Getting In Gods Face:

Getting in God's Face Dutch Sheets, 2006-08-07 Is prayer really necessary Why does it often take so long to get a prayer answered What about praying for non Christian friends What exactly is intercessory prayer Is everything that happens to me or my family allowed by God Or is there something I need to do to make sure we re safe For students with questions about prayer Getting in God s Face takes them on a journey to find God s answers to the big questions about prayer Powerful stories and proven strategies for interceding with God will increase their understanding and their faith when they read of how God uses prayer to accomplish His purposes on earth **Seeking God's Face** Notto R. Thelle, 2008 Is it possible to find God beyond the distorted images and empty words Can we even speak about God at all The author claims that it is more important than ever to look for a truer image of God A person who seeks God s face will be compelled at the same time to seek his or her own face Conversely those seeking to find themselves are often compelled to search for God The book describes faith as a spacious landscape in which one can breathe freely and engages the rich imagery of the Bible to help the individual breathe freely and find orientation without feeling imprisoned This openness and freedom are to be found in the Gospel itself says the author They were lived by the Master himself who portrayed the face of God by meeting human beings where they actually were not where they ought to have been Turning God's Face Steve Dragert, 2012-05-31 Fr Tom Kennedys first experience with something totally out of the norm is when he hears the confession of a small boy who scares the priest with his evil description of something he has done and for which he has no remorse The Nazarene woman approaches a school board meeting for the purpose of lodging a complaint against their removal of all books relating in any way to Christianity What she encounters at the meeting is our first look at the power of Satan unchecked A number of other individuals find disturbing human actions and nature gone wrong What has caused the garden belonging to Fr Toms mother to rot into plastic type vegetation What is behind the riots within the small community where they live What is the cause of the mysterious behavior the non believer finds in the wilderness of northern Minnesota Why is the disturbing prayer life and extreme difficulty with dreams from all the individuals we meet so much of a concern to not only the ones suffering but to us the readers Fr Tom and another priest friend call a meeting of all the individuals we know and some we will get to know at this meeting The purpose of this get together is to determine the cause of these common effects on the lives of so many different people from different backgrounds and different faiths The meeting becomes a place where all the concerns are voiced and all the sufferings are exposed A possible reason for the commonalities is shared and agreed upon by all the attendees How do we Gods people face this problem that eventually takes Fr Tom all the way from his bishop to Rome Fr Tom receives some heavenly help in solving this problem as he takes steps to engage the path that he has been directed

Adrian Salama., 2020-03-17 What does God want from us This unknown question I have heard the most in my therapeutic sessions For more than twenty years I have been in the search for an answer that not just helps my patients but to help myself understand the spiritual crisis that the world is living Spirituality From my formation as a Gestalt psychotherapist I

have studied the human development theology and philosophy The oriental vision of man and woman was what helped me the most to open my eyes and that way give sense to many unknown things that I have lived for years Today I can talk to you about a Gestalt Spirituality like an amalgam that gives more sense to my life more conscient and with a unit vision more in unity than in ego What can you expect about this book Reconnect with your spirituality To understand that we are all important Forgive yourself and forgive

God in 3D Colin Green,2019-12-11 This groundbreaking book sets out fresh arguments that common views on the doctrine of the Trinity are mistaken on three counts One the idea of the Trinity can t be found explicitly in Scripture Two it is a mystery irrational to the human mind Three the classical creeds of the church are the best place to start These old ideas break down in light of recent research in biblical studies Writing in plain English the author sets out where the Trinity can be found in Hebrew and Christian Scripture that it is rational and understandable and that there are biblical ways of understanding it that are easier to get across than the classical creeds This book offers what many interested in teaching or learning about the Trinity have lacked up to now And it will be a great help to those who are unsure how to communicate the idea of the Trinity in ways that the nonspecialist can understand For the scholar interested in biblical and early church studies recent insights from temple theology and name theology produce a fresh perspective that will stimulate further discussion on this important subject In the temple of God we find the triune God

When God was Flesh and Wild Bob Haverluck,2017 When God Was Flesh and Wild is dramatic and whimsical storytelling for adults at the service of faith and justice Artist storyteller and theologian Bob Haverluck offers a rollicking set of stories together with provocative cartoons and original music that provide poetic takes on Daniel s dream interpretation Jesus s baptism the events of Holy Week and the apostle John on his island prison The result is a more imaginative way to engage issues of conflict against the earth and her creatures in the light of God s abiding providence and the witness of Scripture Humorous harsh and persistently hopeful When God Was Flesh and Wild will be an unforgettable reading experience for any person of faith

My Journey with Christ Brigitt Walker,2015-04-24 My journey with Christ is about how I joined church to give my life to God I joined church to become closer to God As time went on in this church all sorts of drama started beginning with the pastor and his moles It had gotten so out of control things started to turn physical I got dismissed from that church that begun my journey with Christ After the first church I had traveled to three other churches since then dealing with the same issuesjealousy betrayaland discouraged let down heartbroken and angry at being belittled from the

pulpit you will read from one church to the next what I experienced in each church and how I kept my faith in God Get Right Church & Let's Go Home Cassandra J. Snyder, 2008-05-23 Get Right Church and Let's Go Home is a book birthed from the spirit of God Just imagine sitting at the foot of the throne with pen and paper and God telling you why He is concerned for the body of Christ Just imagine God allowing you to feel His emotions for His people If you can just picture the cross and the price that was paid and how the price has become so insignificant to the Church then you can understand what this book is designed to accomplish The things written in this book come straight from the word of God The only way to dispute it is to dispute the word the truth I often tell my children that the truth is the truth whether you choose to accept it or not You can analyze it You can show what you think is a better way You can even convince a nation that what you say is true but when Jesus Christ returns and declares the truth that will be it All issues will be settled all arguments will cease all those who are going to heaven will go and all those who are not will go to hell No it is not a damnation and hellfire book It is a book written out of love If God did not love us He would not bother to reach us He could just allow us to continue in this world's deception and end up where many of us are now separated from Him The words get right let us know that it is not too late This book is just a warning to let the Church and the world know that time is not on our side Time is insignificant to God but it means everything to us When time ends it ends Everyone will go to heaven once some to be judged and some to be welcomed home This book is designed to help you get home
