Getting Involved With God Rediscovering The Old Testament:

Getting Involved with God Ellen F. Davis, 2001 This is a book about getting and staying involved with God what it takes what it costs what it looks and feels like why anyone would want to do it anyway It is at the same time a book about reading the Old Testament as a source of Good News and guidance for our life with God The key piece of Good News that the Old Testament communicates over and over again is that God is involved with us deeply and irrevocably so from the Introduction With sound scholarship and her own vivid translations from the Hebrew Old Testament professor Ellen Davis teaches us a spiritually engaged method of reading scripture Beginning with the psalms whose frank prayers can be a model for our own Davis reflects on the stories of the patriarchs and the pastoral wisdom of the book of Job Proverbs Ecclesiastes and the Song of Songs in helping us cultivate those habits of the heart that lead to a rich relationship with God

Getting Involved with God Ellen F. Introducing the Old Testament John Drane, 2019-08-23 Continuously in print for over 30 years and available in many different languages John Drane's Introducing the Old Testament has long been recognized as an authoritative and accessible survey of the subject This new edition has been fully revised and updated with fresh material on a range of topics especially the political and cultural context that influenced the compilation of its books and the development of the faith of ancient Israel and Judah Specific issues that will be of particular interest to students are highlighted in special boxed feature sections along with an extensive glossary of technical terms and key maps and diagrams This book is the ideal starting point for readers who wish to explore the Old Testament and its world in the light of recent scholarship and its relevance to life in the twenty first century

Who Needs the Old Testament? Katharine Dell, 2017-06-30 Who needs the Old Testament It might be a literary classic but what relevance does it have today How much of it can we believe anyway Katharine Dell invites you to rediscover the appeal of the Old Testament for the twenty first century In doing so she deftly refutes hard line attacks by writers such as Richard Dawkins she firmly critiques the atheistic agenda of those scholars who seek to undermine the Old Testament's historical grounding and she helpfully reassures those within the church who express doubts about its usefulness as a resource for Christian life and thought Written by a world expert this book will help many both inside and outside the church to gain a more informed

appreciation of the different kinds of literature contained in the Old Testament and a more nuanced understanding of the developing vision of God to which they witness **Introducing the Old Testament** Rolf A. Jacobson, Michael J.

Chan, 2023-03-14 This lively engaging introduction to the Old Testament is critical and theological lavishly illustrated and accompanied by a variety of pedagogical aids It serves as the Old Testament counterpart to Mark Allan Powell s successful *Introducing the New Testament* over 105 000 copies sold *Introducing the Old Testament* presents disputed and controversial issues fairly neither dictating conclusions nor privileging skepticism over faith based perspectives The full color interior is illustrated with photographs and fine art and includes sidebars maps a glossary and further reading suggestions A companion website through Baker Academic s Textbook eSources features a wealth of additional resources for students and instructors Resources for students include chapter objectives study questions flash cards and self quizzes Resources for professors include chapter objectives discussion prompts pedagogical suggestions PowerPoint slides and a test quiz bank

Enjoying the Old Testament Eric A. Seibert, 2021-11-16 Is it really possible to enjoy the Old Testament Eric Seibert understands why many Christians find this part of the Bible confusing theologically troubling or just uninteresting Offering dozens of practical exercises for hands on interaction with the text this unique resource equips readers with a variety of creative approaches to bring even the seemingly dry passages to life **Job (Baker Commentary on the Old Testament Wisdom and Psalms)** Tremper Longman, III, 2012-08-01 Explore the contemporary significance of the Old Testament and hear the Word of God afresh Veteran Old Testament scholar Tremper Longman offers an accessible commentary on one of Scripture s most intriguing books With his deft exegetical and expositional skill the resulting work is full of fresh insight into the meaning of the text In addition to paragraph level commentary all volumes of the Baker Commentary on the Old Testament series feature A fresh translation of the Hebrew text Incisive comments based on the author s translation Linguistic historical and canonical insights Theological reflections Footnotes addressing technical matters Pastors teachers and all serious students of the Bible will find here an accessible commentary that will serve as an excellent resource for their study **Defending God** James L. Crenshaw, 2005-04-21 In the ancient Near East when the gods detected gross

impropriety in their ranks they subjected their own to trial When mortals suspect their gods of wrongdoing do they have the right to put them on trial What lies behind the human endeavor to impose moral standards of behavior on the gods Is this effort an act of arrogance as Kant suggested or a means of keeping theological discourse honest It is this question James Crenshaw seeks to address in this wide ranging study of ancient theodicies Crenshaw has been writing about and pondering the issue of theodicy the human effort to justify the ways of the gods or God for many years In this volume he presents a synthesis of his ideas on this perennially thorny issue The result sheds new light on the history of the human struggle with this intractable problem **Just Discipleship** Michael J. Rhodes, 2023-08-08 Biblical scholar Michael Rhodes argues that the Bible offers a vision of justice oriented discipleship that is critical for the formation of God s people Grounded in biblical

theology virtue ethics and his own experiences he shows that justice is central to the Bible central to Jesus and central to authentic Christian discipleship Dictionary of the Old Testament: Wisdom, Poetry and Writings TREMPER LONGMAN III, PETER ENNS, 2020-05-21 The Old Testament books of wisdom and poetry carry themselves differently from those of the Pentateuch the histories or the prophets The divine voice does not peal from Sinai there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet Here Scripture often speaks in the words of human response to God and God's world The hymns laments and thanksgivings of Israel the dirge of Lamentations the questionings of Qohelet the love poetry of the Song of Songs the bold drama of Job and the proverbial wisdom of Israel all offer their textures to this great body of biblical literature Then too there are the finely crafted stories of Ruth and Esther that narrate the silent providence of God in the course of Israelite and Jewish lives This third Old Testament volume in IVP's celebrated Black Dictionary series offers nearly 150 articles covering all the important aspects of Job Proverbs Ecclesiastes Psalms Song of Songs Lamentations Ruth and Esther Over 90 contributors many of them experts in this literature have contributed to the Dictionary of the Old Testament Wisdom Poetry and Writings This volume maintains the quality of scholarship that students scholars and pastors have come to expect from this series Coverage of each biblical book includes an introduction to the book itself as well as separate articles on their ancient Near Eastern background and their history of interpretation Additional articles amply explore the literary dimensions of Hebrew poetry and prose including acrostic ellipsis inclusio intertextuality parallelism and rhyme And there are well rounded treatments of Israelite wisdom and wisdom literature including wisdom poems sources and theology In addition a wide range of interpretive approaches is canvassed in articles on hermeneutics feminist interpretation form criticism historical criticism rhetorical criticism and social scientific approaches The Dictionary of the Old Testament Wisdom Poetry and Writings is sure to command shelf space within arm's reach of any student teacher or preacher working in this portion of biblical literature *Soundings in the Theology of Psalms* Rolf A. Jacobson, 2010-11 The many introductions to the psalms available to readers tend to focus on various types and forms of psalms but overlook different theological approaches to the Psalter This volume brings together leading psalms scholars from Catholic and Protestant traditions and takes into account recent scholarship on the shape and shaping of the Psalter and on the rhetorical interpretation of the Psalms **The Incomparable God** Brent A. Strawn, 2023-05-30 My Lord There is no one like you among the gods Attempting to describe the nature of God often prompts the exclamation of the psalmist that God is unlike anyone or anything else And yet the claim is not simply the overflow of an adoring heart God's incomparability is a truth lodged deep within Christian Scripture In *The Incomparable God* Old Testament scholar Brent Strawn offers thoughtful insight into this theological mystery This volume collects eighteen of Strawn's most provocative essays on the nature of God several of which are published for the first time here Strawn covers the following topics the complex portrayal of God in Genesis God's mercy in Exodus poetic description of God in the Psalms the Trinity in both testaments pedagogy of the Old

Testament integration of faith and scholarship Encompassing close readings of Scripture biblical theological argument and considerations of praxis The Incomparable God is essential reading for Old Testament scholars and students **Women**

Living the Psalms Karen Kaigler-Walker,2025-05-29 Psalms is the most read and loved book in the Bible because it speaks to people about living their daily lives in God and with God like no other book in the Bible For women when they begin to live the words of the psalmists not just read or hear them they begin a personal relationship and partnership with God that addresses the ordinary ups downs and messiness of each day one that speaks when dark times come and they can t see a way out without God s help Not only do psalms teach women how to praise thank ask for advice wisdom and live daily as God would have them live in community with others but psalms also teach them how to be angry with God They need this they need to know that no matter what they think or say when they re hurt confused tired or at their wit s end God will not judge them in their humanness but instead will offer comfort support assurance guidance and love Come learn how to live the Psalms

Religion and Ethics in the Neonatal Intensive Care Unit Ronald M. Green,George A. Little,2019-08-22 Each year neonatal Intensive care units NICUs in the U S and around the world help thousands of sick or premature newborns survive NICUs are committed to the ideals of family centered care which encourages shared decision making between parents and NICU caregivers In cases of infants with conditions marked by high mortality morbidity or great suffering family centered care affirms the right of parents to assist in making decisions regarding aggressive treatment for their infant Often these parents difficult and intimate decisions are shaped profoundly by their religious beliefs In light of this what precisely are the teachings of the major world religious traditions about the status and care of the premature or sick newborn Few studies have grappled with what major religious traditions teach about the care of the newborn or how these teachings may bear on parents decisions This volume seeks to fill this gap providing information on religious teachings about the newborn to the multidisciplinary teams of NICU professionals neonatologists advance practice nurses social workers as well as to parents of NICU patients and students of bioethics In chapters dealing with Judaism Catholicism Denominational Protestantism Evangelical Protestantism African American Protestantism Sunni and Shi a Islam Hinduism Buddhism Navajo religion and Seventh Day Adventism leading scholars develop the teachings of these traditions on the status treatment and ritual accompaniments of care of the premature or sick newborn This is an essential book that will serve as a first resort for clinicians who need to understand the religious dynamics influencing anyone making a difficult decision about her sick newborn

Honoring the Wise Jill Firth,Paul A. Barker,2022-04-08 Since the garden of Eden a choice between true and false wisdom has confronted human beings and the need for discernment is consistent throughout Scripture This volume engages with the canny decisions of the Hebrew midwives the moral chaos of the judges era dilemmas in the monarchy and prophetic responses to the turmoil of the threat of empires along with themes from Psalms Job and Proverbs Wise preaching and teaching are enriched by insights from Tanzania Myanmar and Central Asia and wisdom in daily life is found in biblical

practices and is centered on Christ Colleagues and students honor Lindsay Wilson whose wisdom interests extend across the canon This work is valuable for students and teachers of Old Testament and for anyone seeking to become wise **Song of Exile** David Ware Stowe,2016 In *Song of Exile* David Stowe reconstructs the rich and varied reception history of Psalm 137 using textual analysis historical overview and a study of the psalm s place in popular culture He weaves together the fascinating story of how the psalm has both shaped and been shaped by our understanding of violence pain oppression and justice *The Book of Genesis* Craig A. Evans,Joel N. Lohr,David L. Petersen,2012-03-20 Drawing on the latest in Genesis scholarship this volume offers twenty nine essays on a wide range of topics related to Genesis written by leading experts in the field Topics include its formation reception textual history and translation themes theologies and place within Judaism Christianity and Islam *Wisdom, Science, and the Scriptures* Stephen Finamore,John Weaver,2015-04-07 This collection of essays is offered in admiration of and in gratitude for the work of Ernest Charles Lucas The title of the volume acknowledges Ernest s particular areas of interest and expertise The word wisdom comes first for two reasons firstly because the Bible s Wisdom literature is a particular love about which Ernest has published a number of books and secondly because wisdom is a characteristic of the man Several of the contributions to this volume pick up the theme of biblical wisdom while others touch on the practical application of a wisdom shaped by the Scriptures to vital contemporary issues The second word of the title science reflects both Ernest s first career as a research bio chemist and his interest as a theologian in exploring the relationship between science and faith This area of interest is reflected in a number of the contributions to this collection including Ernest s passionate interest in and concern about climate change The final words of the title are and the Scriptures Ernest has at one time or another taught every part of the Bible and retained a keen interest in the discipline of Biblical Studies Once again this is reflected in some of the contributions There are other aspects to Ernest Lucas and among them is a love of sport especially cricket And so the collection ends with a reflection on this wonderful pastime **Making Wise the Simple** Johanna W. H. van Wijk-Bos,2005-09-14 Too long restricted to children s storybooks and cinematic extravaganzas the Torah comprising the first five books of the Bible is an underappreciated mother lode of divine instruction vitally important for Christians and the church Convinced that both those who take the Torah too literally and those who neglect it are guilty of a na ve simplicity Johanna van Wijk Bos presents guidelines to help ordinary Christians recover this treasure in their faith and practice Having lived in the Netherlands during the Nazi occupation van Wijk Bos recognizes that after the attempted annihilation of the Jews from Christian Europe it cannot be business as usual for Christianity In light of the Holocaust Christians must commit themselves to the restoration of just relations between Christians and Jews This commitment to address all that fractures human relations undergirds van Wijk Bos s call for Christians to reengage the Torah Making Wise the Simple points out how God s care for and engagement with the whole world in the Torah set the tone for the entire biblical story The book pays special attention to how our treatment of strangers lies at the heart of the Torah s teaching

Without attempting a purely Jewish reading of the Torah van Wijk Bos reclaims the Torah as a vibrant word for the Christian community in covenant with God. Written in a personal style conversant with current scholarship but sprinkled with anecdotes, this book is for everyone who has a hunger and enthusiasm for what the biblical text may convey. The courage to ask disturbing questions of the text and an openness to old words that may bring forth new things, perhaps even making one wise.

Imprecations in the Psalms Steffen G. Jenkins, 2022-02-04

The gap between the New Testament and the Imprecatory Psalms is less than we think. When faced with prayers against enemies in the Psalms, we are too quick to assume that these Old Testament authors were ignorant of some basic New Testament ethics. They are self-righteous, thinking they have earned God's favor. They don't know that the wicked can repent and be forgiven. They believe in vengeance and hating their enemies. We assume wrongly. These prayers are far more aware than many modern churchgoers of how deeply our own sin runs, so that even when persecuted, we are not automatically entitled to divine help. Even when we are truly entitled to justice against unrighteous attackers, if God rescues us, that is unmerited grace. Further, the psalms are fully aware that their enemies can repent and they show mercy to them. The Book of Psalms teaches its readers, individuals and the whole people of God, to desire the repentance, forgiveness, and divine blessing of all nations, even the people's most vicious enemies.
