For Us The Living Judgment Day:

For Us, the Living Myrlie Evers Williams, 2023-07-14 In 1967 when this brave book was first published Myrlie Evers said Somewhere in Mississippi lives the man who murdered my husband Medgar Evers died in a horrifying act of political violence Among both blacks and whites the killing of this Mississippi civil rights leader intensified the menacing moods of unrest and discontent generated during the civil rights era His death seemed to usher in a succession of political shootings Evers then John Kennedy then Martin Luther King Jr then Robert Kennedy At thirty seven while field secretary for the NAACP Evers was gunned down in Jackson Mississippi during the summer of 1963 Byron De La Beckwith an arch segregationist charged with the crime was released after two trials with hung juries In 1994 after new evidence surfaced thirty years later Beckwith was arrested and tried a third time Medgar Evers s widow saw him convicted and jailed with a life sentence In For Us the Living this extraordinary woman tells a moving story of her courtship and of her marriage to this heroic man who learned to live with the probability of violent death She describes her husband s unrelenting devotion to the quest of achieving civil rights for thousands of black Mississippians and of his ultimate sacrifice on that hot summer night With this reprinting of her poignant yet painful memoir a book long out of print comes back to life and underscores the sacrifice of Medgar Evers and his family Introduced in a reflective essay written by the acclaimed Mississippi author Willie Morris this account of Evers s professional and family life will cause readers to ponder how his tragic martyrdom quickened the pace of justice for black people while withholding justice from him for thirty years Since the conviction of Beckwith in a dramatic and historical trial in a Mississippi court there has been renewed acclaim for Evers One speculates that had he lived he might have attained even more for the equality of African Americans in national life The Danger of Falling Into the Hands of the Living God Matthew Mead, C. Matthew McMahon, 2016-06-13 In this convicting work directed to increase a healthy fear of the Living God to Christians Mead works from Hebrews 10 31 It is a fearful thing to fall into the hands of the Living God Mead teaches in what sense God is the living God and what it means to fall into the hands of this God who lives Every sinner redeemed or remaining in unbelief will ultimately stand in judgment before the Living God and will have to deal with God both necessarily and everlastingly Necessarily as God requires an account of their life and everlastingly where the final state of the sinner will be determined Mead demonstrates that having such a healthy fear of falling into God s hands is evidenced from that terror which sinners themselves many times feel under the sense of God s wrath in this world Men must be saved by Christ to escape the dreadful judgment that accompanies unbelief when they fall into the hands of the Living God This union with Christ God s only Redeemer is such a union as that by it a man s state is fundamentally changed so that he is no longer a child of wrath It is a union fixed in the blessed state of justification and the forgiveness of sins By virtue of this union he has a right to all the blessings of the covenant This is what gives Christians great boldness in the day of judgment to stand before the Living God in whom hands they are judged This is not a scan or facsimile has been updated in modern
