian studies It will be of interest to researchers of migration mobility and citizenship and to scholars of all disciplines working on Central Asia Praise for Paradoxes of Migration in Tajikistan In this vivid and poignant ethnography grounded in an intimate portrait of life in northern Tajikistan Borisova shows how migration is much more than a response to economic necessity Taking us from homes and wedding halls to passport offices and border posts Borisova illuminates migration as an ethical project inseparable from the search for a good life an argument of profound relevance for scholars of migration as well as for students of anthropology Madeleine Reeves University of Oxford This deeply researched account of the lived experience of migration between Tajikistan and Russia is a must read for all those interested in Central Asia and the migratory experience more generally This remarkable book is a testament to anthropology's relevance for understanding

some of the most pressing issues and sensitive world regions of the present era Magnus Marsden University of Sussex
Paradoxes of Migration in Tajikistan is a masterful account of migrants mobility between Tajikistan and Russia Carefully
examining how people live their lives on the move under difficult conditions Borisova s lucidly written book is set to become a
landmark study in the anthropology of migration Till Mostowlansky Geneva Graduate Institute An amazing book Borisova
offers a rich fieldwork based account of life in the North of Tajikistan which is also a delightful read This work requires a
substantial rethinking about how we conceptualise and think of mobility and migration Paying attention to the politics of care
and ethical struggles the book helps a reader to understand what migration is and how it is weaved into everyday fabric of
life in Tajikistan Malika Bahovadinova University of Amsterdam Funeral Rites in Contemporary Korea Gil-Soo
Han, 2019-05-22 This book explores 21st century Korean society on the basis of its dramatically transforming and rapidly
expanding commercial funeral industry With insights into contemporary Confucianism shamanism and filial piety as well as
modernisation urbanisation the division of labour and the digitalisation of consumption it is the first study of its kind to offer
a sophisticated integrated sociological analysis of how the commodification of death intersects with capitalism popular
culture and everyday life in contemporary Korea Through innovative analyses of funeral advertising and journalism screen
and literary representations of funerals online media consumer accounts of using funeral services and other sources it offers
a complex picture of the widespread effects of economic development urbanisation and modernisation in South Korean
society over the past quarter century In the aftermath of the Korean economic miracle novel ways of paying respect to
deceased kin have emerged using Max Weber s concept of pariah capitalism Gil Soo Han shows how the heightened
obsession with and boom in the commodification of death in Korea reflects radical transformations in both capital and culture
Winner of Korean Education Minister s Book Prize 2020

Getting Married In Korea Of Gender Morality And Modernity Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become much more evident than ever. They have the ability to inspire, provoke, and ignite change. Getting Married In Korea Of Gender Morality And Modernity Introduction

In the digital age, access to information has become easier than ever before. The ability to download *Getting Married In Korea Of Gender Morality And Modernity* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *Getting Married In Korea Of Gender Morality And Modernity* has opened up a world of possibilities. Downloading *Getting Married In Korea Of Gender Morality And Modernity* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Getting Married In Korea Of Gender Morality And Modernity* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Getting Married In Korea Of Gender Morality And Modernity*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Getting Married In Korea Of Gender Morality And Modernity*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Getting Married In Korea Of Gender Morality And Modernity*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Getting Married In Korea Of Gender Morality And Modernity has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Getting Married In Korea Of Gender Morality And Modernity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Getting Married In Korea Of Gender Morality And Modernity is one of the best book in our library for free trial. We provide copy of Getting Married In Korea Of Gender Morality And Modernity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Getting Married In Korea Of Gender Morality And Modernity. Where to download Getting Married In Korea Of Gender Morality And Modernity online for free? Are you looking for Getting Married In Korea Of Gender Morality And Modernity PDF? This is definitely going to save you time and cash in something you should think about.
