## **Footbinding Feminism And Freedom Footbinding Feminism And Freedom:**

*Footbinding, Feminism, and Freedom* Hong Fan, 1997 This original book brings Chinese women to the centre of the Chinese cultural stage by examining the role which exercise and subsequently sport played in their liberation

**Footbinding as Fashion** John Robert Shepherd, 2018-12-18 Previous studies of the practice of footbinding in imperial China have theorized that it expressed ethnic identity or that it served an economic function By analyzing the popularity of footbinding in different places and times Footbinding as Fashion investigates the claim that early Qing 1644 1911 attempts by Manchu rulers to ban footbinding made it a symbol of anti Manchu sentiment and Han identity and led to the spread of the practice throughout all levels of society Detailed case studies of Taiwan Hebei and Liaoning provinces exploit rich bodies of previously neglected ethnographic reports economic surveys and rare censuses of footbinding to challenge the significance of sedentary female labor and ethnic rivalries as factors leading to the hegemony of the footbinding fashion The study concludes that independently of identity politics and economic factors variations in local status hierarchies and elite culture coupled with status competition and fear of ridicule for not binding girls feet best explain how a culturally arbitrary fashion such as footbinding could attain hegemonic status

**Sport and American Society** Mark Dyreson, J. A. Mangan, 2013-09-13 A special issue of the International Journal of the History of Sport this collection of provocative essays explores the many faces of sport in America Drawing upon insights from anthropology history philosophy and sociology and with reference throughout to politics and economics the contributors outline the story of how American sport has contributed to a climate of insularity exceptionalism and imperialism from a symbolic rejection of British rule and British sports to the current status of all American sports such as baseball and basketball in the face of globalization

**Liangyou, Kaleidoscopic Modernity and the Shanghai Global Metropolis, 1926-1945** Paul Pickowicz, Kuiyi SHEN, Yingjin ZHANG, 2013-11-11 This collection of original essays explores the rise of popular print media in China as it relates to the quest for modernity in the global metropolis of Shanghai from 1926 to 1945 It does this by offering the first extended look at the phenomenal influence of the Liangyou pictorial The Young Companion arguably the most exciting monthly periodical ever published in China Special emphasis is placed on the profound social and cultural impact of this glittering publication at a pivotal time in China The essays explore the dynamic concept of kaleidoscopic modernity and offer individual case studies on the rise of art photography the appeals of slick patent medicines the resilience of female artists the allure of aviation celebrities the feistiness of women athletes representations of modern masculinity efforts to regulate the female body and female sexuality and innovative research that locates the stunning impact of Liangyou in the broader context of related cultural developments in Tokyo and Seoul Contributors include Paul W Ricketts Timothy J Shea Emily Baum Maura Elizabeth Cunningham Jun Lei Amy O Keefe Hongjian Wang Ha Yoon Jung Lesley W Ma Tongyun Yin and Wang Chuchu

*Fictions of America* Judie Newman, 2007-12-04 The Internet has had a huge impact on channels of communication and information reaching across

time and space to connect the world through globalisation In this Internet led world story links to story windows open on new stories and no overall authority establishes priority This sense of globalisation has raised many questions for contemporary American Novelists primarily the usefulness or redundancy of narrative and its potentially adaptive function What are the right stories for such a broadband world How do contemporary American novelists respond to issues such as the influence of the multinational corporation and its predecessors human rights Imperialism the literary work as a marketable commodity translation as betrayal data overload and the implosion of the virtual into the biosphere Is globalisation inevitable or is it a fiction which fiction turns into reality Fictions of America explores these questions and looks at the ways in which India China and Africa can be said to have underwritten American culture how literature has been marketed globally and how novelists have answered back to power with resistant fictions Judie Newman examines a wide range of fiction from the mid nineteenth to the twenty first century including the transnational adoption narrative short story historical novel slave narrative international bestseller and Western to illustrate her argument Looking closely at authors such as Bharati Mukherjee John Updike Emily Prager Hannah Crafts Zora Neale Hurston David Bradley Peter Heg and Cormac McCarthy Fictions of America provides a bold response to the crucial questions raised by globalisation *American Paper Son* Wayne Hung

Wong,2024-04-22 In the early and mid twentieth century Chinese migrants evaded draconian anti immigrant laws by entering the US under false papers that identified them as the sons of people who had returned to China to marry Wayne Hung Wong tells the story of his life after emigrating to Wichita Kansas as a thirteen year old paper son After working in his father s restaurant as a teen Wong served in an all Chinese Air Force unit stationed in China during World War II His account traces the impact of race and segregation on his service experience and follows his postwar life from finding a wife in Taishan through his involvement in the government s amnesty program for Chinese immigrants and career in real estate Throughout Wong describes the realities of life as part of a small Chinese American community in a midwestern town Vivid and rich with poignant insights American Paper Son explores twentieth century Asian American history through one person s experiences The Oxford Handbook of Sports History Robert Edelman,Wayne Wilson,2017 Practiced and watched by billions sport is a global phenomenon Sport history is a burgeoning sub field that explores sport in all forms to help answer fundamental questions that scholars examine This volume provides a reference for sport scholars and an accessible introduction to those who are new to the sub field **Soccer, Women, Sexual Liberation** Fan Hong,J.A.

Mangan,2004-11-23 This is the first in depth global study of women s football across the world This collection considers women s football in fifteen countries worldwide in a global context and analyzes its progress challenges and problems it has faced It shows how women s football has made a significant contribution to the emancipation of women s football in many countries It also traces the evolution of women s football in face of resistance rejection and prejudice and describes women footballer s struggle for equal rights in a male dominated football world The Wongs of Beloit, Wisconsin Beatrice

McKenzie,2022-04-26 Through family interviews original photographs and national records Beatrice Loftus McKenzie traces the many lives of a resilient multigenerational family whose experiences parallel the complicated relationship between America and China in the twentieth century In the early 1900s Charles Wong moved from Guangdong Province to the United States and opened the Nan King Lo Restaurant in Beloit Wisconsin Soon after his wife Yee Shee joined him to build the Chop House into a local institution and start a family When the Great Depression hit the Wongs shared what they had with their neighbors In 1938 Charles s tragic murder left Yee Shee to raise their seven children ages one through fourteen on her own Rather than return to family property in Hong Kong she and her children stayed in Beloit buoyed by the friendships they had forged during the worst parts of the 1930s The Wongs thrived in Beloit despite facing racism and classism embracing wartime opportunities education love and careers within the U S McKenzie s collaboration with descendent Mary Wong Palmer reveals a poignant story of Chinese immigrant life in the Upper Midwest that adds a much needed Wisconsin perspective to existing literature by and about Asian Americans **Sexual Perversions, 1670-1890 J.**

Peakman,2009-07-30 A fascinating glimpse into the history of sexual perversions and diversions including fetishism cross dressing effeminate men and masculinized women sodomy tribadism masturbation necrophilia rape paedophilia flagellation and sado masochism asking how these sexual inclinations were viewed at a particular time in history **Revolution and**

**the People in Russia and China** S. A. Smith,2008-04-24 A unique comparative account of the roots of Communist revolution in Russia and China Steve Smith examines the changing social identities of peasants who settled in St Petersburg from the 1880s to 1917 and in Shanghai from the 1900s to the 1940s Russia and China though very different societies were both dynastic empires with backward agrarian economies that suddenly experienced the impact of capitalist modernity This book argues that far more happened to these migrants than simply being transformed from peasants into workers It explores the migrants identification with their native homes how they acquired new understandings of themselves as individuals and new gender and national identities It asks how these identity transformations fed into the wider political social and cultural processes that culminated in the revolutionary crises in Russia and China and how the Communist regimes that emerged viewed these transformations in the working classes they claimed to represent **Women, Sport and Society in Modern**

**China** Dong Jinxia,2004-08-02 Drawing on Chinese sources hitherto unavailable in the West including official documents and interviews with top athletes the author explores the rise of Chinese super sportswomen and their relationship with politics culture and society before and during the Cultural Revolution and through China s transition to a market economy **Feet**

**and Footwear** Margo DeMello,2009-09-10 COSTUME CLOTHES FASHION This one of a kind A to Z reference work contains over 150 fascinating entries and intriguing sidebars that look at feet and adornment of feet across the many cultures of the world throughout time A wide range of international and multicultural topics are covered including footbinding fetishes diseases customs and beliefs shoe construction myths and folktales the history of footwear iconic brands and types of shoes

removing shoes upon entering a house covering feet up for social customs and the types of footwear worn around the world

**Rugby's Great Split** Tony Collins, 2012-10-12 Since its first publication Rugby's Great Split has established itself as a classic in the field of sport history. Drawing on an unprecedented range of sources, this deeply researched and highly readable book traces the social, cultural, and economic divisions that led in 1895 to schism in the game of rugby and the creation of rugby league, the sport of England's northern working class. Tony Collins' analysis challenges many of the conventional assumptions about this key event in rugby history: about class conflict, amateurism in sport, the North-South divide, violence on the pitch, the development of mass spectator sport, and the rise of football. This new edition is expanded to cover parallel events in Australia and New Zealand and to address the key question of rugby league's failure to establish itself in Wales. Rugby's Great Split is a benchmark text in the history of rugby and an absorbing case study of wider issues: issues of class, gender, regional, and national identity, and the impact of the commercialization and recent professionalization of rugby league. This insightful text is for anyone interested in Britain's social history or in the emergence of modern sport; it is vital reading.

*Making China Modern* Klaus Mühlhahn, 2019-01-14 Thoughtful, probing, a worthy successor to the famous histories of Fairbank and Spence that will be read by all students and scholars of modern China. William C. Kirby, coauthor of *Can China Lead*. It is tempting to attribute the rise of China to Deng Xiaoping and to recent changes in economic policy. But China has a long history of creative adaptation. In the eighteenth century, the Qing Empire dominated a third of the world's population. Then, as the Opium Wars and the Taiping Rebellion ripped the country apart, China found itself verging on free fall. More recently, after Mao, China managed a surprising recovery, rapidly undergoing profound economic and social change. A dynamic story of crisis and recovery, failure and triumph, *Making China Modern* explores the versatility and resourcefulness that guaranteed China's survival, powered its rise, and will determine its future. Chronicles reforms, revolutions, and wars through the lens of institutions, often rebutting Western impressions. *New Yorker*. A remarkable accomplishment. Unlike an earlier generation of scholarship, *Making China Modern* does not treat China's contemporary transformation as a postscript. It accepts China as a major and active player in the world, places China at the center of an interconnected and global network of engagement, links domestic politics to international dynamics, and seeks to approach China on its own terms. Wen-hsin Yeh, author of *Shanghai Splendor*.

**Downtown Ladies** Gina A. Ulysse, 2008-09-15 The Caribbean market woman is ingrained in the popular imagination as the archetype of black womanhood in countries throughout the region. Challenging this stereotype and other outdated images of black women, *Downtown Ladies* offers a more complex picture by documenting the history of independent international traders, known as informal commercial importers or ICIs, who travel abroad to import and export a vast array of consumer goods sold in the public markets of Kingston, Jamaica. Both by products of and participants in globalization, ICIs operate on multiple levels and, since their emergence in the 1970s, have made significant contributions to the regional, national, and global economies. Gina Ulysse carefully explores how ICIs determined to be self-employed struggle

with government regulation and other social tensions to negotiate their autonomy Informing this story of self fashioning with reflections on her own experience as a young Haitian anthropologist Ulysse combines the study of political economy with the study of individual and collective identity to reveal the uneven consequences of disrupting traditional class color and gender codes in individual societies and around the world      **Freeing the Female Body** Fan Hong,2013-01-11 This collection records the bravery of these forgotten inspirational figures whose determination challenged and overcame convention custom and prejudice to free women from the ranks of the sexualized controlled and oppressed      *American Doctors in Canton* Guangqiu Xu,2017-09-08 Traditional Chinese medicine developed over thousands of years but changes introduced from 1835 1935 by American missionary doctors initiated a landslide of cultural revolution in the city of Canton and medical modernization throughout China Focusing on medical missionaries ideas and approaches in a principal city of the period Canton Guangqiu Xu a native of Canton describes the long term impact of American models of medical work which are still in place in China today Despite stiff resistance to change and Chinese suspicion of foreign ideas the impact of American medical missionaries was profound They opened medical schools trained modern doctors and promoted public health education These transformations in turn led to major social movements in the modernization of Canton such as the women s rights movement modern charity and welfare systems and modern hygiene campaigns This book focuses on the changes American doctors brought to Canton their implementation what remains of their influence today and how some of these transformations have spread across China It shows that the Chinese have themselves become more responsive to cultural relations with the US as part of the acceptance of these changes and demonstrates how the unique blend of modern Western and traditional Chinese medicines has helped modernize China and make Canton the cradle of modern reform and revolution in China      *Routledge Companion to Sports History* S. W. Pope,John Nauright,2009-12-17 Presents comprehensive guidance to the international field of sports history as it has developed as an academic area of study This book guides readers through the development of the field across a range of thematic and geographical contexts It is suitable for researchers and students in and entering the sports history field      **Feminist Perspectives on the Body** Barbara Brook,2014-06-11 Feminist Perspectives on the Body provides an accessible introduction to this extremely popular new area and is aimed at students from a variety of disciplines who are interested in gaining an understanding of the key issues involved The author explores many important topics including the Western world s construction of the body as a theoretical philosophical and political concept the body and reproduction medicalisation cosmetic surgery and eating disorders the body in performance the private and the public body working bodies and new ways of thinking about the body

The Top Books of the Year Footbinding Feminism And Freedom Footbinding Feminism And Freedom The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Footbinding Feminism And Freedom Footbinding Feminism And Freedom : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Footbinding Feminism And Freedom Footbinding Feminism And Freedom : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
