

FORCE-FREE MAGNETIC FIELDS SOLUTIONS, TOPOLOGY AND APPLICATIONS

An abstract graphic representing magnetic field lines. It features several nested, elongated, and somewhat circular shapes. The innermost shape is a bright red ring. Surrounding it are layers of blue, purple, and teal. The shapes are elongated horizontally and have a sense of depth, with some areas appearing to curve or twist. The background is a dark teal color with some lighter, swirling patterns that suggest the flow of the magnetic field.
