impossible Somewhere along the line writing this book became Lorraine s therapy She began to make peace with and sense of the chronic pain that gripped her and kept her from leading the life she wanted the life she expected After all her golden years were supposed to be her happiest This b      *Footprints* Inspirio,2000-02 For more than 30 years countless lives have been changed and renewed by Margaret Fishback Powers best loved poem Footprints This beautiful poem is a wonderful way to remind someone of the Lord s unceasing faithfulness care and presence in our walk of faith The favorite poem along with related quotations and Scriptures is now available in this innovative die cut edition just right for passing along to friends and family      *International Books in Print* ,1986      *Books in Print Supplement* ,2002      **Canadian Books in Print** ,2000
