Meanwhile, the angel Miriam escapes captivity and, alone in the forest, she prays fervently to Adonai for guidance, but the answer she receives is as bewildering as it is profound. In a shocking twist, Lucifer himself arrives as a tempter determined to break Miriam's resolve. The advent of a worldwide war sweeps these powerful beings and many more into desperate strife. Jeremiah C. Braudrick, 2019-10-18 For anyone who has ever longed for God but always felt like his love was just out of reach for anyone whose messy story has made them feel like a third string player on God's team for anyone whose soul feels beaten, battered, and in desperate need of some healing, C. S. Lewis just may have a remedy. This collection of essays and memoirs delivered by an author whose fundamentalist upbringing painted a picture of a God who was simply impossible to please are written for anyone who has struggled with their spiritual self-worth. After life threw him a few curveballs, he was convinced that the God whose approval he yearned for simply had no use for him. Lewis helped to change that. This story about falling back in love with God takes the reader on a three-year journey in which the author digested just about every word Lewis ever wrote, including many of his classics, his lesser-known writings, and even personal letters he wrote to family, friends, fans, and even children. The memoirs will journey to Lewis's home and favorite pub in Oxford, his office in Cambridge, his church, his gravesite, and more.

The Dragon King's Obsession Kalenka, One of you three will become the Dragon King's wife, said the king. Without even knowing it, this one sentence would change Charlotte's life forever. From a forgotten princess to the wife of the most feared king on earth, The Dragon King, Damien PenDraco. He was ruthless, he was cold-blooded, he was a pure dragon with a scary appearance and skin similar to a snake. Charlotte was the second daughter of the king. Her mother was one of the king's concubines. Her father lost his favor towards her mother, and her. Although Charlotte was a princess, she was never treated as one. They often got bullied and mistreated by the queen and her daughters. When the marriage offer came from King Damien, the palace was in shock. King Damien used the marriage as an excuse so that he could get his hands on the land where the crystal of power could be found. The king couldn't refuse him. Neither of his daughters wanted to marry him. The marriage proposal was the only way Charlotte could be free. In exchange for her mother's divorce from her father and freedom, she started her journey to King Damien's castle. Everywhere is better than this hell, thought Charlotte. King Damien was exactly as described, a real dragon. If you don't want to be my wife, you will work as a servant in my castle, said Damien, looking at Charlotte's rejection. No problem, said Charlotte. When the king learns about Charlotte's immense knowledge of archeology, he offered her the freedom she longed for in exchange for her help in finding the crystal of power. The two of them agreed and started their journey in finding the crystal power, but after finding it, King Damien refused to let her go. You're mine.
