For God and Country Mark Bowlin, 2012-01-01 In WWII Italy two soldiers have been granted a week of leave but R R is not in the cards for them January 1944 The great Allied advance up the Italian peninsula has come to a halt before the formidable German Gustav Line at Monte Cassino For the American soldiers in the valley there is nothing to do but wait as General Mark Clark prepares his plan to shatter the German defenses and continue Fifth Army's march to Rome Captain Perkin Berger and First Lieutenant Sam Taft are spared the monotony of waiting They're given a week of well deserved leave in an Adriatic resort town where they have no responsibility other than relaxation Proving the old maxim that no plan survives first contact with the enemy Sam and Perk find themselves involved in the Canadian battle at Ortona and once again they are thrust into the middle of a secret war between the Third Reich and the Vatican When the cousins return from their R R it isn't long until the order is given Against all sound military judgment the exhausted and under strength Gun Club is to cross the Rapido River and breach the Gustav Line alone

For God and Country Fr. Michael J. Cerrone, 2015-04-14 I am not afraid I was born to do this St Joan of Arc She is not the typical saint Born and baptized in Domremy in 1412 Joan of Arc was thirteen when the Archangel Michael appeared and exhorted her to safeguard her virginity Two more heavenly voices later spoke to this daughter of God and revealed the divine Will for her to unify and liberate France from the English invaders With God's grace in her soul and in her soldiers the seventeen year old Joan valiantly led battlefield operations to defeat the siege of Orleans and see the king anointed and crowned at Reims Captured as a prisoner of war Joan of Arc was sold to the English in Rouen brutally mistreated then unjustly condemned by a corrupt church court as a heretic apostate and witch While being burned at the stake she forgave her enemies and invoked the help of God and his saints The Catholic Church with the authority of the pope in Rome nullified her previous conviction and canonized Joan of Arc as a Saint of God in 1920 In these pages you will discover the true character and accomplishments of Saint Joan of Arc and be led to meditate on her profound legacy of virtue You will be inspired by her heroic love of God and Country and will understand how prayer and the Church's sacramental life of grace gave her strength to overcome all obstacles in achieving her mission You will be amazed at the enduring impact of this soldier saint and virgin martyr on the rebirth of the nation of France and on the renewal of the Catholic Church even six centuries after her birth Joan of Arc's momentous appearance on the stage of medieval European and Church history is skillfully recounted by Father Michael Cerrone A colorful and insightful narrative awaits and will reward the reader Cardinal Edwin O'Brien Grand Master of the Equestrian Order of the Holy Sepulchre of Jerusalem

Serving God and Country Lyle W. Dorsett, 2013-05-07 In World War II more than twelve thousand Protestant ministers Catholic priests and Jewish rabbis joined the Chaplain Corps They were men of faith under fire And they would charge straight into Hell to save the soul of a single soldier Representing America's three major religious traditions volunteers from across the country enlisted as noncombatant commissioned officers to provide spiritual strength and guidance for those

fighting men who never knew if they were going to survive Armed only with Bibles Torahs and the tools of their holy trade these men of God went wherever the troops went They prayed over men about to go into combat on land at sea and in the air And most important and difficult of all they guided fallen fighting men of every faith as they breathed their last and gave up their lives in the fight against tyranny These are the personal stories of some of the bravest and most selfless men who served with the armed forces Many lost their lives or suffered debilitating wounds as they strived to keep the military personnel spiritually awake morally fit and prepared to make the journey from this world to the next without fear or despair and with the trust of the Almighty in their hearts INCLUDES PHOTOGRAPHS **True to My God and Country** Françoise S. Ouzan,2024-02-06 True to My God and Country explores the role of the more than half a million Jewish American men and women who served in the military in the Second World War Patriotic Americans determined to fight they served in every branch of the military and every theater of the war Drawing on letters diaries interviews and memoirs True to My God and Country offers an intimate account of the soul searching carried out by young Jewish men and women in uniform Ouzan highlights in particular the selflessness of servicewomen who risked their lives in dangerous assignments Many GIs encountered antisemitism in the American military even as they fought the evils of Nazi Germany and its allies True to My God and Country examines how they coped with anti Jewish hostility and reveals how their interactions with Jewish communities overseas reinforced and bolstered connections to their own American Jewish identities *God and Country: A True Story of My Journey through Indoctrination, Violence, and Jihad* Will Prentiss,2019-01-16 Will Prentiss grew up in a broken home struggling for guidance as a teenager he moved in with his mother who was part of a Christian group But he was subjected to violent abuse until he fled in fear of his life Searching for meaning still seeking his grounding through faith he eventually found himself at a mosque and decided to become a Muslim He became a strong advocate of his new community married a Muslim woman and faced discrimination after the 9 11 terrorist attacks But when Muslim friends begin planning to go abroad to carry out jihad he started working with the FBI Although he felt compromised and conflicted he took pride in knowing that he was protecting his community and serving his country but that did not assuage the guilt he felt in betraying his community Focused on themes such as morality justice and what it means to be an American this account offers insights into a religion that is deeply misunderstood while sharing the true story of someone weighing the balance between faith and patriotism **Father and Son** Tony Bethel and Brian Bethel,2009-02-25 Father and Son a Connection through Poetry is Tony s fourth book of poetry and the first with his son Brian **Immigrant City** Donald Cole,2002-01-01 The violence and radicalism connected with the Industrial Workers of the World textile strike of 1912 in Lawrence Massachusetts left the popular impression that Lawrence was a slum ridden city inhabited by un American revolutionaries Immigrant City For God, Mammon, And Country Shireen Mahdavi,2018-02-13 This book is the first major account of the life and times of a merchant in nineteenth century Iran or in the Middle East Haj Muhammad Amin al Zarb 1834 1898 rose

from humble beginnings to become one of Iran's wealthiest and most prominent merchants. He built up his wealth as a money changer, a trader in textiles, precious stones, opium, carpets, agricultural products, and staple foodstuffs amongst other goods and judicious transactions in land. Adept at cultivating powerful connections, he became the principal supplier of luxury goods to the Shah, his court, and members of the ruling elite. He served as private banker to the Shah, his prime minister, and influential bureaucrats, and became Master of the Mint. He had agents in all the main towns of Persia and Europe, with correspondents in Asia and America. Amin al Zarb was also an entrepreneur, industrialist, and innovator. Determined to bring to Iran the advances he had witnessed in Europe, he invested in mining, established factories with imported machinery such as glass, china, and silk reeling, built a railway line, and urged the Shah to establish a national bank. He also became an advocate of reform and curbs on arbitrary rule. He befriended the famous Islamic reformer Jamal al Din Afghani. An innovator in business, Amin al Zarb led a very traditional life at home. Gifted at making money, he was nevertheless a pious man who contributed generously to religious and charitable causes. Shireen Mahdavi draws on hitherto unpublished family archives to write not only a biography of a fascinating nineteenth-century merchant but also a social history of the period. Her portrait of Amin al Zarb also provides important insights into the economic, social, and political role played by merchants in Iran and elsewhere in the Middle East in the nineteenth century.

Reproduction of the original *God's Country: The Trail to Happiness* by James Oliver Curwood. *State-Religion Relationships and Human Rights Law*, Jeroen Temperman, 2010-05-17. This book examines the question of how the mode of state religion identification affects the state's scope for compliance with human rights law. It

presents a human rights based assessment of the various modes of state religion identification and of the various forms of state practice that surround and characterize these different state religion models A close assessment of norms of human rights law substantiates that although human rights law on the face of it is seemingly neutral to the issue of state religion identification legal principles can be extrapolated that have a profound bearing on the question of legitimacy of the possible diverse relationships that may exist between the state and religion A range of thematic case studies on among other issues Establishment of Religion the Equal Religious Rights of Others Religion Freedom of Expression Religion Political Rights Religion Educational Rights Religion Freedom of Association and Religion Equal Employment Opportunities demonstrates that existing regimes of positive state identification with religion are not devoid of forms of institutionalised discrimination and de facto practices of discrimination on grounds of religion or belief or lack thereof At the same time it is observed by the author that in some secular or separationist states the ideals of state secularism and separationism have come to be considered ends in themselves This has given rise to situations where the principles of secularism and separationism are construed so as to impose illegitimate limits on the activities of religions or illegitimate limits on the individual manifestation of certain beliefs This book makes a case for the recognition of a state duty to remain impartial with respect to religion or belief in all regards so as to comply with people s fundamental right to be governed at all times in a religiously neutral manner
