Jesus, the Prophets, and the End of the World Trevor Bucknell,2016-07-22 The Old Testament prophets and their writings were hugely instrumental in the formation of the second temple eschatology so an appreciation of the Old Testament prophetic literature greatly helps us in understanding the life and ministry of Jesus and the rationale of the early church Israel s story of divine election lay at the core of their identity as a nation and people constantly reinforced in the religious practices and rituals that made up their lives That story by the time of Jesus was heavily influenced by the eschatological expectations created by the prophets The people of Israel expected looked for and waited for God s intervention in their history and in their lives once again as he had intervened in the past The eschatological message of the prophets focused on two themes the kingdom of God and the day of the Lord The first theme largely found its fulfillment in the coming of Jesus and the birth of the church though it awaits his return for its culmination The book of Revelation presents an unfolding of the second theme the day of the Lord This forms the common theme in the prophets of God s final and culminating act of righteousness and justice in this age

Preaching and Teaching the Last Things Walter C. Kaiser Jr.,Walter C. Kaiser,2011-09 A distinguished evangelical Old Testament scholar offers students teachers and pastors his signature guidance for expositing Old Testament eschatological texts

Things to Come J. Dwight Pentecost,2010-05-11 A comprehensive and accessible study of eschatology for anyone interested in the important subject of biblical prophecy The Bible and its revelation about Jesus Christ s return is the one

source of hope and confidence for the future in these dark days Approximately one fourth of the Bible was prophetic at the time it was written meaning that a greater body of Scripture is devoted to the unfolding of God's plan than any other one subject God the architect of the ages has seen fit to take us into His confidence concerning His great design But until Things To Come was published the treatment of biblical prophecy had been mainly either apologetic or expository with prophetic themes being developed individually apart from their relation to the whole revealed prophetic program This methodology produces fragmentary and unrelated knowledge of the subject In this monumental classic Dr Dwight Pentecost has synthesized the whole field of prophecy into a unified biblical doctrine a systematic and complete biblical eschatology He deftly handles many controversial topics including a detailed presentation of premillennial eschatology With nearly a quarter of a million copies sold Things to Come has earned its place in the library of the pastor the scholar and the seminarian or Bible institute student

The Search for Order W.J. Dumbrell, 2001-10-29 The Bible's eschatological framework is spread across the table for all to see in The Search for Order showing the unfolding of God's total plan for history not just the last days In a world disordered by sin Scripture describes God's goal as a reordering of corrupted creation according to William J Dumbrell The author takes into account current positions as he looks for the big eschatological picture with the same thorough approach to biblical theology he brought to The End of the Beginning and Covenant and Creation In the resulting thematic survey students are allowed to draw their own conclusions about the Bible's overall position on the climactic scenes of history Ultimately they learn to conceive of eschatology less as an expectant construction of future events than as a theological approach to comprehending what God is doing today

Thy Kingdom Come Harold L. Patterson, 2008-12 Thy Kingdom Come is a panoramic overview of the present reign of Jesus Christ at the right hand of God the Father and of the future consummation of that reign It presents three authoritative apostolic New Testament guidelines for the interpretation of the Old Testament prophecies It fairly examines the three main positions on the millennium and offers scriptural conclusions that incorporate elements of truth from all three Detailed expositions of the 110th Psalm and the book of Revelation are based on the apostolic guidelines Harold Patterson was born in Portland Oregon in 1920 In 1942 he was appointed as a Patrol Inspector in the Immigration Border Patrol and was assigned to work on the Mexican border in Southern California His career as a Border Patrolman was interrupted by military service during WW II During his military service he met and married Shirley Van Hamm in Denver Colorado In 1951 Harold and Shirley enrolled in BIOLA Bible College in Los Angeles After graduation they accepted teaching positions in Taholah Washington on the Quinault Indian Reservation They remained in Taholah for 17 years and served the Indian community in various ways during that time To upgrade his professional skills Harold earned the Bachelor of Education degree at Seattle Pacific University and the Master of Education degree at the University of Washington In 1972 Mr Patterson was appointed Associate Supervisor of Indian Education for the State of Washington and served in that capacity for nine years He also served as a lay minister and Bible

You Must Know the Times Dennis James Woods,2020-12-05 The world is spiraling out of control at an alarming pace Wildfires earthquakes hurricanes and floods devastate entire communities Global pandemics kill hundreds of thousands of people Social injustice civil unrest and lawlessness threaten our societies Political instability and the threat of war increase hostilities between nations The birth pangs of distress are getting more intense each day The question is what do all these things mean and where is this world headed Unfortunately at a time when people need answers the most many do not know what the Bible says about the end times You Must Know the Times is an eye opening book specifically designed to educate readers on a wide range of subjects concerning the last days This book will equip you to discern the times in which we now live You will learn what the Bible says about the signs of the times the conflict in the middle east the tribulation period the nation of Israel the mark of the beast the Antichrist the battle of Armageddon the rapture of the church the return of the Lord and many more essential topics Discover the powerful message the book of Revelation has for Christians and the perils that await a rebellious world The Lord warns Look I am coming like a thief The one who is alert and remains clothed is blessed Therefore it is vitally important that you must know the times

Crucial Questions about the Kingdom of God George Eldon Ladd,1952 For the purposes of publication each lecture has been divided into two chapters With the exception of the last two chapters the study is centered in our Lord s teachings for the kingdom of God is one of the most central themes in his Evangel It will appear to many to be a weakness that so little appeal is made to the Old Testament prophecies but I am convinced that we must interpret the Old Testament by the New and not vice versa and this procedure has been deliberately followed Author s foreword

The Return Of The King Jeff Kluttz,2009-03-04 The Return of The King ROTK is a detailed timeline of end time events as prophesied in the Bible Unlike some works of this nature ROTK is written to a non technical audience providing full definitions of all theological terms used in the book It is written by a minister of over 20 years who is accustomed to breaking complicated theological content down for its simplest digestion ROTK is written from a premillennial perspective which understands scripture to be literal in nature and prophecy to be interpreted via normal and customary interpretational methods rather than being relegated to symbolic in its nature ROTK is also written in conjunction with the ROTK Teacher s and Student s editions which can be obtained for teaching the biblical study of eschatology end time events in a classroom setting For more information and excerpts from this work visit the author s blog at www.returningking.com

Lord, When? John J. Cobb,2022-02-23 Lord When looks at the Second Coming from a Scriptural point of view while examining the questions objections and various views of the Tribulation period and the Rapture of the Church As the world draws closer to the Second Coming of our Lord it is more important than ever that all Christians understand what the Bible says about this

crucial doctrine Our greatest hope lies not in theories of inferences but in undeniable facts left by our Lord in His holy word about The Seventh Trumpet The Great Apostasy The Restrainer The Antichrist The Seventy Weeks of Daniel The 144 000 Servants With over twenty years of research and study of the end of times author John J Cobb brings a special and unique approach to these areas He has taught four verse by verse expositional classes on the book of Revelation His passion for scriptural clarity in eschatology has been the driving force behind Lord When Whether the information gathered is from him or other authors and experts in this area Minister Cobb has taken great care to bring it all to bear against the backdrop of Holy Scripture the final arbiter of all Christian doctrine Kingdom and Church Thomas Forsyth Torrance,1956 **The Reign of Christ on Earth** Daniel T. Taylor,1881 **House Divided** David A. Green,Edward J. Hassertt,Michael J. Sullivan,2014-01-01 This book is a Reformed Calvinist response to Keith Mathison s multi authored book When Shall These Things Be which was a critique and condemnation of full preterism David Green Edward Hassertt and Michael Sullivan demonstrate that the advent of preterism in church history is the result of organic development from within the historic Reformed church and that it represents the uniting of the divided house of Reformed eschatology As the authors navigate through the confusing maze of the Mathison volume they overturn the arguments that the authors of that book levied against the truth that Jesus Himself taught in no uncertain terms This Second Edition includes added material throughout the book especially chapter four the response to Mathison s chapter in When Shall These Things Be It also includes an Appendix in response to critics of the first edition of House Divided **As You See the Day Approaching** Theodore G. van Raalte,2016-01-06 We are in the last days Living well in such a time depends upon believing that Christ has conquered sin and death and is ruling today alive at God s right hand These essays on the end time will help Christians live like people who really have eternal life already the life of the Spirit of Christ who lives and moves in both Christ and Christians Whether your question is about heaven the soul hell the new earth about how believers in the Old Testament thought of these things or about what redemptive progress God brought by the resurrection of Christ you will find answers here Readers will also be warmly encouraged by the practical and realistic chapters about the Christian s calling in social and political matters and about the ways that the church s worship is a participation in heavenly realities Central to everything about the end time is the fact that by dying and rising Jesus Christ brought the whole world forward into the last days and has in principle brought Christians into a fullness that Moses and even Adam did not yet know Read and be encouraged The Coming of the Kingdom Herman N.
