Getting Married Bernard Shaw:

Getting Married Bernard Shaw, 1916 **Getting Married** George Bernard Shaw, 2015-06-10 There is no subject on which more dangerous nonsense is talked and thought than marriage. If the mischief stopped at talking and thinking it would be bad enough but it goes further into disastrous anarchical action. Because our marriage law is inhuman and unreasonable to the point of downright abomination the bolder and more rebellious spirits form illicit unions defiantly sending cards round to their friends announcing what they have done. Young women come to me and ask me whether I think they ought to consent to marry the man they have decided to live with and they are perplexed and astonished when I who am supposed heaven knows why to have the most advanced views attainable on the subject urge them on no account to compromise themselves without the security of an authentic wedding ring. They cite the example of George Eliot who formed an illicit union with Lewes. Getting Married Bernard Shaw, 2022-03-14 Getting Married is a play by George Bernard Shaw. First performed in 1908 it features a cast of family members who gather together for a marriage. The play analyses and satirises the status of marriage in Shaw's day with a particular focus on the necessity of liberalising divorce laws. The preface to the published version of Getting Married is essentially a discussion of the future of marriage. Shaw takes the view that marriage remains practically inevitable as the alternatives have too many disadvantages. In a future society he argued there could be no practicable replacement for marriage: neither individually negotiated deals or unconstrained free love. Despite this there was a very pressing question of improving its conditions. Shaw went on to argue for sensible divorce laws to would protect the welfare of adults and children. Shaw notes that the form of the play adopts the classical unities saying the Greek form is inevitable when drama reaches a certain point in poetic and intellectual evolution. wikipedia.org **Getting Married**

Although his first profitable writing was music and literary criticism in which capacity he wrote many highly articulate pieces of journalism his main talent was for drama and he wrote more than 60 plays. Nearly all his writings address prevailing social problems but have a vein of comedy which makes their stark themes more palatable. Shaw examined education, marriage, religion, government, health care and class privilege. wikipedia **Getting Married** George Bernard Shaw, 2018-08-05 Getting Married Large Print By George Bernard Shaw.
