EBOOK: The Trouble with Therapy: Sociology and Psychotherapy Peter Morrall, 2008-09-16 An increasing number of people are engaging in therapy As a consequence there is a growing debate about the benefits of therapy and its place in global society In this exciting and engaging new text

Peter Morrall argues that therapy should be treated with healthy scepticism and provides a compelling contemporary and controversial argument as to how we should construct a sceptical view. In an engaging style akin to authors such as Oliver Burkeman, Stan Ferudi and Alain de Botton, the author offers a sociology of psychotherapy as well as placing sociology in therapy. The author explores the links between therapy and science, therapy and power, therapy and reality, madness and normality and personal misery and the values of global society. The author asks questions about therapy and the therapy culture of the modern day. Is therapy dysfunctional, arrogant, selfish, abusive, infectious, insane and deceitful? The author illustrates different aspects of therapy using a troubled character called Heather who undergoes therapy and features in vignettes throughout the book. This innovative, engaging and compelling analysis of therapy is a wake up call about therapy. It is essential reading for anyone interested in psychotherapy, counselling, sociology or the human condition. *EBOOK: An Introduction to Counselling and Psychotherapy: Theory, Research and Practice* John McLeod, 2019-09-05. The Genie's Comical Antics Summary A small curious girl named Ellie finds an old lamp at a garage sale in Willowby a quiet town that doesn't seem to have much going on She had no idea what a strange lamp it was By accident she rubs it which lets out Zuzu a unique genie The cute awkwardness and sense of humor of Zuzu show that he can grant wishes even if the wishes aren't the big ones you'd expect from a genie Instead Zuzu's powers are meant to make small funny things happen that make regular life a little less serious Ellie and Zuzu go on a lovely trip through Willowby and become close in a way they didn't expect Whether it's making a normal breakfast into a funny show of bouncing pancakes or a dull day at an indoor beach party they learn how important it is to be creative and enjoy spending time with each other They laugh at their jokes at school and in the neighborhood and the other kids in the neighborhood are also happy which shows that happiness can spread During their funny journey Ellie learns important things about what makes a true friend how important it is to be creative and how great it is to laugh Being with other people makes her happy and the best wishes are the ones that make the people around her happy Ellie and the other people in Willowby see that Zuzu shows them that even the most ordinary dreams can lead to the most amazing meetings As Ellie and Zuzu's trip goes on they face many problems with a positive outlook and a sense of fun No matter what the problem is a lost cat a school talent show or a birthday full of disasters they believe there is a miracle answer that will make everyone happy and laugh Finally The Genie's Comical Antics is a touching story that shows how magical childhood can be and how important it is to make friends with people you least expect it It's a lesson that some of the easiest ways to be happy are to have fun hang out with friends and look at the world with wonder and creativity What Ellie really wanted was for Zuzu to be with her forever This shows how strong Page 9 of 35 friendships are and how amazing normal life can be Being together made them laugh and want to try new things Page 10 of 35 Chapter 1 What They Found On a beautiful Saturday morning in the quiet town of Willowby a little girl named Ellie chose to search for her surroundings The day seemed endless with the sun shining and a light breeze teasing of exciting things to come Her eyes were filled with awe as she walked around town eager to take in all the sights and sounds On this particular day the neighborhood had set up a garage sale which is a beloved Willowby tradition where people put things from their basements and attics on show in the hopes of finding new homes for them Ellie was drawn to these yard sales like a moth to a flame because she liked taking risks

She liked the idea of finding lost treasures among lost things As she walked around the stalls she came across something strange among the toys and books After years of not being used an old lamp that was covered in spider webs and dust had lost its brightness Ellie on the other hand was pulled to it like a beacon by its mysteries Ellie was interested so she walked up to the light and ran her fingers over the complicated designs She thought this wasn't normal light because her hands felt heavy She felt a strange need to rub the lamp hoping to get rid of the dust that was covering up its beauty She was shocked to find that as she rubbed a bright whirling cloud of smoke came out of the lamp's spout and lit up the colors around her As Ellie watched with wide eyes a shape started to take shape as it slowly came out of the magical mist It was a genie but not the kind you'd think from the story Zuzu this genie was different from all the others He was happy had a kind smile and his eyes flashed in a funny way He was dressed in a lot of bright colors and his cap seemed a little too big for his head which made him look both cute and awkward Zuzu greeted Ellie with a flourish and his speech was nice and interesting He made it clear that even though he was a genie he wasn't like most of them Even more unusual than giving people a lot of money or power Zuzu was great at granting simple funny wishes that made people laugh and smile It was his power to make funny situations that made normal things more fun and surprising Ellie paid close attention as Zuzu talked about how funny he was She was thrilled at the thought of a genie who could use his magic to make everyday life more fun She thought about how much fun it would be to have a friend like that someone who could turn a normal day into an exciting adventure full of laughter and joy After introducing himself Zuzu told Ellie that the first time they met was the start of a great bond He couldn't wait to show her his magic and make her day better with his funny pranks When Ellie thought about the fun things that were coming Page 11 of 35 up she felt very happy They learned that finding the lamp wasn't just a lucky find it was the beginning of a big adventure that would make her life full of laughs and thrills That moment of finding at the garage sale changed Ellie's life for good She knew that genie magic could make anything possible so she was excited to find out what crazy things could happen in everyday life with Zuzu by her side The old lamp which was unused and covered in dust had become the key to a world of friendship and fun It served as a daily reminder that the most amazing things can come from the strangest places People in Willowby went about their daily lives as usual not knowing what magic had just happened Ellie and Zuzu on the other hand went on their first trip together Ellie on the other hand saw the world as a place with endless opportunities a blank canvas ready to be filled with the bright colors of happiness and laughter She knew that every day would bring a new chance to find the magic in the everyday to find joy in the smallest things and to give everyone around her the gift of laughter especially since Zuzu was her genie
