El Hombre Que Mato A Durruti:

El hombre que mató a Durruti Pedro de Paz, 2011-01-21 Barcelona 1937 El comandante Fernández Durán antiguo miembro del cuerpo de vigilancia de la Policía Gubernativa y actual comandante del ejército republicano durante la guerra civil española es requerido por sus superiores para una singular misión investigar las oscuras circunstancias que rodearon la muerte de Buenaventura Durruti líder anarquista fallecido en el frente de la Ciudad Universitaria de Madrid en noviembre de 1936 Para ello se traslada a la capital en compañía de su ayudante el teniente Alcarzar donde tras una serie de avatares sus pesquisas terminarán por conducirle a unas conclusiones tan sorprendentes como inquietantes **El hombre que mató a**

Durruti Pedro de Paz (Paz Chiquero), 2004 The Man who Killed Durruti Pedro de Paz, 2005 A former policeman now a Major in the Spanish Republican Army is sent to Madrid to investigate the circumstances in which the legendary anarchist was killed In his search for the truth he interviews the key witnesses and uncovers a number of contradictory accounts Nobody tells the same story in quite the same way but as an experienced police officer he knows it is not inconceivable that they are all telling the truth But it is also possible that some of them are lying that some are trying to hide what they know and more sinisterly that some may be seeking to sabotage his investigation for darker political ends Making imaginative and ingenious use of the detective novel as a literary device de Paz explores various hypotheses and scenarios that could at least provide us 70 years on with believable explanations about the chain of events leading to the death of a truly remarkable man Also includes numerous photographs of the man and his funeral and a lengthy afterword by Stuart Christie putting his life times and untimely death into the context of Spanish Anarchism the social revolution and civil war Quite superb all around
