Críticas ,2001 La Ilustre Fregona, Y, El Licenciado Vidriera (Classic Reprint) Miguel De Cervantes

Saavedra,2018-04-19 Excerpt from La Ilustre Fregona Y El Licenciado Vidriera Cervantes other claim is just if these stories could suggest evil I would rather cut off the hand which wrote them than offer them in public The Puritan reader may here and there be startled as he recalls this promise But in the age of Shakespeare decency did not mean silence it meant taking the right view of things It never occurs to Cervantes to shrink from scenes of violence brutality passion and roguery Yet as he says the dish which he offers is clean and wholesome No one can close his book without a sense of gratitude and of healthy refreshment About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
