For The Love Of Raindrops:

For the Love of Raindrops Beth Michele, 2015-04-05 A Best Friends to Lovers Story I fell in love with her when I was just a boy And then I never fell out of love I just fell deeper But she has everything She is everything And I have nothing to offer her Except my heart Sometimes the guy gets the girl and they live happily ever after I wanted to be that guy you know Especially since I can't imagine ever loving anyone else Right after I work up the courage to tell her my world gets torn apart My dream becomes my worst nightmare I wish I could go back in time I wish I had told her sooner But most of all I wish it would rain again

Raindrop! Phalafala Aphane, 2010-12-20 Rain in the African context has a deep cultural significance It symbolizes the prevalence of peace as a tirade against any cruel authority or fundamentalism of all kinds Drop of Rain is a unique epic, surrealistic and long unparalleled poem which is used ornamentally as a tender whisper of struggle and peace that offers unlimited thinking and space and uncovers the truth that toughens and softens the dark shades of human souls and the shape of the animus within our dreams from multi-textured life It reveals the conscience, the consciousness and conscientiousness, the wit, care and foresight to everyone who feels, thinks, sings and dreams of Rain to share that inner glowing, glorious, chorally co-operative music of rain and making of tomorrow as a liberating and humanistic philosophy to awaken societal and opinionated values and social intercourse This poetry I hope offers a window on African humanity in and beyond the continent because the Rain is everywhere Every Drop of Rain has a poem to unite our beautiful world for a permanent global peace Personal Rain alone is not enough Village Rain alone is not enough Country Rain alone is not enough African Rain alone is not enough European Rain alone is not enough American Rain alone is not enough and A cow does not excrete its whole dung at once Pula ga e ne Let it rain in four corners of the world Drop of Rain will constantly invite your own freedom of interpretation as you enjoy the journey of reading it

 Berequette,2016-11-30 If you asked me if or why I wanted to write a poetry book a year ago I would have replied Which book
 Now that I wrote it this is a very easy question to answer First I need to say that I started writing poetry about two years ago
 because I enjoyed the flow of words moving through my consciousness yet I had little intention of writing a book In fact I
 wrote as I was getting my inspiration from taking long walks in the middle of nature As I kept writing I started realizing that
 I needed to have many messages out but the most important one was about that which we call love It is such an
 overwhelmingly defined word that my humble attempt at describing it became a series of desires just to depict what I was
 feeling at that moment It is really that simple and complex at the same time Second I began feeling that if I dont write ever
 so often my entire being is being deprived of this wonderful life force So I kept writing away but not in an organized manner I
 just wrote about whatever images I was being graced with Third I started realizing how the various poems fit together only
 recently which is how the idea of publishing this book slowly developed I decided to self publish for reasons of timelinessI
 needed to present this offering before the year 2000 was over so that the new millennium will start out fresh It felt like the

right thing to do I grouped the chapters based on how I felt we the old souls of this earth and universe need to connect with our own essence within space and time dimensions and with our soul mates Light and love are quintessential concepts yet they are just as real as our physical forms I feel we all blend together spiritually in the end so whats the point of separations Of course this is a personal viewpoint perhaps shared by many others like me in their own unique ways Whether love was in the beginning of our creation whether it wraps around our daily existence whether it blesses us with its healing power what really matters is that we feel it at various points in our lives with a fluctuating degree of intensity Imagine if we could enhance these feelings recreating our core passionately The best of all worlds is enjoying every moment of our lives no matter how our emotions fill it If we embrace this way of approaching life maybe then we can all feel closer to our origin to our energy to divine power to creativity and to guidance And love will belong to all of us will flow through and transcend us in whatever form we choose to interpret it We all need it we all search for it we all give it away and we are all made to exchange it So why not start this very second Thats why I wrote this book SEASON OF ETERNAL LOVE (VOL-2) authors of the bharat, Anthology SEASON OF ETERNAL LOVE contains marvellous literary work of various authors across the whole Bharat It is a compiled to give a platform to the budding writers of our great nation and help them in coming forward and present their literary work in front of the whole world *Love Collection* Shohana Islam,2014-04-05 Our life is full of struggled and trouble But we have to fight fight and fight I am also fighting for survive My first greetings to all my readers who read my poems and stories Please help me to survive Its my dream to be a successful author I start my journey till my childhood And still struggling So I need your effort If I get such effort I will be very grateful to all those Thanks from Shohana Islam Journey to Self "A Being of Love" Katina Williams,2012-02-20 Journey to Self is about finding you the real you outside of ego *Christian Gospel Hymns* Charles Reign Scoville,1909 *Wonder Hymns of Faith* ,1911 **Southern Lyrics** Robert Paine Hudson,1907 Catalog of Copyright Entries, Third Series ,1966 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc
