Wishborne Sebastian Black, 2023-09-12 Be careful what you wish for When amateur footage of a mage performing a spell goes viral back home American Pyromancer Blayze Martinez hops on a plane to London If the world is about to discover the existence of magic he wants to be as far from the epicenter of that nightmare as possible Shy enormous hunk Dane Peterson can amplify others emotions an ability that takes practice to control Though he and Blayze come from different worlds they hit it off But their casual evening goes sideways when a shared wish at a mage party ends with each of them inside the other s body literally The body swap is one thing but the magical skill swap is a potential

Conception of Conspiracy Ollie Fobbs,2016-09-02 The Conception of Conspiracy an Attack on Humanity has more to do with the lifestyle that we as a God Filled people have adopted than it does with the realities of our lives as a people the true reality is that the Kingdom of God is real and that it is working against the kingdom of darkness to take back what is rightfully hers The conception has to do with

supernatural order God sent this Nation to be set apart for worship and the celebration of life and no it didn't start out that way with thousands of sad deaths and all the rest God's plan is a plan of simplicity and Favour and Justice and Love and power and Authority and his plan is that we would bring forth His Kingdom here on the earth now in preparation for the Kingdom that is to come in the near future As a woman prepares to give birth her child is not born right away neither are lies and deceit they grow over time but as God is love he has given us a way out the real quest at hand is do we want to take it

How I Healed Myself of Chronic Pain after 17 Years. Pirkko Monds,2022-11-01 The true story of Pirkko Monds journey to healing herself of a debilitating severe condition A story of insurmountable pain and struggle as well as hope and triumph Using surgery a ketogenic diet and ultimately a plant based diet Pirkko lost 40 kilograms Embracing the power of meditation Pirkko was able to move out of victim consciousness

Godonism Theo Von Cezar,2010-10-12 The story starts with friends Ahma and Jovian who like most humans have fallen on terrible luck There's nothing special about these two or humanity in general The dystopian grey world the men live in is held tightly in the grip of overpopulation People are subsisting and not much more The friends have nothing to look forward to until they happen to find the Church of All Nonbelievers What's the guiding principle of this somewhat sacrilegious institution As the book states GOD IS NOT INDEBTED TO THE UNIVERSE AND TIME WE ARE INDEBTED TO OUR GOD Enter a paranormal being who offers Ahma and Jovian the chance to rise above their meager existence The offer comes with a warning Should the two mess up the opportunity they'll bring their own ruination The story leads the friends down a winding path that is one half The Matrix and another half Heresy In the end the men find out their ties run deeper than ever thought the government's guiding hand in their lives more invasive and the lines between religion and science so completely blurred that both begin to look like futuristic psychology
